## North Cave Sports and Social Club

North Cave Sports and Social Club is a beautifully maintained large green space near the Church that is the venue for the Jubilee Celebrations as well as football and cricket matches and the annual Bonfire Night festivities. The Club house contains the changing rooms and toilet facilities as well as a recently refurbished bar and seating area. The Play Area, close to the entrance off Church Street, provides a much used, high quality facility both for residents and visitors to our area.

All these facilities are maintained by a small group of hardworking volunteers who would love to have a bit more assistance - more hands make light work!

All residents are welcome to join the Sports and Social Club - membership is a mere £5/per head/per year - you do not have to be a sporty person to join. There are separate membership charges for the individual sports, such as football and cricket.

To join the Club and show your support, and/or offer assistance, contact :

# Message From the Parish Clerk

After 14 ½ years I've decided to take early retirement from my position as Parish Clerk.

I remember attending my interview, being told "You support the Council & the Community; type a few letters, attend a couple of meetings per month, take minutes and liaise with ERYC". I would be required to undertake a qualification, which I passed; this really helped me in my role, as Clerk; Proper Officer of NCPC & Responsible Financial Officer.

Unbeknown to me the role is far more than just serving the Community and the Council. The role is to ensure that the Council as a whole conduct its business properly / lawfully, providing independent, objective and professional advice and support.

I've liaised with many representatives at ERYC; Ward Councillors; other Clerks & outside contractors. Allotment tenants have been a pleasure to know, great characters, full of enthusiasm, many knowledgeable and passionate, who take pride in their plots and assist other less experienced tenants on their journey. One or two have left parcels of produce, letting me sample the fruits of their

labour. You know who you are, your generosity has been much appreciated, over the years ... Thank you.

I've had many highs and lows, numerous laughs along the way, tears occasionally but on the whole, I've really enjoyed my job, serving the Community. I would like to thank you all for your support and wish you all well for the future.

I would like to take this opportunity to thank past and present Chair-persons who I have worked along-side and all the Councillors I have supported, over the years. You all give your time freely to enhance our Village Communities, taking criticism and at times unjustified bad press, but I think we've achieved a lot, but we wouldn't achieve anything without volunteers like you. Good Luck going forward!

Finally, I would like to wish Mrs Ward every success in her new position. I'm sure you will all give her support, patience and understanding whilst she settles in the role.

With love & Best Wishes

*Sue Malton*

# North Cave Parish Council News

---

## Queen's Jubilee Celebrations

Plans for the celebrations of the Queen's Jubilee are on target for the 5th June as you will have seen from the notices displayed around the village.

Although this event is being run independently of NCPC, we have been quite heavily involved and have provided some funds to cover a shortfall amounting to £500 in addition to our previous donation.

NCPC has provided funding for Queen's Jubilee mugs which will be given to the children at North Cave Primary School. There will be some spare mugs available which will be on sale at the NCPC stall during the celebrations on the 5th June at North Cave Playing Fields.

## Tree Planting

DEFRA are providing funding for two tree planting schemes. As a delivery partner for DEFRA, The Conservation Volunteers have offered the village the funding for new trees as part of the local community forest (Humber Forest) and will also carry out the planting. We are currently working with this group, and the WI who have also offered to fund some trees, to determine the feasibility and most suitable locations.

## New Councillor

We have recently been joined by a new Councillor, Wendy Elliott of Everthorpe. It is good that the village of Everthorpe has input to the NCPC meetings and we hope you will join us in welcoming Wendy to this role.

We are also expecting another new Councillor to be joining us soon to take the Parish Council back to its full complement.

## Parish Council Clerk

After working extremely hard for the NCPC for a significant number of years, our Clerk, Sue Malton, will be retiring shortly. I'm sure you will join us in thanking Sue for her efforts and the outstanding work she has done for our community over the years.

She will be replaced by Mrs Ward who I am sure

will provide us all with an excellent service. She has been working alongside Sue for a number of weeks to familiarise herself with the various duties involved.

## Contact

**Please note that the Clerk's email address and working hours have changed slightly . Please see below.**

If you have any comments to bring to our notice, please contact the Clerk: Mrs Ward; Telephone 01430 423668 from 9am to 2.30pm Tuesday / Wednesday and 9am to 2.00pm Thursday or email:

[clerk@northcave-pc.gov.uk](mailto:clerk@northcave-pc.gov.uk)

Alternatively, please contact a member of NCPC. Please note the Clerk does try to maintain the hours stated above although her hours are flexible. If she's not available during the hours stated, she does have an answer machine service, and will contact you at her earliest convenience.

Our next meetings are planned for the 17th May and the 21st June at 7 pm in the Village Hall - we generally plan to meet on the third Tuesday of the month.

The minutes and agendas of each meeting will continue to be displayed in the notice board on the land adjacent to the Methodist Chapel on Westgate and also on the website:

[www.northcave-pc.gov.uk](http://www.northcave-pc.gov.uk)

Please note that the minutes of a meeting must be approved by the Parish Council before they are published so there will be some delay before they are made public.

The Parish Council has taken over the upkeep and maintenance of the **Defibrillator**, which is sited on the front of the **Village Hall**.

If you are unfortunate enough to need to use the machine: **ring 999** and wait for instructions. Keep doing CPR whilst you wait for the defib or the ambulance to arrive.

After use, please inform the clerk on 01430 421779, so that the pads can be replaced.

## Update for Early Summer 2022

### Funding

It is looking very likely that we will be receiving Environment Agency funding for project management, feasibility work, and some site-based interventions this year. The 'business case' is submitted and we'll be pursuing opportunities as they become available.

### Strategic Projects

**1 - Watercourse management** We had a great meeting with experts of University of Hull Biology Department who are keen to work with WWSTF. They want to help us, along with East Yorkshire Rivers Trust (EYRT) and Yorkshire Wildlife Trust (YWT), to develop a community programme based around our chalk streams. So if you would like to know more about our unique natural heritage, keep in touch (see below).

### **2 - Natural Flood Management (NFM)**

Another meeting with some UK experts gave us a lot of pointers about how best to implement NFM in our catchment.

**3 - Agriculture** The Agriculture Workshop event we mentioned last time (soil management, carbon capture, tree planting etc.) is planned for June at Drewton Manor Rooms, and funded by Yorkshire Water. The date is not yet fixed, so please check our new forum (notice below) where we will publish ASAP. Alternatively, just get in touch directly by email to be notified as soon as we have the date. **All farmers/landowners welcome.**

**4 - Data capture** Discussions ongoing!

**5 - Waste and Surface water** Yorkshire Water's consultants, Stantec, recently joined the WWSTF Technical Group meeting for the first time. Hopefully, this is the start of a more effective relationship with YW.

**6 - Schools** After our successful sessions with North Cave Primary, the first meeting has been set up with head and staff at Newbald Primary School. South Cave to follow in due course.

### Site Specific Projects

The main update of interest is that we walked around Littlemoor Drain/Finkle St/Blanshards Lane with ERYC Flood Risk, to help them understand the locality and what measures would help to reduce the surface water flooding in these areas of North Cave. ERYC has also submitted its 'business case' so, if successful, there should be some action on the ground during this financial year.

Perhaps of limited interest to North Cave area readers, but we have also had some very positive site meetings with Ellerker Parish Council and landowners above Ellerker, which we think could result in projects which will really help reduce the issues experienced along Main Street in Ellerker.

Similarly, we have had very positive meetings and contacts with Newbald Parish Council and landowners. When local and technical experts get together, great things are possible!

### Website & Forum

The **discussion forum** mentioned last time is now installed and running at

<https://www.westwoldsslowtheflow.org.uk/phpBB>

It is divided into:-

- News and Updates
- Strategic Projects
- Site-Specific Projects

You will be able to register for any/all updates and, as it is a discussion forum, put your own point of view - hopefully politely and constructively!

Please take a look and register to receive notifications. We look forward to chatting to you there.

As ever, if you would like to know more or get involved in any aspect, get in touch. We will be at North Cave's Jubilee Day, so please pop in to talk to us.

The children are busy making bunting to decorate preschool for the Queen's Jubilee and we are looking forward to having a tea party. Look out for our scarecrow outside the Village Hall and feel free to stop by for refreshments!

Our topic for this half-term has been 'People who help us' such as police, paramedics, doctors and firefighters. Next half-term we will be discovering 'The great outdoors' by learning about summer safety, mini beasts, gardening and under the sea. The older children will also begin their transition to school.

We are registering new children to start in September, so please get in touch if you would like to book a place, or drop by to meet our staff and view our setting. We are open from 8.00am - 5.00pm (term-time only) and accept children from 20 months old.

### Easter Fun!

It is great to be back with the children this half term following a busy and exciting spring term. The final week of the spring term was particularly busy with an Easter disco, Easter bonnet parade and decorated Easter egg competition. In addition, we were delighted to visit All Saints Church for our Easter service. We always look forward to visiting the church and it was special to be able to welcome family and friends to share in our service once again.

### Thank you!

Thank you to everyone who generously supported our 'bunny run' in aid of Dove House. We raised over £800 for this valuable cause!

### Residential Visits

As we move into the summer term, our thoughts turn to the residential visits that we are proud to offer to every year group within our school. Though these were paused during the pandemic, we are excited to be able to offer this opportunity to our children once again and to provide them with memories that will last a lifetime!

### Queen's Platinum Jubilee

We are very much looking forward to the celebrations for the Queen's Platinum Jubilee in June. Within school, we will be celebrating this with a whole school tea party.

### New Library

In June, we are looking forward to launching our new library. This will now be based in 'The Cave' and promises to provide both an indoor and outdoor space for the children to enjoy reading. We are grateful to the Friends of the School for generously supporting this project.

# Hotham 1944

The second world war was at its height and still had over a year to run before peace would be declared. Holme-on-Spalding Moor airfield was home to the Halifax bombers of 76 Squadron and were doing their bit to defend our country. Taking off from a flat airfield and getting up and over the Wolds would be testing for any pilot with a heavy bomb load and so it was when on the evening of January 21st at 20.05 hrs a Mk.V Halifax LK630 took off heading for Magdeburg near Berlin; 20 minutes into the flight the aircraft iced up, forcing the plane to lose height and eventually crash in fields close to the village on the northern edge of Hotham. Six of the crew baled out but the young British 21 year old pilot died at the controls. This was the first of two Halifax bombers to crash at Hotham.

On the 23rd June a Mk.3 Halifax LW620 was on its return flight from a night raid on railway yards at Laon in occupied France when the inner port engine overheated and was shut down by the Flight Engineer who also feathered the propeller to allow cold air to pass through. It is believed the damage was caused by friendly fire, resulting in the steady loss of oil. As they neared their base at HOSM attempts were made to restart the engine but

it seized up, causing the propeller and gearbox to shear off, penetrate the cockpit and killing the pilot instantly. At 03.20 it crashed into farm buildings on the eastern side of the village killing all seven Canadian crew. The pilot was a 25 year old from Moosejaw, Saskatchewan and the youngest crew member was only 20 years old.

The ARP Warden for Hotham was William (Bill) Neale who despite living at the bottom of the village was one of the first people to arrive at the crash site to attempt the rescue of any survivors, all crew were pulled from the wreckage but one sadly died in Bills arms. All the air crews at HOSM were made up of British and Canadian, all young men in the prime of their lives and all willing to pay the price of war. There are never any winners in war, even the victors are left with heartache and sad memories. As the residents of our villages change, the history they hold should be known by all and I think it would be a fitting gesture if a way could be found to commemorate these two brave air crews, in some shape or form.

# Countryside Concerns

It's been 6 weeks or so since we had any decent amount of rain but despite the cold, dry spring the blossom has been quite spectacular. Having said that, anyone thinking of giving a bouquet of blossoms to a friend has to get things in the right order or they may end up in the bin and the flowers too! Blackthorn or Sloe is usually the first to make its appearance but comes with a warning; Obstacles - "Problems lie ahead" but the Magnolia is for Courage; "Be not disheartened, better days are due", Hawthorn chips in with Hope; despite your answer, I shall strive for your love" and a sprinkling of Almond blossom signifies Hope; "I am beginning to enjoy your friendship" to which Apple blossom replies "You are no less good than you are fair", a sprinkling of Oak leaves says "Love will find a way" and Cherry blossom smiles and says "May our friendship wax firm and strong", Purple Lilac for Spring Love gently takes your hand and says "You are my first love and with a sprig of White Lilac of Innocence ends with "You are an emblem of purity and beauty" - and so the spring romance begins - but maybe summer flowers could upset the apple cart, who knows?

It's mid-April and with warm spring sunshine but cold winds, I wait for the arrival of the first Swallow and sure enough I get a text from Newport saying

"We have just one Swallow on our telephone wire". Sadly the cold easterly wind sent it back down south but with warmer weather it will soon be back and low and behold on April 29th I saw two in Hotham. I just hope they can find enough insects in this cool weather.

A disturbing report in the paper said that the Asian Hornet has been making an appearance around East Anglia, probably blown over from France with the east winds and has already put bee-keepers on "Red Alert" as just one of these predators can catch and consume 50 of our honey bees in one day.

Our Hedgehog has put in an appearance at last and left us a few calling cards to say "hello". Sadly I have already seen two corpses on the roads - one in North Cave and one coming into Newport. With these creatures only making an appearance at night, it makes me wonder why drivers can't apply their brakes more frequently, it isn't as though there's heavy traffic about, after all they are an endangered species and we should value their survival more.

# NEWS FROM MIRES BECK NURSERY

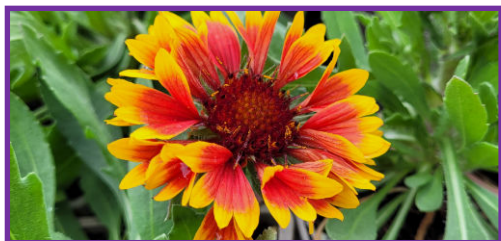

Our nursery plants and gardens are now starting to bloom into beautiful flowers and gorgeous colours. We are open 7 days a week for you to come and select wonderful quality perennials, wildflowers and herbs for the summer garden! Please follow us on our Facebook and Instagram pages for weekly offers and promotions on our wonderful plants.

Our cafe has now opened for Summer (Mondays to Fridays 10am–3:30pm), where you can get great cakes, savouries, and refreshments. You can also reserve our cafe for a business meeting, party, or other event by going on our website.

We really need volunteers to help us out with our cafe being Front of House where you will be meeting and greeting customers to their tables. If you do not want to volunteer in our cafe, but you would still like to volunteer for us, we need help with our gardens, and our recreation areas. If you are interested in volunteering, please email

[anna@miresbeck.co.uk](mailto:anna@miresbeck.co.uk)

To celebrate the Jubilee this year, we are holding our annual family fun Jubilee in June event 11<sup>th</sup> & 12<sup>th</sup>, where there will be: food stalls, kids activities, live music, Mires Beck Cafe, our open gardens, and plant discounts.

Week commencing Monday 20th June is Refugee Week, which is a very important week to us because of our Garden of Sanctuary. This garden was originated to welcome refugees, asylum seekers and resettled communities to Mires Beck Nursery

by creating a City of Sanctuary Garden on our site. We are working in partnership with the 'Open Doors' charity Hull and on Monday 20th June (11-3pm), refugees from Open Doors will be coming to our nursery to be in the kitchen sharing their recipes, and serving it at our cafe. They will also be performing their cultured music.

Castaway, the amazing disability charity choir from Goole, will be performing a concert for Ukraine at our nursery on Friday 8th July, when ticket sales profit will be shared with both charities and the Disasters Emergencies Committee. Our theme is the Sunflower of Ukraine. Come and support their cause for £15 a ticket!

The National Open Garden Scheme comes to Mires Beck on July 13<sup>th</sup> when you will all see just how incredible our plant nursery is! We will have all of our colourful gardens blooming for you!

Gardening tips for June:

- Make sure your plants get lots of water as the weather is warming up;
- Cut weeds regularly;
- Mow lawns once a week, leaving uncut patches for wildlife;
- Plant summer bedding (we have lots of summer plants at our nursery ready to bloom in your garden/ growing space!);
- Put a support in tall or floppy plants.
