October - November 2022

Queen Elizabeth II Commemoration

The picture on the left shows the commemoration display and condolences book for Queen Elizabeth II at All Saints church.

From Sue Atkinson:

Two willows were planted in October: one notes the death of Queen Elizabeth and the other notes the ascension of Prince Charles to King Charles III.

They are both planted in the paddock that runs parallel with the footpath alongside Paper Mill House.

We look forward to seeing them grow and create a little bit of history for the village in years to come.

The one nearest the blue shed is King Charles and the one in the paddock with a little bit more room around it is Queen Elizabeth.

Every day the planet burns a little more

We only have a short while
So quick, let me tell you
We're too far gone to turn this around
I can't believe
We have it in us to put this world right
It is all too late, too late
How can you say
But do not give up hope
Every day the planet burns a little more
And hot air rises
While governments pump out empty promises
We are powerless
Don't be so foolish to imagine that
Together we have a voice
Big enough to change the world
The decisions we make each day are
Unimportant
The food we eat, the things we buy, how we get around
How naive to think
The destruction of centuries could be undone
In a few decades
If we could just find reverse
(now read this poem from bottom to top)

Brian Bilston

MESSAGE FROM THE EDITORS:

Welcome to this edition of the Village Link where we acknowledge the sad passing of our Queen Elizabeth II, which seems to have come so soon on the heels of our previous editions when our community celebrated her wonderful achievement of 70 Years as our Queen. She set an unmatched standard of public service that is a shining example for us all. We look forward to the eventual coronation of King Charles III and the community's celebrations - see the call from the Parish Council for ideas of how we mark that event.

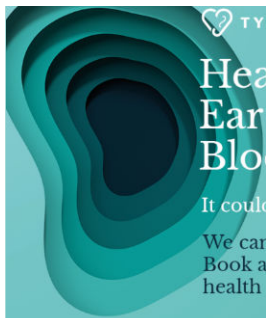

The Editors would like to offer apologies

for the delayed arrival of the Village Link for this edition. Despite the excellent support of Parish Cllr Richard Ellis, we have been struggling to meet all our day-job deadlines, which has had an impact on the finalisation of this edition. We hope to return to normal for the next edition.

Meanwhile, we have a Pumpkin Trail, organised by the WI, and the annual Bonfire and Fireworks Event, organised by the Sports and Social Club, to look forward to. We hope these event will be well supported as in previous years.

Best wishes

Elizabeth and Bill

TYMPAHEALTH

NEW
Ear & Hearing Health check-ups
& Ear wax removal using
Microsuction

Call Alla on: 07878786952
1 Orchard View, Church Street North Cave

Here for all your Ear and Hearing Health

If you are having problems with your ear or hearing health then you may have discovered that your doctor no longer readily offers treatment such as irrigation/syringing, and you will be faced with a very long wait for ear wax removal on the NHS.

Blocked ears can be extremely unpleasant and in some cases leave you feeling quite isolated.

The advanced procedure for ear wax removal is by Microsuction. So, What is microsuction? It is a more effective treatment than ear syringing. The microsuction practitioner will gently examine your ear canal using a special microscope. Then a Tiny Vacuum device is used to clear the blockage. The whole procedure is quick, gentle and effective.

The good news is that there is a fully qualified microsuction practitioner right here in North Cave, at A Beauty Lounge based in Curlaway on Church Street, so you won't have the added problem of getting to the nearest city or town to access treatment.

This treatment can help your ear and hearing concerns. For more information or book an appointment call Alla - Mobile Number: 07878786952

Chalk streams

One of the great things about working on WWSTF is that there is so much to learn; and working with experts from various agencies and organisations, there are many people to learn from.

I have often said that WWSTF is all about the chalk streams in our little catchment, which runs from Newbald, through Hotham, North Cave, South Cave and Ellerker.

But on a tour of the catchment with a couple of colleagues from the Environment Agency a few weeks ago, I learned that it is not quite so simple. The streams that emerge as springs from the chalk are obviously chalk streams - examples include Ings Beck in Newbald (which becomes Hotham and then North Cave Beck), Drewton Beck which runs into North Cave, South Cave Beck and Ellerker Beck. But not all becks and watercourses in our area arise from chalk springs.

When we went to look at Ferry Beck, at the back of West End, South Cave, it was completely dry, unlike all the other becks we had seen during the day, which had been running strongly, despite the prolonged drought. I was surprised, but my EA colleague pointed out that it is not a chalk stream: it drains the land from around South Cave golf course and south of Everthorpe and, although it has caused flooding in the past, equally it can dry out when there is no rain.

The same is true of Littlemoor Drain. When we took North Cave School pupils to see it in the spring, across the road from their school gates, they were excited to see the water skaters on its surface. Two weeks ago it was dry.

Similarly, the chalk stream that runs down Little Wold Lane, to join South Cave beck, is 'winterbourne' - which means that although it can run steadily and well during the winter, it does dry out in the summer, if the water table drops below the base of the stream.

So, although all of these short-lived becks and

drains have a value for wildlife, as well as their drainage function, it is limited by the fact that no species which need water all year round are going to survive in them.

Which brings us back to chalk streams. Because they are fed by water from the chalk aquifer, they are very much more constant than 'ordinary' streams. They start off clear and clean, because they are filtered by the chalk. Their rate of flow, mineral content and temperature of the water is much steadier throughout the year than that of other watercourses. These properties make them rich in insect, fish and plant life, provided they are not polluted and they do not suffer too much from water abstraction or land drainage.

No wonder then, that they are regarded as the UK's "unique contribution to global ecology".

Our East Yorkshire chalk streams are some of the best in the UK. The becks that run so constantly through our villages are vitally important habitats. Whilst we try to plan and protect ourselves from the worst effects of flooding, we should also be very aware of their beauty, importance and fragility, and realise how lucky we are to have a 'unique contribution to global ecology' running right through our villages.

The other great experts on the becks are, of course, those people who live and work around them. You know about their wildlife, when they are healthy and when they are not, how they flow, and when they are a problem. We would love you to share what you have seen and what you know, so do get in touch - contacts above.

Chalk spring flowing into Ings Beck, Newbald

North Cave Preschool

Open: 8.00am - 5.00pm
Term-time only
From 20 months of age

www.northcave-preschool.co.uk
northcavepreschool@hotmail.co.uk
07968 239303

We're really pleased to welcome our new starters at Preschool!

Throughout the autumn term we have plenty of activities planned around harvest, the weather and road safety!

Keep a look out for our Christmas hamper raffle, which will be held towards the end of the year - tickets are £1 each. Please do get in touch if you would like to donate a prize; we really appreciate the support we get from the local community.

We're taking bookings for all age groups starting in January, so please get in touch to book a place for your child. We are open 8am - 5pm (term time only) and we take children from 20 months.

Originality Bespoke Tailoring

The story of Originality Bespoke Tailoring starts 3,000 miles away.

Saeed Rajab was born and raised in Syria, where he studied the art of tailoring under a master craftsman.

Through hard work, an enterprising spirit and many thousand reels of thread, the first Originality was born – Saeed opened a garment factory in 2001. Despite having a directorial role, he never lost sight of the importance of handcrafted quality, making time to ensure each item was subject to rigorous quality testing before being passed to the customer.

Whilst managing a thriving business, Saeed also married his wife Basima and had begun raising a family of three beautiful children: Khaled, Rama and Taym. Things were going very well.

Then, in 2011, disaster struck. Civil unrest began in the region and quickly escalated, making living conditions unsafe across the country. Eventually the family made the difficult decision to leave, and arrived in the UK in 2017.

Since then, the family has worked hard to build a

new life in a strange place. The children are thriving in school, and happily another son, Moutasam, has joined the family. Saeed and Basima have learnt English and Saeed has worked as a tailor with Cock of the Walk, a prestigious Hull based company with a presence on London's Savile Row.

But now the family are settled, the time has come for Saeed to return to his own enterprising journey, and for Originality to be reborn. Now in a studio in the village of Brough, on the edge of the picturesque Yorkshire Wolds, Saeed will again produce by hand the finest quality bespoke Islamic design and tailoring. In addition, Originality will offer services to local customers, offering design, tailoring and alterations to a wider market.

Originality: handcrafted Islamic and Western wear, as unique as you are.

All members of our school express our deepest sympathies for the passing of Her Majesty Queen Elizabeth II. Her dedication to the UK, other realms and territories is unparalleled and she was an inspiration and example to so many; we thank her for her service.

Back to School

It is lovely to welcome our new families to our school and see our new starters settle so well in to school life.

Some of our EYFS children have shared their thoughts of school...

- ◊ I like playing in the sand.
- ◊ I've painted animals. It was fun and they had lots of colour on them.
- ◊ I like riding on the scooters.
- ◊ I went on a bear hunt in the after school club.
- ◊ I like being a policeman and directing the traffic!
- ◊ I play games in the house outside and make some tea for my friends.
- ◊ I've played in the water and the sand.
- ◊ I've been singing and colouring. Miss McDonald thinks I'm an artist!
- ◊ I like playing on the orange balance bike.
- ◊ I like pushing the blue pram.

Reading for Pleasure

We were so excited with the launch of our new library. Each of our classes visit the library each week, spending time enjoying the wonderful selection of books we have to share. Our children will shortly be invited to a class lunchtime book club to help develop their reading for pleasure and interest in books.

North Cave Bell Ringing Summer Review

On the first of June we officially launched the East Riding School of Bell Ringing, this new venture now runs the already well-established East Riding Ringing Centre and ART Training Hub at North Cave but we now have the newly formed Bubwith Ringing Centre within the school. The bells and Bubwith have been totally refurbished this year with a new bell being added to making them into a ringing of six in what is very much a brand-new installation. At the North Cave Centre we have found that most of our full day workshops were being over subscribed so we were actually having to turn some people away, which is not what we are all about, so the new Centre provides with extra training capacity along with a larger capture area. Both Centres are equally equipped with classrooms, computerised ringing simulators, projectors, kitchens, and toilet facilities. It was very pleasing to have Simon Linford the President of the Central Council of Church Bell Ringers (CCCBR) mention our efforts within one of his Blogs, Simon's Blogs get posted to every corner of the world, so this provided us a nice bit of free exposure.

For the Platinum Jubilee we rang a quarter peal for HM Queen Elizabeth II prior to the morning Songs of Praise service at All Saints, following the service we rang again prior to the start of the village Jubilee celebrations.

Also in early June, Jill Marwood held a bingo night in aid of the North Cave Bell Ringers at the Village Hall, a few of the ringers attended the event and had a very enjoyable evening. It must be said that Jill and her team run a very slick and well organised fund-raising evening and we were overwhelmed to be presented with £750 a few days later. Jill and team, along with everyone who attended, thank you all very much.

We shall be competing in the Yorkshire Association annual Striking Competition very soon up in Cleveland, this is when ringing bands from other churches throughout Yorkshire all gather and ring about a ten-minute test piece. Each test piece is then independently judged outside as it is being rung, the judges have no idea the order of the bands. The judges then announce who in their opinion rang with the least number of faults. Wish us luck as we could be up against the likes of York Minster, Ripon Cathedral and Leeds minster etc...

Our Tuesday practice nights continue to be very well attended, averaging at least 15 ringers within the chamber each week. The progress being made by all has been very pleasing indeed, along with the high standard of ringing that is consistently being achieved by our Sunday Service and wedding bands.

There is a Beverley & District Quarter Peal award that is presented annually to the church that rings

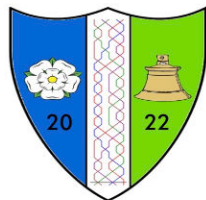

the highest number of quarter peals (QP's) within a year, and award that Escrick has claimed for the past eleven years, we now find ourselves in a bit of a head-to-head with Escrick, with the totals, as I write standing at, North Cave 26, Escrick 25!!

At last, we are back ringing on a best set of bell ropes, we have been ringing on our spare set for a while as we had to send our number one set down to Mendip Ropes in Somerset for refurbishment. This set is not very old but with the amount of ringing and training we do at All Saints they do not have the same life span as other towers. Our aim is to invest in a complete new set of ropes thus providing us with a very good number set as well as our original spare ones.

To mark the passing of HM Queen Elizabeth II, on Friday 9th September at noon, we rang half muffled, this was a national ringing event which formed part of Operation London Bridge and over the weekend of 10/11th September we then rang with the bells full open to mark the Proclamation of the Accession of King Charles III at St James Palace. On Thursday 15th September we rang a half-muffled quarter in memory of HM Queen Elizabeth II

Looking forwards, in November the North Cave ringers will be making their second ringing trip overseas when we visit the Anglican church of St George at Vernet-les-Bains located up in the Pyrenees. These are a new ring of ten bells and the only ring of bells in France that can be rung in the style of English full circle change ringing. While over there, our programme is to have some general ringing, a Quarter Peal and then join the local band at their practice along with a service ringing on the Sunday. We are so blessed to have healthy numbers at North Cave, in fact, the timings have worked out so that North Cave ringers will be ringing at the same time for two different Sunday Services in two different countries.

To finish I would like to thank the following, the Revd Barry Worsdale and the Church Wardens for their continued support, for the very kind comments we received on the Community Facebook page, the support from our friends in the White Hart, Mike Morton for looking after our Stays and the Village Link.

The crest for our new school: the zigzag lines in the middle are called a method and these are what we need to learn to ring.

This particular one is called Hardwick Double - composed especially for Geoff Hardwick our Ringing Master and Tower Captain for 55 years, so we thought was very appropriate to have on our new crest.

North Cave Parish Council News

Greetings from North Cave Parish Council. We have been deeply saddened by the death of HM Queen Elizabeth II and send our sincere condolences to her family. It is especially unfortunate after we have celebrated her Platinum Jubilee earlier this year.

We expect the new King, Charles III, will be crowned in several months time - although no official date for this event has been provided yet. However, if you have any ideas as to how we can celebrate or commemorate this occasion, please send them to the Parish Council Clerk.

Road Repairs

EYRC have recently finished patching Station Road and Sands Lane. The current plan is to resurface Station Road in 2025.

Additionally, National Highways are planning to resurface and upgrade the drainage on the A63 between North and South Cave towards the end of 2022 and the beginning of 2023. Please see the [National Highways website](#) for further information.

Traffic Calming

EYRC have proposed traffic calming measures for Blanshards Lane and lower Church Street. They had planned to hold a meeting in the Village Hall to discuss their plans and answer any concerns residents might have had. Unfortunately, they didn't inform residents and consequently they have rescheduled the meeting. We have not yet been informed when this new meeting will now take place.

Flower Baskets

The flower baskets have been great this year and we've been really pleased with them. We hope you have been as well. They will be

Flood Warden

Our new Flood Warden is Mr Stephen Thackeray. A big thank you to Steve for taking on this role.

He lives at 1 Blanchards Lane and can be contacted on

07967 165337

taken down for this year by the contractor during the second week of October.

Contact

If you have any comments to bring to our notice, please contact our Parish Council Clerk:

MRS WARD

– NORTH CAVE PARISH COUNCIL

Clerk & Proper Officer of the Council (RFO)

Tel: 01430 423668

Email: clerknorthcavepc@hotmail.co.uk

Hours: Tues / Wed 09:00-14:30 & Thurs 09:00-14:00 (Out of hours please email/leave a voicemail)

Please note the Clerk does try to maintain the hours stated above although her hours are flexible. If she's not available during the hours stated, she does have an answer machine service, and will contact you at her earliest convenience.

Our next meeting is planned for 18th October at 7pm in the Village Hall - we generally plan to meet on the third Tuesday of the month.

The minutes and agendas of each meeting will continue to be displayed in the notice board on the land adjacent to the Methodist Chapel on Westgate and also on the website:

www.northcave-pc.gov.uk

Please note that the minutes of a meeting must be approved by the Parish Council before they are published so there will be some delay before they are made public.

The Parish Council has taken over the upkeep and maintenance of the **Defibrillator**, which is sited on the front of the **Village Hall**.

If you are unfortunate enough to need to use the machine: **ring 999** and wait for instructions. Keep doing CPR whilst you wait for the defib or the ambulance to arrive.

After use, please inform the clerk on 01430 423668, so that the pads can be replaced.

The WI didn't meet during August because so many of our members are busy doing other things during the summer. On 1st September we restarted our meetings by inviting Lynne from Coffee, Cake, Create (<https://www.coffeecakecreatepottery.com>) in Market Weighton to do some pottery painting with us. Members and visitors alike had a lovely evening and the pots turned out really well. In fact, we had such a good time we have booked to have another go at the end of 2023.

The wonderful ladies who run the Monday cafe kept it open for most of the summer and it will be open every Monday from now until it closes for Christmas on December 12th. Please do pop in for a drink and a chat and some delicious sandwiches and cakes. The cafe is held in the Village Hall every Monday from 11:30 - 2:00 and you are all more than welcome.

We have already received our first entry for the Halloween trail, which is fantastic! Halloween in North Cave is always lots of fun and we'd like to thank everyone who decorates their homes so well for us all to enjoy. The WI will produce a map showing all of the houses that will be decorated on 31st October. If you would like to be included on the trail map, please fill in the form in The Village Link and return it to Louise at 34 Church Street. Alternatively, please email your details to northcavewi@eastyorkshirewi.org.uk.

By the time you receive this magazine we will have held our first 'Sew For Christmas' Craft night. These evenings are open to everyone (you don't have to be a member of the WI) and you don't have to attend them all. There will be a something new each time. The next one will be on Tuesday 25th October at 6:30 and then there will be another one on Tuesday 22nd November. Both will be held in the Village Hall. If you fancy having a go at creating something for Christmas, materials, tuition and a cup of tea will be provided for £5.00.

WI Sew for Christmas workshop
North Cave village Hall

North Cave in Bloom

As the seasons change, so our nation has changed due to the very sad death of our dear Queen Elizabeth II, to whom we owe so much for serving us for 70 years. We welcome our new King Charles III, and wish him and his family the very best for the future.

North Cave in Bloom members will be removing the summer bedding and planting many spring flowering bulbs including crocus, tulips, miniature and standard daffodils and white anemone. We will also add wallflowers as these seem quite hardy and long lasting.

Our new wooden planter, kindly constructed by one of our members, John North, and sponsored by Adams and Green Ltd, formerly Brocklesby's, is now in place in Nordham near to the entrance to the park. John and Jackie have also been very busy clearing, raking and sowing grass seed at the sides of the War Memorial steps and behind the wooden seats, hopefully this will soon green over so improving the look of the area.

Since our last article, we have had further donations from local residents along with seedlings, young plants and seeds for which we are very grateful. We will be spending some of the funds donated by local businesses and residents earlier this year on a lightweight strimmer as soon as a suitable one is in stock.

We have replaced some of the homemade signs along the grass verges in Nordham with smaller, manufactured, white ones so hopefully these will last longer and continue to keep people from

parking their vehicles there. We still need more signs so have asked North Cave Parish Council to fund these, we will know the outcome of our request following the next PC meeting

We have had such a brilliant summer, but due to the heatwave and lack of rain, it has been hard work watering and maintaining the flower beds and we are very grateful to our local residents who take care of them for us. We need to have a rethink as to suitable plants for the stone planter on Station Road as it gets full sun and so dries out very quickly. We do need someone else to water the wooden planter on Eastfield, near the bus shelter, so please get in touch if you are able to help in any way. If you have any comments, ideas, advise or would like to join our group to help us with planning or planting please ring Steve 01430 422709

Humberside Police

Non emergencies use 101

Your neighbourhood Policing Team are available to offer advice on crime prevention and to listen and gather information on problems that you may be having in your area. If residents are unable to ring we are also able to visit your home for help and advice.

Please note that the Police can now issue dog-fouling tickets.

Many Thanks, Howden Policing Team

Countryside Concerns

This year our countryside has had many challenges to face, starting with a dry winter, spring and summer it was little wonder that our trees experienced a 'false autumn' and started to shed their leaves in order to conserve water. When the September rain did arrive there was a noticeable change in their appearance as leaves looked glossier and berries plumped up. But despite all the dry weather not everything suffered and many fruits bore abundant crops with brambles, sloes, plums and damsons keeping many ladies busy making jams, jellies and gins in every flavour imaginable and all to be readily sampled around the end of the year.

In early summer our garden birds seemed hungrier than ever and even their fledglings put aside the fear of humans in order to take advantage of the extra food. I even saw a young blackbird begging a starling to feed it and surprise, surprise the starling obliged! Sadly the two hedgehogs that visited last year haven't put in an appearance as yet, but a friend in Newport still has two that call every night around dusk to clean out the cat dishes and Hoover up the cat biscuits. Another friend in Walkington has two and sometimes three that come round every night for the cat biscuits sprinkled on the lawn. It's good to know that more and more people are doing their best to save our entertaining hogs.

It would be nice to report some good news about our Swifts but this year they have suffered badly through householders replacing their wooden fascia boards with plastic boards which has stopped the swifts getting into their nest site, which they return to year on year. The problem is that they are unable to grip onto the plastic because it is too smooth. They are so desperate to get under the eaves and try repeatedly until they end up falling to the ground exhausted and bleeding and if they aren't rescued they eventually die as they are unable to take off from the ground due to their tiny legs. (They would have no trouble at all if some twit hadn't invented plastic! the bane of every living thing on our planet). Thank goodness for all our Wildlife Rescue Centres who have reported their greatest number of baby chicks of all three members of swifts, swallows and martins, easily out-numbering all other fledglings they receive but, being the dedicated people they are, they managed to get the majority of them through to their eventual release in time to join the adults on their long journey home.

With September comes fresher weather and much longed for rain, we can breathe easier and reflect on how we can prepare ourselves, should this year's events become the norm.

Oh how I long for my childhood years when you could rely on the seasons of spring being warm, summer warm to hot, autumn cool and winter cold - with SNOW and everything followed a pattern. Happy Days!

Cheerio

Wendy

Sept 2022

Starling using a nest box under the eaves - it is possible to give nature a home even with plastic fascia boards.

NEWS FROM MIRES BECK NURSERY

We're now into the season where summer plants are coming to an end, but there are still beautiful colours everywhere! As we sell perennial plants, they can be trimmed and overwintered safely in the ground and will flower next year, so come and buy your plants and get them in the ground now! Follow us on our social media platforms for promotions and discounts.

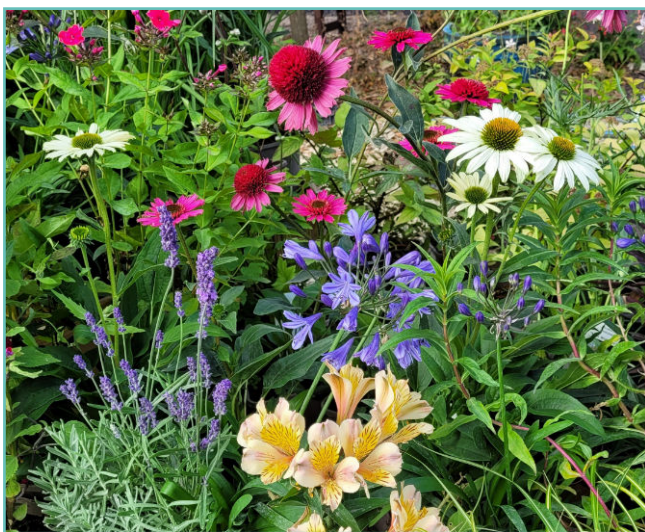

Our bulbs are here and are available in our retail hut! We would be happy to design planters for customers, plant them up, and provide a 'fill' charge for bulbs, or perennials for customers bringing their pots to the nursery, which can be collected after 7 days. During October we will be open every day except Saturday, 10am-4pm and will be launching our plant buying rewards scheme - details to be released at the retail hut and on Facebook.. After October we will be closed on weekends until the beginning of March.

At our Mires Beck Cafe, we served light snacks (savoury and sweet), which were all made onsite. All fruit and vegetables that were used were from our Mr Tinklin's Vegetable Garden, grown by Suzanne and some of our service users. The herbs that we used were grown by Sandra and her service users in the Herb Team. We would like to say a massive thank you to the Friends of Mires Beck for supporting and funding us with our Mires Beck Cafe! We have really appreciated it, and it has so far been a great success!

We are planning a Christmas event on 10th December from 10:30 till 3. We are asking for any volunteers who would like to help us with serving cakes and refreshments for events including this year's Christmas Open Day, to email Wesley@miresbeck.co.uk. Please keep following our Facebook page (@miresbecknursery) and keep looking at our What's On and Get Involved pages on our website (www.miresbeck.co.uk).

Gardening jobs for October:

- Cut back perennials that have died down – their flowers will come back next year!
- Prune roses that are climbing
- Mow your lawn and trim hedges
- Established rhubarb crowns need to be divided to create new plants
- Move tender plants into a conservatory or greenhouse – it's getting colder!

Directory Of Organisations And Events

CATHOLIC CHURCH: Our Lady of Perpetual Help, Sancton Road, Market Weighton. Mass Saturday 5.30 pm & Sunday 10.30 am. Holy Day Mass 7.00 pm. Weekdays Mass as announced. Fr. David Standen tel. 01430 873202 or email stmarystjohn@rcdmidd.org.uk website: www.stmarystjohn.org.uk
