Update - Winter-Spring 2023

The following is a summary of an email update recently sent to contacts and partners of WWSTF. If you would like any more details, get in touch.

Site proposals and Design Workshops

There are a number of sites around the catchment where the landowners/trustees are willing to discuss Natural Flood Management (NFM). The first step will be to bring together a range of our expert partners with the landowners/farmers in design workshops. These will involve site meetings, followed by indoor workshops where all parties can contribute to reviewing design options and approaches. These will take into account flood mitigation, biodiversity, planting opportunities and longer-term management at the following sites:

- Pratt Wood at Newbald (with Trustees, including Newbald Parish Councillors)
- Drewton Farm (west of the A1034) and Mill Farm Everthorpe which, together, make up a notable length of Drewton Beck.
- Land above Mill House, Ellerker.

In addition to the above, we understand that ERYC has been successful in its bid to include NFM in flood mitigation works along Littlemoor Drain in North Cave, and we look forward to working with them through WWSTF to help develop the design in 2023.

We also met with ERYC Officers in December to look at the Ferry Beck catchment above West End, South Cave, and hope to develop proposals with them during 2023, together with a number of other sites around the catchment.

NFM Design and Management

WWSTF has been working with ERYC and other groups to develop a strategic approach to NFM - in particular who takes responsibility for design and management. We hosted a meeting in December with ERYC, EA and others, including an officer of Stroud District Council, which receives funding for NFM through the Regional Flood and Coastal Committee (RFCC). This is a model which could fund NFM and other measures in East Yorkshire without placing additional strain upon the local authority budget. There was wide support in the meeting for this approach, including from EA reps who have responsibility on the RFCC. The potential of this approach extends beyond the WWSTF area to the whole of East Yorkshire.

DEFRA Capital Grants for NFM

We started 2023 with helpful news of a greater focus on funding for NFM through DEFRA Rural Payments system. There has been a new NFM category added to the range of capital grants, with a maximum of £20,000 available per landowner to use

on NFM measures such as disrupting tramlines in arable areas and creating leaky woody dams. We will work with the Catchment Sensitive Farming (CSF) Farm Adviser to encourage access to this funding in our area.

School Rain Garden Planters

Between now and end of March we will be working on proposals for, and implementation of, rain garden planters at North Cave and South Cave Primary Schools. These planters intercept and attenuate storm water from the school roofs by diverting the rainwater pipes. They have the capacity to hold a volume of water before they fill up, when the excess water runs into the drain as usual.

Whilst they will not make a big impact on the amount of surface water running off the school roofs, they illustrate the principles of slowing the flow very well - as well as providing attractive, educational features for the pupils to be involved in. They may also be the first small step in reviewing the school estates to see what else can be done to slow the flow.

You can find an example of rain garden planters we were involved in, at a non-school location, here:

<https://www.2bconsultancy.co.uk/2b-blog.php?pid=90>

Data Capture

As reported in the last Village Link, we have an ambitious programme of data capture, looking at rainfall and its effects on our watercourses, including flooding. The first weather station has been installed at North Cave Primary School, and the first two river level/flow cameras have recently been installed at North Cave Beck and Newbald/Ings Beck. We have also made a successful funding bid to the Sober Hill Wind Farm Fund for sensors to be installed at Newbald Beckies and connected to Newbald Primary school.

We aim to develop the sensor network across the catchment and will be pursuing this over the coming years. Particular thanks go to Dr Stuart McLelland and colleagues at University of Hull for their expertise and for obtaining the funding thus far.

Finally

We also aim to develop two Strategic projects this year, 'Surface/Waste Water' and 'Watercourse Management, Biodiversity & Water Quality'. We look forward to working with Yorkshire Water and University of Hull / East Yorkshire Rivers Trust, in particular, on these themes.

We know full well that we don't have all the answers. That being the case, our main role is to keep asking questions until answers emerge - so all questions are welcome!

We look forward to hearing from you...

North Cave Preschool

Open: 8.00am - 5.00pm
Term-time only
From 20 months of age

www.northcave-preschool.co.uk
northcavepreschool@hotmail.co.uk
07968 239303

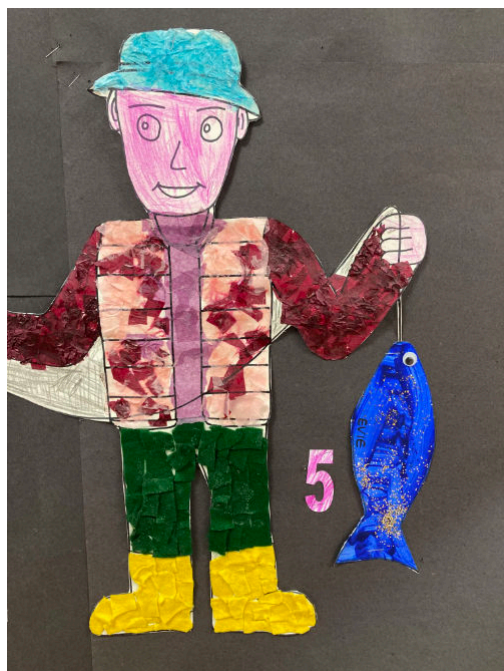

Happy New Year from everyone here at Preschool! Thanks to everyone who took part in the Christmas Raffle in December. Together we raised £650, which will make a huge difference to running our service.

The next fundraiser will be a Quiz Night at the village hall with Rev. Barry as quiz master. The date is still to be confirmed, so please keep a lookout on the local Facebook group for details. Do you have any unwanted Christmas gifts? We will be holding a tombola at the quiz, so any donations of prizes are welcome. Please drop off at Preschool during opening hours.

Our themes for this half term are 'In the Garden' and 'Stories and Rhymes'. We are asking the children for their favourite books and each week

we will pick a book to read everyday. This week we are reading 'We're Going on a Bear Hunt'.

We are open from 8.00am - 5.00pm (term-time only) and accept children from 20 months old. Feel free to drop-in during these times to see our setting and meet the staff, if you are interested in registering your child.

Men's Curry and Quiz night

We meet on the last Friday of each month, in
ZOOM Café, South Cave
at 7.30pm

All men are welcome. Come and enjoy the fellowship and a bit of competition in a quiz. We usually make up teams of 3, 4 or 5 depending on numbers.

Further details, please give me a call:

Rev. Barry Worsdale
01430 470716 or 07443334391

New Year Hopes and Wishes

Our school enjoyed an RE afternoon focusing on the hopes and wishes for 2023. Our children worked in their house groups and thought about hopes and wishes for themselves, friends, the school and the world.

SELF

I hope to get better at swimming.

I would like to improve my writing.

FRIEND

I hope my super, awesome sister joins martial arts.

I want my friend to be my best friend for ever!

SCHOOL

I want to save energy!

I wish for everyone to have a fun time.

WORLD

I hope everyone has food and water in the world.

I wish for the world to stop fighting.

Topic Work

We enjoy teaching topic as part of our broad and exciting curriculum.

This term, our children are embracing their new topics with enthusiasm.

EYFS and KS1 are learning about:

Travel and Transport

KS2 are learning about:

Stone Age to the Iron Age and
Earthquakes

Christmas Trees

All our new starters have planted a Christmas tree at the start of their journey at North Cave C. E. Primary School. The children and new staff have taken the trees home to be nurtured throughout the year. Our EYFS children enjoyed planting as part of our Welly Wednesday fun.

Local Coordination Service

Photo: © Dan Prince/British Red Cross

East Riding of Yorkshire Council is proud to be working with The British Red Cross to provide the Local Coordination Service across the East Riding. This new service aims to support and empower vulnerable and elderly residents who may be isolated, to rebuild their confidence, access their community and improve their wellbeing.

Staff at The British Red Cross are skilled and dedicated in helping people to live independently and confidently in their neighbourhood. They take the time to get to know an individual and to understand the challenges that they may be facing. The coordinator will then work with the individual and establish what they would like to change, their goals and how they can achieve them.

Who can make a referral to the service?

Anyone! Family, friends, neighbours, volunteers or professionals who are concerned about an elderly or vulnerable resident in the East Riding, can make a referral to the service.

What happens when a referral to the service is made?

- The coordinator will ask permission to take some details and add them to their secure British Red Cross data

system so they can contact the individual and record their work with that person.

- Where necessary they will coordinate any additional support from a range of health and social care professionals and community resources to help get the right level of support at the right time.
- The coordinator can help with accessing old and new hobbies, community groups, family and friends that they may have lost contact with due to an episode of ill health or vulnerability through Covid.

Photo: © Holly Butcher/British Red Cross

Who do I contact to make a referral?

YOUR LIFE
your way

North Cave Parish Council News

Greetings from North Cave Parish Council

Unfortunately, due to sickness, we had to cancel our January meeting. Our next meeting is planned for the 23rd February at 7pm in the Village Hall.

The minutes and agendas of each meeting will continue to be displayed in the notice board on the land adjacent to the Methodist Chapel on Westgate and also on the website:

www.northcave-pc.gov.uk

Please note that the minutes of a meeting must be approved by the Parish Council before they are published so there will be some delay before they are made public.

We are due to hold an election this year for members of the Parish Council and are expecting a couple of vacancies. **If you would like to apply to sit on the parish council, please contact the Parish Clerk** (details below). If there are more applicants than vacancies, we will be required to hold an election. Otherwise the applicants will be co-opted without the need for an election. Please note that the role of councillor is a voluntary role.

NOTE: From 4th May 2023, you will be required to show a valid form of photo ID before being allowed to vote in all local elections this year.

King Charles III

The new king will be crowned on May 6th next year. If you have any ideas as to how we can celebrate or commemorate this occasion, please send them to the Parish Council Clerk.

Senior Exercise Equipment

We are planning to install some exercise equipment on some land to be donated by Duchy Homes by the playing fields. If there is any special equipment that you would like us to provide, please let us know. This is dependent on the land transfer proceeding as planned.

Salt spreading

For your information, to comply with ERYC's recommendations, NCPC does not provide salt spreading services due to issues with human resources and the dangers involved. This aligns with other Town & Parish Councils.

Christmas Decorations

This year we have had many nice comments about the Christmas Tree and the lights, it was the best tree we have had for some years. So we should say a big thank you to all the Councillors who put it up and decorated it and a special thank you to Mike Morton who kindly helped to take it down and offered to take it to the tip for us in his trailer.

Tree planting

The Parish Council has received a grant for tree planting from ERYC which the PC hope to plant on the verges on Newport Road, subject to residents approval. It was felt that this would enhance the entrance to the village and could be possible a "remembrance avenue" for our late queen and a celebration for our new king. A sort of joint memorial.

Contact

If you have any comments to bring to our notice, please contact our Parish Council Clerk:

MRS WARD – NORTH CAVE PARISH COUNCIL

Clerk & Proper Officer of the Council (RFO)

Tel: 01430 423668

Email: clerknorthcavepc@hotmail.co.uk

Hours: Tues / Wed 09:00-15:30 & Thurs 09:00-15:00 (Out of hours please email/leave a voicemail)

Please note the Clerk does try to maintain the hours stated above although her hours are flexible. If she's not available during the hours stated, she does have an answer machine service, and will contact you at her earliest convenience.

The Parish Council has taken over the upkeep and maintenance of the **Defibrillator**, which is sited on the front of the **Village Hall**.

If you are unfortunate enough to need to use the machine: **ring 999** and wait for instructions. Keep doing CPR whilst you wait for the defib or the ambulance to arrive.

After use, please inform the clerk on 01430 423668, so that the pads can be replaced.

North Cave Bell Ringing

On the stroke of midnight on the 31st December we tolled our tenor bell, on its 12th toll it was then joined by the remaining bells for ten minutes of ringing to welcome in the new year.

What a busy and exciting year 2022 had been for the North Cave Bell ringers. Our primary role is obviously to support the church and its activities, so apart from our regular service ringing the bells were also rung for Weddings, Remembrance, Memorial services, Easter, Harvest, Church open garden weekend and prior to the Live Nativity event.

It was nice to receive a request from outside of the church for the bells to be rung as the "backing track" for Santa's visit and tour around the village.

Following the Harvest Auction within the White Hart back in September we were surprised and honoured to receive £270 from this event towards our bell repair fund, this fund is used to provide general maintenance for the bells and this money I think has been ring fenced for painting of the bell frame during the summer months. Our thanks go to Sharron and Sam at the White Hart along with everyone one who attended the Harvest Auction, it was a great night.

Between Christmas and New Year we always hold a mini ringing tour, we always try and keep this fairly local due to possible weather conditions, so in December around 25 of us headed out to ring at Holme on Spalding Moor, Bubwith, Barnby Moor, Pocklington and Nunburnholme, surprise, surprise we ended the day in the White Hart where Sharron had prepared us a lovely tea followed by what has become our annual pool knockout tournament.

Our greatest achievement as a band last year was to finally win the Joan Castle Memorial Trophy, this is a trophy presented by the Beverley & District Ringing Society to the band that rings the most quarter peals within the year, a trophy that has been held by Escrick for the previous twelve years. A quarter peal is, as it suggests, a quarter of a full peal, which means we have to ring 1260

changes which on average take around 45 minutes on our bells. The final total for the top two was North Cave with 46 and Escrick with 39. Well done team.

The East Riding School of Bell Ringing which we formed last year as a progression and expansion of the East Riding Ringing Centre has already started its busy schedule of training workshops for the first quarter of 2023. 7th January saw the first workshop to be held at our new Ringing Centre at Bubwith, this was a full day event and I am pleased to report that it was fully booked. The 21st January is the date of our second workshop, this one being held at the East Riding Ringing Centre at North Cave, again this is fully booked, with ringers from the Scarborough and Cleveland & North Yorkshire branches of the Yorkshire Association taking full advantage of our training facilities.

To finish I would like to thank the Revd Barry Worsdale and the Church Wardens for their continued support, the very kind comments we receive on the Community Facebook page and the support from our friends and fellow punters in the White Hart.

Have a terrific 2023 everyone.

*Simon Plows
Ringing Master
All Saints, North Cave*

Still time to sign up to learn to ring for the Coronation!

If you're interested in learning to Ring for the King, find out what it takes to become a bell

ringer by contacting Simon Plows, North Cave Ringing Master at simonplows@gmail.com or 07841 052219. We are looking at starting some new training in January 2023

Message from the Vicarage

A tale to remind us to look out and care for others, and appreciate others are caring for us too.

A ship was wrecked during a storm at sea and only two of the men who were on it were able to swim to a small desert-like island. The two survivors, not knowing what else to do, agreed that they had no other course but to pray to God. However, to find out whose prayer was more powerful, they agreed to divide the territory between them and stay on opposite sides of the island.

The first thing they prayed for was food. The next morning the first man saw a fruit bearing tree on his side of the island and was able to eat, the other man's land remained barren. After a week the first man was lonely and prayed for a wife, the next day another ship was wrecked and the only survivor, a woman, swam to his side of the island. He then prayed for a house, clothes and more food and all were provided: the second man still had nothing. Finally, the first man prayed for a

ship so that he and his wife could leave the island.

In the morning he found a ship docked on his side of the island. As he boarded the ship, he decided to leave the other man, as he was unworthy to receive God's blessing since none of his prayers had been answered.

As the ship was about to leave the first man heard a voice from heaven, "Why are you leaving your companion behind?"

The first man replied, "My blessings are mine alone as I prayed for them, the other man's prayers were unanswered."

"You are mistaken." the voice rebuked him. Not liking the rebuke he said, "Tell me what did he pray that I should owe him anything."

"He prayed that all your prayers would be answered."

Newbald Live Music & Events

Newbald Village Hall is only five minutes up the road from North Cave and we have some exciting plans in store for live entertainment over the coming year.

The newly formed Newbald Live has emerged from from Newbald Acoustic Sessions which has, over the last eight years, staged gigs featuring artists from all parts of the UK as well as Ireland, Canada, USA and Australia at Newbald Village Hall.

Chair of Newbald Live, John Tomlinson, explains the change: "Newbald Village Hall has developed into a great venue for live music and the following we have built up over the years demonstrates the demand for high quality original artists. We have drawn together an amazing team of volunteers who will work to ensure that this offering has a long term future."

With an emphasis on Folk, Americana, Country and Blues genres, but with a

commitment to promote upcoming local talent across all styles, the music programme starts on Friday 10th Feb with an appearance by internationally acclaimed singer-songwriter, Sean Taylor. As John says, "this is Sean's first visit to Newbald but he is well known in the region, having played larger venues. He has a unique acoustic blues/folk style and a great sense of humour - we're really looking forward to it."

Tickets for all Newbald Live events are available through the website

www.newbald.live

which also offers the chance to join the Newbald Live mailing list and save booking fees on all future ticket purchases. Alternatively, call John on 07950 267913.

North Cave Sports and Social Club

The Club and Bar is open as follows:

Saturday from 2pm and Sunday from 8pm for Bingo

New members welcome: £5/year

Bookings and Membership:

J Smith Tel: 01430 423554 / Mb 07840165114.

The Club and Bar have recently been refurbished and can be hired for special events or just pop in for a drink and chat on a Saturday afternoon, or join in the very successful Bingo on a Sunday evening, or support one of the football matches over a weekend - publicised on the North Cave Community Facebook page.

The Sports and Social Club Committee, and the Playing Fields Charitable Trust, do a huge amount of work between them to support and maintain the playing fields, the play area and the club house.

The Committee organise and run a number of events to help raise funds but, with rising costs, more funds are always needed. One simple way to help is to join the Club for the bargain price of £5/year and support the various events throughout the year.

We have arranged the following events for the coming year:

Comedy Nights: Start 7pm

24th March

Humberside Police

Non emergencies use 101

Your neighbourhood Policing Team are available to offer advice on crime prevention and to listen and gather information on problems that you may be having in your area. If residents are unable to ring we are also able to visit your home for help and advice.

Please note that the Police can now issue dog-fouling tickets.

Many Thanks, Howden Policing Team

8th July and 24th November.

Tickets: Contact

John Oxley 07932 738653

Hull City Ladies Reserves
(home games at the playing fields):

5th February

12th February

Kick-off will be at 2.00 p.m.

There is a valiant team of volunteers, the COGs, who help with grass cutting, collecting litter, marking up the pitches for the football matches, cutting the cricket square and the increasingly challenging job of trying to get the grass back into some sort of condition.

The team also help with the maintenance of the Play Area, which is a wonderful asset for all our children and is nearing the time for a face-lift.

More help is always needed, so if you would like to help, get in touch at the above number or call in on a Saturday afternoon. You will be very welcome for as much time as you can spare.

Countryside Concerns

It's so nice to see the afternoons getting a cock-stride lighter each passing day, especially if we manage to get some warm sunshine in between the never-ending showers that we seem to have had forever, but at least we can be grateful that we haven't had the snow blizzards, torrential rain and devastating floods that America is still having. Every day brings us a bit closer to spring and already snowdrops are coming into bloom and the hazel bushes are dripping with catkins and soon we will be looking for the first lambs and green shoots on the hedgerows. With our seasons being so unpredictable, there have been some unusual animals turning up on our shores. Thor the walrus, found around the arctic circle, made a visit to Scarborough and hauled out on the harbour slipway on New Year's Eve to the delight of some residents but to the annoyance of others as they had to cancel the annual firework display, before waving a flipper and heading off for Blyth in Northumberland where he stayed for another day and then headed north towards home.

I wonder if it was the same one that appeared in Wales earlier last year. Maybe he will come back for another visit around Christmas time but who would have thought we would ever see one this far south. Thor wasn't the only animal to reach our shores, I never imagined a baby Loggerhead turtle would be rescued on the shores of Anglesey but one arrived in early January, a tiny thing only 9" long and found in tropical seas, was taken to Anglesey Sea Zoo where it was responding to treatment but wasn't expected to survive. I really hope it does as they are on the endangered list and to survive the trip across the

cold Atlantic was a miracle anyway.

The Woodland Trust bought the 346-acre Victory Wood near Whitstable in Kent in 2004 and over the years they have turned it back to woodland, scrub and grassland. Their efforts have been rewarded by the return of a rare bumble bee - the shrill carder bee, so named for its high-pitched buzz and the site is one of only five sites in the country.

I got a call from friends in Newport in December to say that the Goosanders had arrived back on the canal, also during the cold snap they saw Kingfishers, Herons and various wildfowl seeking food as the local fishing ponds were iced up. We also had extra mouths to feed and the bird feeders were getting filled twice a day to keep up with demand.

On the odd days when the weather allows, a quick visit to the allotment gardens at Hotham allows us to replenish the water butts ready for another super-hot summer and tidy up a bit for the coming season. Having posted off my seed order, I can't wait to get down and dirty! Don't forget to keep collecting the mole-hill soil to mix with your compost, they are very busy at the moment so don't miss the opportunity to get some weed-free soil.

Cheerio,

Wendy. Jan 20232

Editors Note: It would seem that the Tonni the turtle is doing well and Anglesea Sea Zoo is hoping to release into warmer waters by the summer. The name comes from "to", the Welsh word for wave.

NEWS FROM MIRES BECK NURSERY

OUT WITH THE OLD.....

Our Christmas Community Event was well attended, and a big thank you to the Cave Players for their help.

GIFT IDEAS

We have a selection of ready planted bulbs that include rockery tulips, miniature daffodils, crocus, garden tulips and alliums. We also have a range of bug hotels and bird boxes – all hand made at Mires Beck.

.....AND IN WITH THE NEW

There are lots of exciting things happening at Mires Beck this year, including new service users, new members of staff, new wholesale clients and a superb range of new plants.

COMINGS AND GOINGS

Over the past two or three months we have welcomed several new service users, and they're all settling in well.

Following the departure of Support Services Manager Lorraine for pastures new, we're delighted to welcome two new staff members.

Ian joins us as Service Delivery Manager, with responsibility for everything related to our service users, and we welcome Sadie Kruger as our new HR Manager.

Sadly, we said farewell to Charlotte, who has fulfilled various roles at Mires Beck over the last 30 years. She's now a qualified counsellor and therapist, and we wish her well in her new career.

NICE TO BE APPRECIATED.....

Staff and volunteers at Mires Beck have each received a "Thank You For Your Service" commemorative medal from East Riding County Council, for their commitment to Social Care by continuing to support our service users through Covid-19.

... AND TO APPRECIATE!

We greatly appreciate the donations, both large and small, from everyone who responded to our recent appeal. It's been a challenging time for the charity sector, and Mires Beck is no exception.

THANK YOU EVERYONE.

JOBS FOR February

1. Net fruit and vegetable crops to keep the birds off
2. Prune winter-flowering shrubs that have finished flowering
3. Divide bulbs such as snowdrops, and plant those that need planting 'in the green'
4. Prune Wisteria
5. Prune hardy evergreen hedges and renovate overgrown deciduous hedges.

Directory Of Organisations And Events

CATHOLIC CHURCH: Our Lady of Perpetual Help, Sancton Road, Market Weighton. Mass Saturday 5.30 pm & Sunday 10.30 am. Holy Day Mass 7.00 pm. Weekdays Mass as announced. Fr. David Standen tel. 01430 873202 or email stmarystjohn@rcdmidd.org.uk

The White Hart Inn

Sam and Sharon McKnight will welcome you to our warm and friendly village pub. Come and try one of our great choice of local cask ales, as well as our fabulous range of gins, spirits and more! We also have a good selection of beers and ciders on draught.

Enjoy both our lovely log burner and real coal fire to keep you warm whilst also enjoying weekly/ monthly live events.

We have live acoustic music on the last Saturday of every month and our popular weekly Quiz Nights on Thursday where we run an open the box and spin

the wheel with the potential cash prize jackpot! Our league standard pool table also allows you to challenge your friends and family competitively. We look forward to seeing you and thanks for all your continued support of our Pub.

Opening times:

Monday	4pm-9.00pm
Tuesday - Saturday	4pm-11pm
Sunday	4pm-10.30pm

For all Updates, Events and Enquiries please see our Facebook: @thewhitehartinn1

NORTH CAVE INDOOR BOWLING CLUB

Would you like to come and try Indoor Bowls?
