Update - Spring 2023

Part of the Design Workshop looking at Drewton Beck, with representatives from Environment Agency, East Riding of Yorkshire Council, East Yorkshire Rivers Trust, Humber Forest and WWSTF. With thanks, for access to the land along the beck, to Christian Carver, Simon Gibson and ERYC.

During March, we held Design Workshops at:-

- Drewton Farm (west of the A1034) and Mill Farm Everthorpe (see pic above) which, together, make up a notable length of Drewton Beck. Followed by an indoor design session, tea and cake at William's Den :)
- Land above Millfield and at Woodale, Ellerker (with landowners, agencies and parish councillors) with a design session at Ellerker village hall
- The Mires and Pratt Wood at Newbald (with Trustees, Newbald Parish Councillors and agencies) with a design session at Newbald village hall.

These have been great sessions, very enjoyable and informative. Truth be told, it is not common for agencies, landowners and community to come together to work on flooding issues - and it's a revelation to see the ideas that come out of it.

Meanwhile, as you will see on the North Cave School page, we have been working with 'SusDrainable' to develop and install rain garden planters at North Cave and South Cave

Primary Schools. These planters 'slow the flow' of water from the school roofs, by intercepting the rain water down pipes into lined timber planters, which can hold a lot of water in their soil and gravel layers, before they overflow via a control point into the drain.

They are not going to make a huge difference to flooding in themselves, but they will teach the children, hands-on, that it is possible to manage water more sensibly than just getting rid of it, whilst also creating more beautiful and nature-friendly places.

In a small way, that is everything we want to achieve.

Bishop of Hull Visit

At the start of Lent, we were pleased to welcome the Bishop of Hull to our school. Bishop Eleanor took part in collective worship, led by our Worship Squad, before touring the classrooms to meet our children. The morning ended with a 'pancake party', during which the Worship Squad were able to ask the Bishop questions about her role.

Class Worship

In the spring term, we have been delighted to provide all of our children with the opportunity of performing to parents and friends as part of their class collective worship. These are an important part of our curriculum and have been extremely well attended by families and friends. The feedback we have received has been excellent!

Our Environment

This term, the children in Year 5 have enjoyed taking part in the John Muir Award. This is an environmental award, focusing on wild places. As part of the award, the children in Year 5 have been suggesting ideas to improve our wildlife area in school.

As part of our sustainability drive, we have also been delighted to have two new planters installed on our school site. Linked to two drain pipes from the roof, these planters will utilise the rain water to water the plants within them. This in turn will play a role in preventing rain water entering the drainage system and contributing to flooding. We are grateful to our friends from West Wolds Slow the Flow for arranging these for us.

Litter in North Cave

In January Julie Steels and I decided to undertake the mammoth task of clearing the Village of its vast amount of litter. After many sessions, over six weeks, we reached the milestone of 100 bin bags full of rubbish as well as several piles of items which were too big to bag.

Now our big clearance is complete we will continue to collect litter during our regular walks as sadly this is an ongoing issue, we find that when we revisit the areas we have cleared there is more taking its place so we always have gloves and carrier bags in our pockets to pick up as we go.

One major issue we have in North Cave is discarded cigarette stubs which we pick up every day. Cigarette stubs are made of a type of plastic, they are not biodegradable and can take up to 14 years to break apart, the toxins can poison fish if they get in the water course, as well as animals who may eat them.

We know that a lot of the litter is thrown from vehicles passing through the village but there is much which has obviously been dropped whilst walking or deliberately dumped and astonishingly there is a big issue with full dog poo bags being thrown into the hedges, the beck or just dropped in the verges. Such a shame that a few inconsiderate people spoil it for everyone else.

We would also like to thank Christian for his support with disposing of many of our filled bags and Alison and Gemma who joined us on a couple of our picks.

Pauline

**Well done Julie, Pauline and helpers
- amazing job!**

North Cave Parish Council News

Greetings from North Cave Parish Council

We aim to hold our meetings on the 3rd Tuesday of every month at 7pm in the Village Hall. You are welcome to come to these meetings but please check the date before attending as sometimes we may have to move it for whatever reason. The minutes and agendas of each meeting are displayed in the notice board on the land adjacent to the Methodist Chapel on Westgate and also on the website:

www.northcave-pc.gov.uk

Please note that the minutes of a meeting must be approved by the Parish Council before they are published so there will be some delay before they are made public.

We are due to hold an election this year for members of the Parish Council and are expecting several vacancies for parish councillors. **If you would like to apply to sit on the parish council, please contact the Parish Clerk** (details below). If there are more applicants than vacancies, we will be required to hold an election. Otherwise the applicants will be co-opted without the need for an election. Please note that the role of councillor is a voluntary.

NOTE: From 4th May 2023, you will be required to show a valid form of photo ID before being allowed to vote in all local elections this year.

King Charles III

The new king will be crowned on May 6th next year. If you have any ideas as to how we can celebrate or commemorate this occasion, please send them to the Parish Council Clerk.

Tree planting

The Parish Council has received a grant for tree planting along Newport Road from ERYC. By the time you read this, the planting scheduled for March 16th should be completed. This will enhance the entrance to our village and be a "remembrance avenue" for our late queen and a celebration for our new king.

Millennium Walk

Due to the recent episode of a tree falling down in Millennium Walk we have had a survey carried out by EYRC who have recommended that some trees need to be removed and additional pruning work carried out to avoid potential damage to property and for health and safety reasons. This work is due to be carried in April subject to planning permission being granted.

This is our Path Sweeper receiving his new dust cart as he continues the work to keep his designated route of village pathways clean. The old cart has stood its test of time, serving two different Path Sweepers over several years, but is now condemned to rest in peace! Please wish the Path Sweeper well when you see him on his route.

Dog walkers - it's time to help North Cave Playing Fields!

The Playing Fields Committee (which includes dog walkers!) would like to propose that dog walkers pay a **voluntary fee of £20 per family per year**, to use the playing fields for dog walking/playing. If this sounds like too much, consider that a nearby (admittedly secure and well-equipped) dog walking field charges **from £5... for 30 minutes!**

So **£20/year** is an absolute bargain. Where else can you get such a great space for your dog(s) to run and play? Bank details here >>>

Why should you pay?

To support the work of the playing fields committee, which is run entirely by **volunteers** on a non-profit basis for *your* benefit. They organise and manage everything, run fund-raising events, cut the grass, mark out the pitches and, critically for dog walkers, empty the bins weekly! As you might imagine, this is not a fun job, but they do it without complaint (well, mostly) every week, rain or shine. Dog walkers will know that the playing field is an irreplaceable facility, so making this small contribution to the upkeep of the field and the emptying of the bins is just your way of **saying thank you** for all the maintenance and hard work that goes into the facility, for us and our dogs to enjoy.

What do you get?

No rights whatsoever, just a warm feeling that you are genuinely contributing towards the upkeep of the field, that we and our dogs love so much. We do ask that dog walkers respect other users of the field and, of course, pick it up and bin it!

Everyone can show their support for the wonderful work done to maintain the playing fields, play area and clubhouse, by **becoming a Sports and Social Club member - for only £5/year**. This is a great and cheap way for you to say thank you for the hard work done on your behalf and to benefit even more from the facilities on offer..

Send your name, address, tel. no. and email to

john.backhouse1@googlemail.com and then make the £5 payment to:

Account Name: North Cave Playing Fields Sports and Social Club

Account Number: 54895068

Sort Code: 30 91 91

Give your surname as the reference and, ideally, set up a standing order!

Thank you in anticipation!

We told you in the last issue about the refurbishment of the Club and Bar, and how it can be hired for special events. Alternatively, you can pop in for a drink and chat on a Saturday afternoon, or join in the very successful Bingo on a Sunday evening.

Recently, the play area has been cleaned, tree work has been done (with a little more to follow) and a tree and play area inspection is due, to ensure that we are managing risks across the grounds.

The next Comedy Nights are:

8th July and 24th November, 7pm.

North Cave and Everthorpe Open Gardens 2023

After a four year gap, North Cave and Everthorpe are hoping to run again an Open Gardens weekend in June: North Cave on Saturday 17th June and Everthorpe on Sunday 18th June, in each case from 1100 to 1700. This is contingent on there being sufficient gardens willing to take part. Plans for admission would be on sale at the church and shop at £5 per adult (children free), and teas would be available on each day. Look out for more details nearer the time on notices around the villages and on the villages' Facebook page. If anyone knows of gardens that would like to join in, do let Rev Barry know, or any Churchwarden. Funds raised are to support All Saints North Cave Church.

Message from the Church Wardens

The snowdrops in the old part of the churchyard have been better than ever, if you missed them this year don't forget to look next spring. The snowdrops are followed by the primulas unfortunately becoming strangled by the ivy we will be organising a work party once the weather improves to tackle this. The flowers are a joy to behold and a credit to the village. However all churches have had a polite reminder from York about what we can and cannot have in the graveyards. These are as follows:

- All flowers need to be removed from wrappings (there is a green bin at the large gate). We can not allow plastic flowers although silk ones can be placed as long as they are removed when they fade;
- No food or drink on graves;
- No toys or memorabilia;
- Commemorative wreathes should be removed after an appropriate length of time.

These conditions apply to all parts of the churchyard. Please would all users respect these wishes and help to keep this a quiet and reflective space.

North Cave In Bloom

Spring, so far, has been very chilly but the snowdrops, daffodils and crocus planted around the village have brought a very welcome burst of colour heralding the end of winter.

The wildflower bed at the junction of Blossoms Lane has many spring bulbs coming through and hopefully it will flourish with many wild flowers sown and planted in the last two years. Sadly, some residents are allowing their dogs to use it as a toilet so please show some respect and keep your dogs off this area which is for the benefit of everyone.

NCIB held their AGM in February at the White Hart for the first time. We were made very welcome and were able to enjoy a drink whilst discussing ideas so future meetings will be held there.

We will be using red, white, and blue summer bedding plants again this year, this time to celebrate King Charles III Coronation year. These will include non-stop begonias, geraniums, and lobelia for the planters, under road signs and wall baskets purchased from our local Sand Lane Plant Centre.

NCIB have made requests to the Parish Council to plant 2 trees on Froscoles Green to commemorate the reign of Queen Elizabeth II and King Charles III, apparently more work needs to be done to replace drainage pipes there so we will have to wait until later in the year. The other place we would like to plant more trees is the grass area at the top of Manor Road, this request needs to be approved by ERYC so we are hoping this will be approved by Autumn.

We are also hoping to site a new planter to commemorate King Charles III Coronation year once a suitable place has been sourced.

We purchased a new strimmer last year which has been used on the wildflower verge on Station Road. The grass is a problem as it is choking the wildflowers there so we will buy some yellow rattle plants in the hope they suppress some of the grass, allowing the flowers to bloom.

North Cave in Bloom are very grateful for all the help we receive from our team of volunteers who clear, plant, weed etc., not forgetting our helpers who water and help to maintain our plants for us.

If you would like to join our group to help us with planning, planting, or maintaining please contact Steve on 01430 422709 or email skipseys@gmail.com.

The WI are always keen to learn new skills and this month we were lucky to welcome Iris who guided us through the technique of creating lino prints. We all went home very pleased with ourselves, with a card we had designed and made during the evening.

Our April meeting will involve skill too, but this time it will be gin tasting!

We have started the craft evenings again. Please look out on the Facebook community page for dates and details. These are usually held on a Tuesday evening. Materials are supplied and a warm welcome is guaranteed.

These evenings are for everyone; you don't need to be a member of the WI so please come along.

WI Café

Every Monday, the WI is run by our wonderful volunteers.

The café is at The Village Hall. Please come along for a drink and a chat between 11:30 and 2:00. There is always a warm welcome. It is always wonderful to see our regular customers and to welcome new visitors too.

Time to get walking again!

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and interesting walks?

Walking in Yorkshire, <https://www.walkinginengland.co.uk/yorkshire>, has loads of walks to download and print, free of charge, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (who maintains the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Yorkshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

Newport Road - Tree Planting

Having received a grant from ERYC, trees have now been planted along the south side of Newport Road. The planting was carried out by The Conservation Volunteers (www.tcv.org.uk) on March 16th. To be known as the Avenue of Remembrance for the late Queen and new King. a total of 33 trees were planted; a mix of standard Rowan, Cherry and Birch approx. 7/8 years old.
