# CONGRATULATIONS TO YVONNE & MARK BROOKS ON THEIR 65<sup>th</sup> WEDDING ANNIVERSARY

Mark (88) and Yvonne (85 on 1st July) met in The Brighton Ballroom, Newcastle. Mark spotted that Yvonne's date had not turned up and managed to persuade her to join him on the dance floor. Following that meeting their first proper date was at the Bath Hotel, Tynemouth. Yvonne was 17 years old when they met, 18 when they became engaged, 19 when they married and 20 when they had their first child - their daughter Karen, born in Newcastle. Their son, Paul, was born four years later when they were living in Washington, County Durham.

As an Inspector for what was then the Ministry of Agriculture, Fisheries and Food (now known as DEFRA), concentrating on the quality of fruit and vegetables, Mark's job took them all over the country. They finally arrived and settled in North Cave in 1979.

Mark served as a Parish Councillor for a number of years and was involved in the community effort to defend the area from the threat of a proposed landfill site, at what is now North Cave Wetlands and a wonderful asset to the area.

When Rev'd Haywood was approaching retirement and the

church newsletter (Towers of Strength) was going to cease, it was proposed to create a community-based magazine to take over. The delivery team agreed to carry on and so The Village Link was born. Mark joined the Committee set up to develop the idea and seek contributions. Mark supplied many an amusing April Fool story, which have been known to catch out the unwary. They subsequently joined the delivery team for many years.

Along with many other houses in the village in summer 2007, theirs was badly affected by the flooding and they had to move out into their caravan for a year. They are ever grateful to Steve Skipsey, who kindly allowed them to park on his drive, and Mrs Carver, who allowed them to store their furniture in one of her barns.

Mark can turn his hand to almost any craft from woodworking to dress making, which he learnt helping his older sister who made her own dresses during the War. He converted a dancing dress that he was making for Yvonne, from Witchcraft lace with a turquoise underskirt, into her wedding dress with a matching bolero. (Not many of us can say that our husband's made our wedding dress!).

Congratulations on your wedding anniversary and your card from the King and Queen and thank you for all your support for the Village Link over the years.

*The Village Link Team*

My wife and I were so pleased to hear that you celebrated your sixty-fifth wedding anniversary on 5th March, 2023. This brings you our warmest congratulations and heartfelt good wishes on this happy occasion.

*Charles R* *Caroline R*

## **The Parish of All Saints North Cave: with St. John's North Cliffe and St. Oswald Hotham**

### **REGULAR CHURCH SERVICES**

**All Saints Church North Cave:** 11.00am each Sunday

**St. John's Cliffe:** 9.15am on the 1st and 3rd Sundays

**St. Oswald, Hotham:** 9.00am on the 2nd and 4th Sundays

Rev. Barry Worsdale - Tel: 01430 470716

email: [bworsdale@hotmail.co.uk](mailto:bworsdale@hotmail.co.uk)

### **Heating our Church**

Our costs for heating All Saints church has gone from a standing charge of £1.15 per day to £7.50 per day (over £200 a month).

We are asking if you would be willing to help with the costs. Either by giving a small amount weekly or monthly. Half the cost of a lottery entry would be great. You can use the QR code or get in touch with the Vicar for more information Mobile 07443 334391 or Tel 01430 470716. Your help will be much appreciated.

### **Message From Barry**

The children were lined up in the cafeteria of a Catholic school for lunch. There was a large pile of apples. The nun made a note and posted it on the apple tray. "Take only one apple, God is watching." Moving further along the lunch line, at the other end was a large pile of chocolate chip cookies. One child whispered to another, take all you want God is watching the apples.

The truth is God cares for each one of us, and is watching over us all the time.

### **Men's Curry and Quiz Night**

**Last Friday**  
of every month  
in

**ZOOM Café, South Cave**  
**at 7.30pm**

All men are welcome.

Come and enjoy the fellowship and a bit of competition in a quiz. We usually make up teams of 3, 4 or 5 depending on numbers.

Further details, please give me a call:

Rev. Barry Worsdale

01430 470716 or 07443 334391

North Cave WI have enjoyed full programme of activities and events in the past few months.

Our Guest speaker for June was Rebecca Slow from the Children's University. I'd no idea how much valuable work they do to help provide equal opportunities for some of the most deprived children in Hull and East Yorkshire. Did you know that some children living in Bridlington have never been taken to enjoy the seaside? This is a reality for many parents as their community comprises of the local shop, school and home. The Children's University aims to take children on many trips and also supports schools with book libraries. More information can be found at:

<http://www.childrensuniversity.co.uk>

In July we had tales from a District Nurse who covered the East Riding. As a former nurse myself and with other nursing fellows, we were very amused at the tales and could well relate to this lighthearted talk.

Our meetings start again in September - first Thursday in the month - with one of our members, Mili, giving us an entertaining evening all about her homeland of the Czech Republic, apparently there will be some singing and goulash! Followed in October by our AGM.

Our walking netball team celebrate their 5th anniversary. Congratulations Ladies! They meet on Tuesday mornings at South Cave Sports Centre. New members are always welcome - open to non-WI members.

We also have a very active Thursday walking group who enjoy a gentle meander locally and recently stopped for this lovely photo:

We were very pleased to support North Cave in Bloom by donating a planter which is located near the Zebra crossing. How lovely their work is to make our village so pretty and colourful.

Monday Cafe - we can't thank the hard work and dedication of our cafe ladies enough for the service they provide for the village on a Monday. I am sure their regular customers will survive whilst they take a well earned break and will be open again as usual on the 11<sup>th</sup> September.

We will be running our popular craft evenings again in October and November, open to everyone, all materials and instructions supplied, no experience needed. Join us for tea and biscuits and a lighthearted evening. New for this season will be card making as well as felt and embroidery ornaments, gnomes and more. Watch out for the adverts.

Halloween trail will be running as usual, participation details will be publicised nearer the time.

And lastly, for Remembrance Day, we are busy knitting and crocheting large poppies to create a village display. If you feel you can contribute, either making poppies or supplying red wool, we would really appreciate it. Please contact myself via Facebook or the Cafe ladies.

We are always open to new members. We are part of the East Yorkshire Federation who have a large program with something for everyone.

Michelle Simpson  
President - North Cave WI

# North Cave in Bloom

Once again North Cave in Bloom volunteers have been very busy brightening up the village by planting red, white and blue summer bedding plants, this time to commemorate the Coronation of King Charles III. At the time of planting, we had a very, hot, dry spell but thanks to our team of volunteers who water for us, the plants survived and are now in full bloom.

The Commemorations of this Coronation year continued as we purchased a new seat, which will be sited at the playing fields. The Bingo

fundraisers very kindly donated funds for a commemorative wooden planter, which is on the grass area at the top of the public footpath

in Nordham, many thanks for this.

We are also very grateful to North Cave WI ladies for their donation for another wooden planter, which is sited on Westgate. Both of these were expertly made by our very own John North. *(see photo on P6)*

North Cave in Bloom rely solely on donations, so we are very thankful to the Bingo Fundraisers, who once again, are holding a Bingo night for us in October. You can help us too by donating tombola/raffle prizes for this event please.

We are constantly looking at areas where we can add some colour throughout the year so we will be planting more daffodil bulbs, crocus and snowdrops etc. in the Autumn.

We do enjoy our work in keeping the village blooming and hope it gives you pleasure too, so if you have any comments, ideas, advise or would like to join our group of volunteers to help us with planning or planting please ring Steve 01430 422709 or Pauline 01430 424789

Wishing You All a Blooming Good Summer.

NCIB

## North Cave Sports and Social Club - patio area

North Cave Playing Field Association has started the process of applying for planning permission to build a patio area outside the Club House. This will improve the facilities for everyone, including members and users of the Club as well as visiting teams on match days. This would be a great opportunity for local businesses to sponsor some of the cost. We hope to raise sufficient funds to see this built before too long.

The Club facilities are currently available for bookings for private events - see Page 19 for more details.

# North Cave Bingo Fundraisers

I am delighted to announce that we have just held our 60<sup>th</sup> Prize Bingo at the Village Hall, North Cave.

An amazing group of women and men decided in August 2017 that it would be a great idea to have regular prize bingo nights at the North Cave Sports and Social club to hopefully raise funds for our village and other local charities.

So we held our first bingo on September 29<sup>th</sup> 2017 and we raised an amazing £101.70.

By the time we held our 15<sup>th</sup> bingo, due to more and more people wanting to come along to support us and play bingo, we had to make the decision to move to bigger premises, so we moved everything to North Cave Village Hall on the 16<sup>th</sup> November 2018.

Since then we have regularly held a prize bingo (except during Covid lockdown) at the village hall and, when we restarted after Covid, we made the decision to support only causes in North Cave.

On Behalf of the NCBF I am so very pleased to announce that we have now raised an absolutely amazing amount of **£32,000** for North Cave and other local charities.

It is easy for me to sort out prizes and coordinate everyone but, with tears in my eyes, I cannot begin to say enough about how, without the fantastic support and help of the brilliant North Cave Bingo team, none of it would have been possible: Kate, Pam, Norma & Anthony, Brenda, Fee, John, Ken,

Deby & Tim, Anthea, my husband Chris and anyone else who has helped us during the last 6 years.

Also the very generous people who have very kindly donated prizes for the various charity bingo's.

So THANK YOU ALL so very much.

We are currently raising money for North Cave All Saints Church to go towards a new carpet for Ann's room (designated children's play area) and to update the sound system.

## Dates for your Diaries

We are holding a Prize Bingo on:

- Friday September 22<sup>nd</sup> in aid of The Friends of Myers Beck
- Friday 20<sup>th</sup> October in aid of North Cave in Bloom
- Friday 17<sup>th</sup> November in aid of N C Village Hall
- Friday 15<sup>th</sup> December = Christmas Prize Bingo

We are always grateful of any donations of prizes for our Raffle, Bingo or Tombola no matter how small. So please if you have an unwanted gift or toiletries, etc, or even a can of soup or a tin of beans, it saves us having to buy these items, which in turn helps us raise more money for North Cave village charities.

If you would like any more information about our bingo, have a donation or would like to come along and have a great family night out please do not hesitate to contact me,

Jill Marwood on  
07432 849406  
or 01430 424012

## Note from the Editors:

We hope you will agree that this is a very commendable effort and is worth continuing to support. Even if Bingo is not your thing, you could consider supporting by making a simple donation of an unwanted gift or a simple household basic. These can be bundled into lovely prizes for the winners.

# Countryside Concerns

---

My first job has to be to congratulate the "West Wolds Slow the Flow" for their answer to my point on tidal power for green energy and while I take their point that it wouldn't work everywhere around our island, I'd like to pose another idea of mine (I feel a debate coming on):- We have all these wind turbines out at sea so why can't someone come up with an idea to join a wave-turbine to the existing mechanism of the wind turbine, thus generating twice the electricity from each structure! If a Greek mathematician born centuries ago can come up with a fantastic invention(the Archimedes Screw) in 287-212BC surely, in this day and age, we have a bright spark somewhere in the country who can come up with a simple modification to work wave and wind together and to all the naysayers who shake their heads and say 'NO it cant be done' I say 'Why'? If the adults can't invent something I bet the youngsters of today could, they like nothing better than inventing stuff so get the idea out there into all the schools and colleges up and down the country and I'm sure they will relish the challenge, especially if there was a cash incentive! and another thing - why haven't all these turbines got solar panels on top?

Moving on, I'm so glad the mini heatwave only lasted a week or so in June, it wasn't just me that felt it but our wildlife too. Most of our birds retreated into the undergrowth around the soft fruit bushes until it cooled down. The rain came just in time to refill 4 out of 5 water butts we have and even though the bird bath was kept full, we had a wagtail that enjoyed a daily bath in a large plant saucer on the ground. Everything was hungry too and we even had squirrels curled round the sunflower seed feeder, plus wood pigeons and doves who performed some amazing acrobats in their attempts to grab a snack. We love the fact that we still get a nightly visit from the hedgehog for the cat biscuits and water left out for it. I've noticed throughout the year how the variety of birds on the feeders changes, in winter and spring its mostly goldfinch, blue tit and greenfinches, then they disappear and are replaced with

sparrows, starlings and blackbirds, even a robin tried his luck on the feeders. Blue tits have been very scarce this year and greenfinches too in fact we had two finches we found dead under the feeders round about the time when bird flu was about, neither of them had any visible signs of damage, the plumage was perfect and they were not underweight in fact I couldn't find anything wrong at all but I wrapped them in a tissue and buried them under a rose bush. Butterflies are scarce too and apart from the odd orange tip and a few cabbage whites we don't seem to have any brown butterflies around just now. Maybe the cold spring had a lot to do with it.

Through the years I've enjoyed watching how our countryside changes, some are for the better but too many for the worse. Back in the 50's we had plenty of everything, hedgerows, bats, wayside flowers, ground nesting birds like skylark, lapwing and curlew, most of the water courses had sticklebacks, minnow and water voles and we had elm trees in abundance, I don't think many of our grandchildren will ever see the majestic shape of a mature elm. I can remember looking out from my bedroom window in Hotham at the elm tree in Copeland's pasture on the back road and seeing the outline of an Indian chief in his feathered headdress, nobody else could grasp what I saw but the profile of his chin, hooked nose and prominent eyebrow blended seamlessly into his magnificent headdress but I was the only one who could see him but then again I'm the one who can see teddy bears, sheep and flying pigs and human faces in summer cloud formations, even now when I look at the tree across the road there is an outline of a lions head with a flowing mane and as the wind moves the leaves it looks like his mouth opens in a roar:- Crikey I'll be seeing fairies next!!

Cheerio

*Wendy*

July 2023

## LOOKING BACK

On 5<sup>th</sup> July, we opened our gardens in support of **NGS OPEN GARDENS** (National Garden Scheme), who last year alone donated £3.11 million to nursing and health charities. It was an opportunity for us to welcome new visitors to the nursery, and for them to buy our plants and enjoy our gardens – including the woodland walk.

Big thanks to a group from **Arco: Experts In Safety**, who volunteered to lend a helping hand at the nursery. They sanded, painted, and revitalised our old benches, and also helped with our never-ending weeding tasks.

We were invited to take a party of Service Users to **Bolsover Castle** in Derbyshire, one of three English Heritage sites that sell our plants (the others are Brodsworth Hall and Mount Grace Priory). Special thanks to our private tour guides Chris and Tess, who made the visit especially enjoyable.

## *The Party at Bolsover*

**The Friends of Mires Beck** put on a sell-out murder mystery evening at the nursery. It was titled **Murder Most Floral**, and presented by Cave Players. It was a huge success!!!

## LOOKING FORWARD

On the 12<sup>th</sup> August, we're holding a **Victorian Pie Making Workshop** with Geraldine Mathieson, when you can create your very own spectacular centrepiece for a summer picnic or buffet. Together, we'll craft raised pies that are not only decorative but also incredibly tasty. For lunch, we'll prepare **Salmagundi**, a decorative salad that was all the rage in the 18<sup>th</sup> Century. And to quench your thirst, we'll serve freshly made lemonades, perfect for a summer day.

For more details and to book, go to:

<https://shorturl.at/deH27>

# Duck Race

The Annual Midsummer duck race organised by Margaret and friends was held on the village green on the 24th of June. It was lovely to see so many families enjoying the day and participating in the free activities - splat the rat, ball in a bucket and hook a duck, all tended carefully by Sean and Rosie. Excited children enjoyed playing pass the parcel organised by Nicky.

The Duck races were nail biting, all thanks to the guys looking after them, Dave the Duck Master, Eric Puddle Duck and Bill Drake who all got their feet wet in the process. As you can see from the photographs we had several

refreshments were served by Mayleen, Anita and Amanda. Also a big thank you to both Steves, Tracy, Chris, Richard, Mike, Dave, Bill and Eric for putting up and taking down the gazebo and equipment.

A big thank you of course to everyone that came along to support this charity event which raised the grand total of £340 For the MS Society.

See you all again same time next year.

youngsters collecting their prizes who seemed very adept at choosing the winners!

We're grateful to Karen and Kate who successfully looked after the Tombola,

# Duck Race

## Some of the Prize Winners

# North Cave Parish Council News

## **We have recently had some changes to our Parish Council:**

Mrs Ward, former Clerk, has resigned due to a change of personal circumstances. Linda Byram replaces Geoff Pile as our Chair and Julie Steels takes over from Steve Thackery as Vice Chair. In the meantime, until our new Clerk takes up their post, we are sharing the load to enable us to continue to serve the community.

### **Millennium Walk**

There are just two small trees still to be removed, topsoil to be added and the path gravelled then this special area will be left for the wildlife to enjoy, with only essential maintenance carried out when needed.

### **Newport Road trees**

TCV, the company who planted the trees, assessed them recently and the majority are growing very well. Some of the silver birches have suffered from sunburn but are still alive. They suggested residents who live nearby, if they are able, could use their grey water to help the trees during these hot dry days.

### **ERYC Walkabout**

Walkabouts give parish council representatives a formal opportunity to identify routine work to be carried out by the ERYC village taskforce team. By the time you read this newsletter our walkabout should have taken place whereby items of work identified, which fall within the scope of work the teams can do, will be carried out according to priority during their regular visits and will be completed by the end of the grass cutting season. The basic tasks which can be undertaken by the village taskforce teams include-minor pothole repairs, street asset painting, sign washing, and the cutting back of overgrown vegetation.

## **North Cave Beck Maintenance**

The Environment Agency will be clearing some of the overgrown vegetation encroaching into the beck by Froscoles Bridge which could impede the flow of water. They will also cut back vegetation, including self-sown saplings, growing out of the retaining wall. This work is to be carried out in early August, then a follow up later in the year. Please see letter on the following pages.

**We currently have two parish councillor vacancies so if you feel you would like to join us to help to improve your community then please get in touch.**

The minutes of our meetings will be displayed in the notice board on Westgate and published on our website once they have been approved at the next Parish Council meeting.

We hold our meetings in the Village Hall, Westgate, on the 3<sup>rd</sup> Tuesday of the month commencing at 7pm, there is an opportunity for you to have your say during the public forum prior to the full council meeting.

## **Next Parish Council meeting is on 15th August**

Please continue to contact us via our email: [clerknorthcavepc@hotmail.co.uk](mailto:clerknorthcavepc@hotmail.co.uk) or visit our website [www.northcave-pc.gov.uk](http://www.northcave-pc.gov.uk) or call Linda Bayram 01430 422373

The Parish Council has taken over the upkeep and maintenance of the **Defibrillator**, which is sited on the front of the **Village Hall**.

If you are unfortunate enough to need to use the machine: **ring 999 and wait for instructions. Keep doing CPR whilst you wait for the defib and/or ambulance to arrive.**

After use, please inform the clerk on 01430 423668, so that the pads can be replaced.

## **Would you like to become a Parish Councillor?**

**North Cave Parish Council is looking to fill 2 vacancies by co-option as soon as possible. If you think you would like to join or would like more information please get in touch by emailing [clerknorthcavepc@hotmail.co.uk](mailto:clerknorthcavepc@hotmail.co.uk)**

Following is the text of a letter received:

**Environment Agency Maintenance  
Programme**

We are writing to you on behalf of the Environment Agency, to keep you informed regarding the routine maintenance which occurs annually along North Cave Beck.

We are aware that over the years, North Cave Beck and the way by which it is maintained, has changed and as a result some local residents may have some questions that the Environment Agency would like to answer. As these changes are implemented, we wanted to keep the local residents and business owners informed.

Annually, the Environment Agency carry out routine maintenance on the structures, bridges, channel side and the channel itself of North Cave Beck. Below is a brief description of what maintenance is completed.

**Bridges** – These are maintained twice per year. This is purely for vegetation removal and conveyance purposes. Any other maintenance on bridges lies with the asset owner.

**Structures** – These are maintained once per quarter. This includes checking that they are structurally sound, vegetation clearance and minor brickwork repairs.

**Channel Sides** – These are maintained twice per year during the in-channel maintenance. The roadside from Mires Bridge upstream along Low Mill Lane is cut right down as the tractor and flail is used to provide access for the in-channel work. To compensate for this, we leave more cover on the opposite bank.

**In Channel** – This is maintained twice per year. This includes the removal of in channel vegetation and debris to ensure there are no blockages to the conveyance of water. The in-channel maintenance undertaken in winter is more invasive than the in-channel maintenance undertaken in the summer. For example, more vegetation is removed ahead of winter, and more sympathetic maintenance during the Spring. Similarly,

where the channel is open and naturally wider, more vegetation cover is left in and around the channel for wildlife and biodiversity.

Over the last few years, we have trialled various maintenance techniques to ensure biodiversity and recreation benefit from the work we (the Environment Agency) undertake. Our priority, however, must be flood risk and to ensure that the homes and businesses within the proximity of North Cave Beck are protected to the best of our ability from the risk of flooding. All of the above maintenance activities have always been carried out, it is the method by which they are done that has been altered. For example, the Environment Agency trialled leaving more channel side vegetation for an increase in biodiversity without impacting flood risk. Following this, the Environment Agency have identified the best methods of maintenance which considers the aspects mentioned above. Although this was successful, this also meant that inspection of the assets was difficult and therefore potential defects could easily be missed. Therefore, going forward the Environment Agency will revert to clearing the vegetation on the channel sides, but where there is more natural cover to the channel (such as where there are trees) some of this vegetation will be left, to enhance the biodiversity.

Further information regarding the completed and scheduled maintenance can be found on the government website at

<https://environment.data.gov.uk/assetmanagement/index.html>

## NORTH CAVE PRESCHOOL

Opening hours:

**Mon - Fri 8:00AM - 5:00PM**

Term-time only, from 20 months

[www.northcave-preschool.co.uk](http://www.northcave-preschool.co.uk)

[northcavepreschool@hotmail.co.uk](mailto:northcavepreschool@hotmail.co.uk)

07968 239303

Good luck to all the children starting school in September! We had a fantastic end of year party at South Cave Leisure Centre to send them off. We have limited places at preschool for September, so please get in touch if you would like to register your child.

This half term our theme has been 'the

sea'. We read 'Stickman' and painted pictures of Stickman floating out to sea.

We also learnt about pirates! We dressed up, walked the plank, made pirate hats and ships, and searched for bags of treasure, before counting it out.

We held our open day on 15th July and it was a great opportunity for our new families to meet some of the staff and other families.

We are also pleased to have launched our new website and logo! Have a look at [www.northcave-preschool.co.uk](http://www.northcave-preschool.co.uk) as we continue to update it with information about our service over the coming months.

**Happy Summer!**

17 Springfield Avenue, Brough, HU15 1BU

### Paxwold Fun

The children in Classes 1 and 2 were a pleasure to take away on their residential visit to Paxwold.

The children participated in a range of activities and enjoyed working together and team building. The fun activities included making book marks, creating key rings, sport activities and team games.

We would like to share some wonderful memories with you:

I enjoyed sleeping in the bunkbed. I was on the top bunk!

The bus was good. I liked making a shining sun.

I ate hotdogs and played a guessing game.

My bookmark is the best. I like reading.

We introduced our teddies around the campfire.

### Sports Day

The children enjoyed taking part in our sports day. All the children demonstrated our school values of determination, trust, friendship and respect.

It was wonderful to be able to welcome so many parents and carers to join us for this memorable event.

# North Cave Sports and Social Club

The Club and Bar is open as follows:

Saturday from 2pm and Sunday from 8pm for Bingo

New members welcome: £5/year

Bookings and Membership:

J Smith Tel: 01430 423554 / Mb 07840165114.

## THANK YOU Dog walkers!

In response to requests, we are repeating the information on how to make a dog walking contribution (£20 per family/year) and/or join the Club (£5 per person/year). Either call into the Club when it is open or send your name, address and telephone number by email to:

[northcavesportsandsocial@gmail.com](mailto:northcavesportsandsocial@gmail.com)

Let us know what you are wanting to pay for and then send the relevant payment to the Club bank account, details as follows:

**Name:** North Cave Playing Fields Sports and Social Club

**Account Number:** 54895068

**Sort Code:** 30 91 91

Don't forget to give your surname as the reference and, ideally, set up a standing order!

## New members are very welcome

Remember, you don't have to be a sports person, you are welcome to join the Club in a Social capacity. The Club-room and Bar have been refurbished and can be hired for special events.

As a member, you can pop in for a drink and chat on a Saturday afternoon, or join in the very successful Bingo on a Sunday evening, or investigate the Darts or Pool evenings. There are further improvements planned, so the more members we have the sooner we will be able to achieve our ambitions! We are always looking for sponsorship

contributions and funding opportunities - any suggestions are gratefully received.

## EVENTS

**The next Comedy Nights are:**

24<sup>th</sup> November, 7pm.

For tickets contact

John Oxley 07932 738653

**Other Forthcoming Events include:**

A Gala Day with a musical evening

Bonfire Night Event

Matthew Smith memorial football match on 3<sup>rd</sup> December

**Further details will follow in future editions**

## FUTURE PLANS

On Page 7, there is a visualisation of the patio proposal to enhance the exterior of the Club house for the benefit of everyone. Inside, the Bar area has already benefited from a make-over but there are also plans to improve the kitchen area.

The Field Maintenance Team have a programme of operations to bring the pitches back into condition, following the ravages of recent chafer bug damage. Operations include weed spraying, autumn feeding, overseeding, spraying to control the chafer bugs and potentially vertidrainage to improve the drainage. Some of these operations might necessitate limited access to the field for a while. Please respect any requests to stay off areas.

***Thank you in anticipation!***

# The White Hart Inn

Sam and Sharon McKnight will welcome you to our warm and friendly village pub. Come and try one of our great choice of local cask ales, as well as our fabulous range of gins, spirits and more! We also have a good selection of beers and ciders on draught.

Enjoy both our lovely log burner and real coal fire to keep you warm whilst also enjoying weekly/ monthly live events.

We have live acoustic music on the last Saturday of every month and our popular weekly Quiz Nights on Thursday where we run an open the box and spin

the wheel with the potential cash prize jackpot! Our league standard pool table also allows you to challenge your friends and family competitively. We look forward to seeing you and thanks for all your continued support of our Pub.

## Opening times:

Monday	4pm-10.00pm
Tuesday - Saturday	4pm-11.00pm
Sunday	4pm-10.30pm

**For all Updates, Events and Enquiries please see our Facebook: @thewhitehartinn1**

## NORTH CAVE INDOOR BOWLING CLUB

Would you like to come and try Indoor Bowls?  
Gentle exercise in a warm, friendly, environment?  
Open every day from 10:30a.m.

Call and have a cup of coffee - see what it's all about  
Townend Lane, North Cave, HU15 2LZ

Call: 01430 421378 - Email: [eileen\\_hebden@verizon.net](mailto:eileen_hebden@verizon.net) [www.northcavebowls.co.uk](http://www.northcavebowls.co.uk)

## William's Den

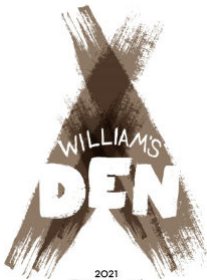

### Where Imagination Runs Wild

Our restaurant is open later on Friday and Saturday evenings throughout the Summer.

Open to everyone from 5 pm to 8 pm

Friday is Fish and Chip night

Saturday is Pizza night

Eat in or  
takeaway!

# All Saints, North Cave Bell Ringers

## Exciting Times Ahead

We have been given approval by our Parochial Church Council to proceed with our plans to install two additional bells at All Saints (Augmentation), this would make our fine ring of six bells into a splendid ring of eight. We are in the early stages of this exciting project, but our aim is to ring on the new eight for Christmas 2025.

We are now waiting on a visit from the Diocese of York Bell Advisor, who will carry out a full survey of the existing installation and then issue us with guidelines and recommendations, then we will be able to apply for a faculty and go out to three bell hangers for some quotations.

Our original six bells were all cast on 1<sup>st</sup> October 1919 at John Taylors bell foundry in Loughborough. They are a war memorial and these original bells would stay totally untouched, with the two new bells being tuned inline with them. We are keen to have the new bells cast by John Taylors so that they match the same profile of our existing six.

A project like this does consist of some very

interesting and heavy engineering up in the tower. When the two new bells are cast, I shall be arranging a coach so that anyone from the village can come down to the foundry to see them being cast, a chance in a lifetime. I haven't approached the school yet but hopefully this augmentation would provide them with some potentially interesting projects?

We are now well into the wedding season and it is always pleasing when one of our recruits has progressed to a level where that they can join one of our wedding bands. Christine Godfrey has done just that and has also been part of our Sunday service band for a few weeks now.

We are now at a stage where we are able to take on and train two or three new recruits, so if you fancy a new pastime, while making new friends at the same time, please drop me an email at [simonplows@gmail.com](mailto:simonplows@gmail.com), I will warn you now, once the ringing bug gets you, you will be hooked for life!

Have a great summer.

Simon Plows  
*Ringing Master*

## Hotham Line Dancing

Dear All

I just want to take this opportunity to praise our tutor of the line dancing class in our local village hall in Hotham.

I advertised on the Next-door forum back in Dec 2022 enquiring about starting a class in January to shake off those Christmas blues.

I searched for a tutor and found a wonderful one - Mr Paul Smith, who not only teaches us on a Monday evening, but teaches also in South Cave during the day!

Due to complex health issues, I have had to give it up but I do provide the refreshments at the break time.

I'm buzzing with pride as our group have come such a long way since our first class and it's all thanks to our tutor who is patient and

goes through each dance step in detail before adding the music.

So if you fancy joining us and having a social evening - come along and join us! For further information please contact me by email: [caroline\\_612@hotmail.com](mailto:caroline_612@hotmail.com)

Kind Regards

Mother Hen

Caroline Dennis

# Newbald Live Music & Events

Newbald Live is based at Newbald Village Hall and promotes a wide range of music and comedy offerings.

With an emphasis on Folk, Americana, Country and Blues genres, but with a commitment to promote upcoming local talent across all styles

Tickets for all Newbald Live events are

available through the website

[www.newbald.live](http://www.newbald.live)

which also offers the chance to join the Newbald Live mailing list and save booking fees on all future ticket purchases. Alternatively, call John on 07950 267913.

### Humberside Police

**Non emergencies use 101**

Your neighbourhood Policing Team are available to offer advice on crime prevention and to listen and gather information on problems that you may be having in your area. If residents are unable to ring we are also able to visit your home for help and advice.

Please note that the Police can now issue dog-fouling tickets.

Many Thanks, Howden Policing Team
