A brief message from WWSTF this time

Firstly, we note that Emma Hardy MP, who visited our Drewton Beck project in March, is now Minister for Water in the new government. We wish her well in this daunting task, and hope she will think about how to work with nature to help resolve the issues of our decaying water infrastructure.

We have been liaising with the lovely people at Everthorpe Forum and have drawn up 'Issues and Opportunities maps' with them. These have been shared with the ERYC Flood Risk team, as they consider Natural Flood Management on the East Riding estate lands around Everthorpe.

We are developing our site designs at Newbald, Drewton and Ellerker and are looking for more sites to consider - do get in touch if you have any suggestions.

Volunteers - aren't they amazing?

It has often been said that if all the volunteers stopped volunteering, society would grind to a halt. That might be true, but what is certain is that all of our lives would be a lot more lonely and less interesting, our environment would be in a much worse state, and poverty would be far more serious than it already is. To say we would be in a mess, doesn't cover it. Our area has some amazing volunteers - many of whom appear regularly in these pages - and we thought it was time to celebrate them! Here's a few that spring to mind - tell us who we have missed, and we will list them in the next issue:

- Church volunteers and council
- Parish Councillors, flood warden and other helpers
- Women's Institute
- Hotham and North Cave Village Halls
- The Playing Fields trustees and volunteer teams
- The Sports team managers and helpers
- The Canoe Club
- Cave Players
- Scouts and Brownies leaders and helpers
- North Cave bell ringers
- The Village Link team including deliverers
- Mires Beck volunteers
- U3A

- First responders
- North Cave Wetlands management team
- North Cave in Bloom
- Newbald Live
- Carers of all kinds
- Supporters and Charity fund-raisers

We're sure that there are more that we haven't thought about - so let us know what you or your friends are up to... and whether you could use some more help.

And if you don't currently do any volunteering, that's around 20 ways to give something back, right there!

It is incredibly rewarding and sometimes frustrating. But think about the things you enjoy that are provided by volunteers. Isn't it time to give a little to get a lot back?

Pictorial... Meadows?

A lot of people have been impressed by the 'pictorial meadows' around the patio at North Cave Playing Fields - see front cover and right. Strictly speaking these are not 'wild flowers' in the sense that they are not all native to the UK. They are a mix of annuals, which include some UK natives, designed to give as full and as long a flowering period as possible. Guess what - the insects don't care! A long and flower-filled summer suits them just fine. The seed mixes are created by experts at:

<https://www.pictorialmeadows.co.uk/>

There are many mixes for many situations. The mix at the patio is called 'Patriotic' - a mix of reds, whites and

blues - which we thought would suit the patio and its sporting setting. And the cost of this 20m-plus length riot of colour? £22.45 including postage!

Think what you could do in your garden!

If you move to another part of the country or undergo a change of personal circumstance u3a can be a great way to get to know new people in an unpressured, social setting.

Caves u3a's aim is to provide interesting things for older people to do in their free time.

On Bank Holiday Monday 25th August, we have a stand at the South Cave Show. Come along and meet us between 2pm and 4pm.

On Friday 27th September we have an afternoon tea at Hull Ionians clubhouse at only £10.

On Monday 9th September at Cave Castle from 2pm we have a talk about Brazil by one

of our members and on Monday October 7th we will be entertained by the fantastically energising Thornton le Dale Ukelele band. Do come along.

If you search for our website, www.caves.u3asite.uk, you will find the full range of activities that we offer. To make contact you can send us a message to u3aHeatherTurner@gmail.com

North Cave Parish Council News

Thanks to the Parish Council and NCIB for the smashing display of summer flowers grouped around the centre point of our village for all to see and enjoy.

We have finally been able to have the 20mph radar sign put back into action. It's flashing

regularly! The traffic comes down the hill towards our Primary School too quickly! Most vehicles are in excess of the limit but it puts the drivers on notice and most do reduce speed. Perhaps a large dummy camera on top might also help??

A number of 'Keep our Village Tidy' signs have been put up at the main entrances to the village. Hopefully, it might deter some and reduce the number of bottles, coffee cups, take away trays etc that the village volunteers have to collect and bag regularly.

Beck Footbridge (off Low Mill Lane): We have been informed by ERYC Countryside Access Team that this will be repaired in 2024, so we will announce when the job is complete.

War Memorial: Due to the condition of the pavers and mortar the

paving surround needs replacing. The PC are investigating grants available to fund this and receiving advice to implement this the best way possible to withstand many more years.

Hedgehog Gates: We still have some hedgehog gates for your gardens, so contact the Clerk to receive your FREE gate and help with the hedgehog decline.

Contact us via our **email:** clerk@northcave-pc.gov.uk or visit our website www.northcave-pc.gov.uk or call the Clerk: Naomi Wright 01430 425374

North Cave Parish Councillors are all volunteers who want to try to improve the community we live in, spending many hours of their time trying to achieve this as well as attending the monthly public meetings. We hold our meetings in the Village Hall, Westgate, every 3rd Tuesday of the month commencing at 7pm, there is an opportunity for you to have your say during the public forum prior to the full council meeting.

The Parish Council is responsible for the upkeep and maintenance of the **Defibrillator**, which is sited on the front of the **Village Hall, Westgate**.

If you are unfortunate enough to need the use of this machine **Ring 999 and wait for instructions**.

North Cave Pre-School

We've had an exciting summer term, filled with wonderful activities and learning experiences. The children explored all things seaside, learned about stranger danger, and discovered the important roles of people who help us in our community.

As the term drew to a close, we had to bid farewell to our leavers who will be starting school in September. We celebrated this milestone with a party at South Cave Leisure Centre, making it a memorable send-off for all.

Looking ahead, we are pleased to announce that we still have some places available for September for children aged 9 months and over. If you are interested

in registering your child, please get in touch with us as soon as possible.

Dog Fouling in North Cave

WOULDN'T IT BE GREAT
IF DOGS CLEARED UP
AFTER THEMSELVES?

BUT IT'S UP TO YOU
Please clean up after your dog

EAST RIDING
OF YORKSHIRE COUNCIL

We know that dog fouling is of concern to residents and we do need everyone's assistance to encourage dog owners to be responsible throughout the parish of North Cave & Everthorpe.

As residents of North Cave, councillors will now be keeping an eye out for fouling problems and talking to dog walkers in

our parish. We will particularly be looking at the Playing Fields and the public right of ways.

The great majority of dog walkers do pick up after their dog and get really annoyed with the few who don't as they don't want to be "tarred with the same brush." There is no excuse for not picking up.

If you have any information on those responsible for allowing dogs to foul without picking up you can contact us via the East Riding Dog Warden 01482 396301 or the Clerk: 01430 425374

Blindness in children from dog fouling caused by *Toxocara canis*

Whilst the problem should not be exaggerated, it is necessary for dog owners and the public to know what they need to do to minimise the risk.

Toxocara canis is a parasite that lives inside dogs' bodies. It is a round, white worm (looks

like spaghetti) and it infects, most frequently, pregnant nursing bitches and young puppies.

Once ingested they can travel around the body, usually causing little problem. Very rarely though, they can settle in the soft tissue of the retina of the eye, where damage or even **blindness can be caused**, approximately 50 cases a year are recorded.

Preventative measures include:

- Worm your dog properly both as a puppy and as an adult.
- Clean up after your dog has fouled.
- Prevent dogs from licking your hands and face.
- Ensure hands are washed after playing on grassed areas where dogs are allowed and where dogs or puppies have been handled.

If you have any information on owners not cleaning up after their dogs please contact the dog warden at East Riding of Yorkshire offices: Tel: (01482) 393939

Using litter bins for dog waste

Some residents have asked us if they can put dog faeces in litter bins.

We can confirm that **all East Riding of Yorkshire Council litter bins may be used** for disposing of bagged up dog waste collected whilst walking your dog. If anyone leaves bags of dog waste on trees, bushes, the base of a lamp post etc. they are committing a littering offence that may also be punished by way of a **£75 fixed penalty** being issued.

School Sport

Sport forms an important part of our curricular offer at school and this year, we have been pleased to increase the amount of sporting opportunities offered to our children. In addition to our lunchtime football club and running club, we have recently started a netball club which has proved extremely popular. Additionally, we have participated in a range of interschool sport, including football, benchball, dodgeball and indoor athletics.

As well as participating in sport, we are consciously increasing the children's awareness of other sports through school visits. In March, we took a group of children to watch Leeds Rhinos play London Pulse at netball at the Allam Sports Centre. We now look forward to taking the children to watch cricket at Headingley.

School Visits

The summer term is always a very busy time for school visits. We are very much looking forward to our Class 1 and Class 2 visit to Paxwold, our Class 3 visit to Spiers Bank House and our Class 4 visit to Kingswood. We are proud that our school is able to offer a residential visit to every child each year, from Reception to Year 6. This is something we believe to be unique to our primary school.

'North Cave Natters'

As part of our work to promote diversity and inclusivity, the children in Class 4 have been producing their own podcast, 'North Cave Natters'. Within this, they have spoken to our Wellbeing Ambassadors about why wellbeing is important and how they are helping others within the school. Moving forward, they will be looking at issues such as equality in sport and what makes a good leader. Keep a look out for the podcast that will be published on our website.

North Cave Wetlands - Spring 2024

Our team led by Gary Dayes and Stuart Griffiths once again co-ordinated a spring weekend bird count from 10th to 12th May across our Reserve and recorded a record number of species, with a tally of 115 being well ahead of 2022's weekend record of 100. This was particularly gratifying, for as expected wader numbers were down owing to high water levels and less exposed muddy margins as a result of recent rains and lack of drainage capacity to drop levels quickly.

Included in the count were three rarities, which helped to draw a goodly number of visiting birders too. Since late April a rare continental Savi's Warbler has been singing its churring song and occasionally being seen in the bushes and reeds adjacent to the first stretch of Dryham Lane. On day one of the count two rare migrant White-winged Black Terns joined the more regular spring visiting Black Terns on Crosslands Lake – our only other record being in 1994 for four days. But the real crowd puller was a White-tailed Eagle, of the Fish Eagle family, and a very restricted breeder in the Isles off the north west of Scotland.

Following the last naturally breeding bird shot in 1918 a re-introduction programme began in 1975, the first success being recorded in 1985, and around 150 pairs bred in 2023 including England's first re-introduction success. It is related to the Golden Eagle of the Scottish Highlands, but with broader wings, and is Britain's largest bird. Our bird was seen briefly on the first evening and re-appeared the next morning over the lakes and the farmland to the north, and was viewed by over 40 watchers from Crosslands Hide.

The best lake this spring remains our most western lake 2A, a 500m walk from the gate by Crosslands Hide along Dryham Lane and just beyond the farmhouse. 12 pairs of Avocet nested there and also on the island on 1A, the lake just north of the farm, with a small number of chicks fledging. By the time of publication of this edition we anticipate our latest new hide should be open, giving great views over this latest extension to our wetlands' habitat.

HOTHAM LINE DANCING

Dear All

I just want to take this opportunity to praise our tutor, Mr Paul Smith, of the line dancing class in our local village hall in Hotham on a Monday evening. Due to complex health issues, I have had to give it up but I do provide the refreshments during the break.

I'm buzzing with pride as our group have come such a long way since our first class and it's all

thanks to our tutor who is very patient and goes through each dance step in detail before adding the music. So if you fancy joining us and having a social evening - come along and join us! Tickets can be obtained from Caroline Tel: 07590 325797

Duck Race!

A grand day seemed to be had by all at the duck races this year. The sun was shining which is always a bonus. The duck races were great fun with Dave the duck master and Bill sorting the ducks. A big thank you to Anouska for stepping in at the last minute to take the bets. Thanks also to everyone that helped in any way at all. Your help was greatly appreciated enabling us to make a donation to the North Cave Playing

Fields Association.

Families enjoyed their picnics and stayed around until early evening with children playing games and enjoying their tombola won bubble wands. This gave the grown ups time to relax!

A big thank you goes to all that came along to take part in the day, we look forward to welcoming you next year.

North Cave in Bloom

We hope that by the time you read this, the summer plants will be in full colourful bloom. Many thanks to all our volunteers and waterers, without whom we would not be able to have such wonderful displays throughout the summer months. If you would like to help North Cave in Bloom in any way, please contact our secretary Pauline Hornsey on 01430 424789 or email phornsey217@phornsey217.karoo.co.uk

We had a wonderful celebration for D-day; enjoying an evening of great food and company, including some of the hard-working Monday day-cafe volunteers. The theme for the evening was period costume and/or Red, White and Blue. We

started with a short sing-a-long of war time songs, ending with a lovely rendition of "Jerusalem" - assisted by a couple of church choir members, who had misheard where everyone was congregating after the Commemoration at the War Memorial! It was lovely to have the addition of a bass voice.

The swap shop went well, with plenty of plants and equipment finding new homes. It might have gone even better if it wasn't for the wet weather we've had to endure lately.

Watch out for another one early next year, as we will be doing an unwanted presents swap and again all surplus will be donated to local charities.

At the start of July, we enjoyed a very informative talk on The Yorkshire Nature Triangle by Colin Bradshaw, along with his wife. We were educated on the local fauna and flora and wildlife in the area

and realised that we are very lucky to live in such a beautiful place. Colin's wife brought along her hand-made cards, which were being sold to raise much needed funds for the Yorkshire Air Ambulance. To date, Colin and his wife have raised around £9000 from speaker's fees and the sale of cards.

We have a few events for the summer including a trip to Woldies Lavender Farm and volunteering at Driffeld show - if you see us in the WI cake tent, please say hello.

We resume in September with Seated Yoga by Helen Harris followed by our AGM in October. Meetings are held in North Cave Village Hall at 7.30pm

on the 1st Thursday of the Month, you're welcome to pop along and give us a try. You would be very welcome.

The latest from North Cave Coal Exporters

Here's the latest from what's turning out to be a really encouraging season for the Coalies,

who are also taking a look at what the future may hold...

The season is now up and running and our first, second and midweek teams have all had a number of highlights...

Our firsts have secured four wins at the time of writing, claiming the scalps of Scarborough, Pocklington, Beverley and Hull Zingari.

The second team have built some fantastic momentum through the season, with six wins in the bag so far and every chance of a Division 4 promotion push as the season nears an end.

Our midweek team has been a valuable opportunity for newer members.

First team captain Andy Kingston said: "Although results haven't all gone our way, we've acquitted ourselves pretty well in Division 1 - the standout so far must be the home support on a very full patio on sunny Saturday afternoons."

Upcoming home fixtures

10th August - NCCE 1sts v Pickering
24th August - NCCE 1sts v Cottingham
25th August - NCCE 2nds v Hutton Cranswick
31st August - NCCE 2nds v Gilberdyke

Fancy a game of cricket?

Maybe you've played cricket before and fancy getting back into it? You might never have picked up a bat before. It doesn't matter!

We're looking for anyone keen to take up this great game or test their skills at a good standard of cricket. To find out more please email andyswallow17@gmail.com

Events coming up

Please support the club's future ambitions by getting involved with two events coming up...

NCCE Golf Day - 9th August

Our annual golf day fundraiser is always a fantastic event that helps support the cricket club's future efforts.

We have a limited number of spots available for teams and individual golfers (£150 per team, £38 per player). Entry includes pre and post round meals, 18 holes of golf and there are a number of prizes up for grabs.

If you enjoy a game of golf and fancy a great value day out at Beverley Golf Club, please email tsollins34@gmail.com for more details.

Family Day - 25th August

Join us on the Sunday of the Bank Holiday weekend for a Batting, Bowling and Barbecue bonanza! As our second team take on Hutton Cranswick we'll be serving afternoon teas, drinks and bakes for spectators to enjoy, while later on we'll fire up a barbecue and get everyone out on the field for a game of kwik cricket! Join us for what promises to be a fantastic afternoon from 2pm.

A BIG THANK YOU FROM WOMEN'S AID

Sam, from Hull Women's Aid, is overwhelmed by the generosity of North Cave residents. She says,

'Thank you for all the toiletries collected to be given, as starter packs, to women and children who have escaped an abusive relationship - leaving with nothing.'

Hull Women's Aid is the sole provider of safe and secure refuge accommodation on the North Bank of the Humber. Abuse can take many forms from physical to mental. Plus, it happens in all walks of life - class is no barrier. A huge thank you and please keep up the good work.'

In Hull the Police respond to 900 cases of domestic abuse every month. Women's Aid is there to support women and children experiencing/fleeing domestic abuse in our local area, providing safe accommodation and individual support to help them to live a life free from fear. Women often arrive with very little if any belongings so these supplies will help them.

If you would like to make donations for this cause, please pop them into the box at the WI Monday Café. Please be aware that the café

is closed for four weeks over the summer. The following list of toiletries will give you an idea of what is needed: Shampoo, conditioner, soap, tooth paste, tooth brus, comb, hairbrush, sanitary towels, tissues, nappies,

NEWS FROM MIRES BECK NURSERY

WE RAISED AN INCREDIBLE £4352.17!!!!

We want to say a massive thank you to everyone who came to our 30th Anniversary Fair in June. We raised **£4352.17**, so thank you to anyone who came down and purchased a plant, a tombola ticket, visited the craft stalls or even just had tea and cake. Also – a huge round of applause for our dedicated staff and volunteers who made the event a great success.

NGS OPEN DAY

We opened our gardens for the National Garden Scheme in early July. Although the weather wasn't great, we welcomed several new visitors to the nursery, and we sold lots of plants. For NGS visitors, there were exclusive talks, and access to the woodland walk and vegetable patch.

WILDFLOWERS FOR BALFOUR BEATTY

We have now supplied leading infrastructure company Balfour Beatty with over 8,500 Yorkshire provenance wildflowers for three of their depots. Our service users are involved at every stage the growing process, from gathering seeds to preparing for delivery.

AUGUST WOODCARVING COURSE

There are a limited number of places left on this three day course with Allen Stichler Woodcarving. It takes place over August 24th, 25th, August 26th and is £125 for all three days. The course includes hands-on instruction from a skilled woodcarving expert, all tools and materials provided, and take home a finished piece of your own design. To

It's surprising how many villagers are still unaware of Mires Beck Nursery. This is us:

All Saints, North Cave Bell Ringers

For centuries church bells have sounded, calling people to worship, in celebration of special occasions, in remembrance and to mark special events and these are still the bedrock for our ringing at All Saints.

We have quite a busy wedding schedule this year along with other special events that we have rung for, such as the opening day of the cricket club and the superb new patio area and prior to Barry's service of remembrance at the War Memorial to mark the 80th anniversary of the D-Day landings but of course our main focus is that of Sunday morning service ringing.

In April the band had a couple of days away ringing in North Yorkshire based around Whitby but also picking up the churches of Middleton, Pickering and Norton Juxta Malton, these towers had been well selected in advance for their fine peals of bells and, as it always seems to be on our trip away ringing both home and abroad, the weather was beautiful. Our fly away ringing trip this year is in October when we shall be spending five days on Guernsey, we just hope the bells are as fine as those in North Yorkshire?

Following our success in 2022 when we won the Joan Castle Memorial Trophy, which is awarded to the church/band which rings the most quarter peals within East Yorkshire in a year, we decided to take it easy in 2023 and didn't compete, but now, in 2024 we are back on it and leading our old friends and rivals from St Helens, Escrick. It is a big commitment for any band to try and reach around 50 quarter peals in a year, so this year we have decided to go for most of our attempts on a Sunday morning prior to the service, so hence the reason you may hear an early start from us from around 9.45am. To score a quarter peal we must ring a minimum number of changes in a method or several methods of our choice. It is not a given that every attempt succeeds. At All Saints we usually complete the number of changes in around forty-five minutes or so.

Without a doubt over the past ten months our minds have been on our £55,000.00 project to

install two additional bells to bring our marvellous ring of six bells to a full octave. This will provide better learning and achievement opportunities for the local band and other ringers from around the area, especially when worked alongside our East Riding School of Bell Ringing which we run from North Cave and our second Ringing Centre at Bubwith. Our full day ringing courses are always fully booked and attract ringers from all over Yorkshire and beyond, even the likes of Ripon Cathedral sent some of their ringers down to be trained by us, so the two additional bells are crucial for the development and continuation of bell ringing, both near and far and, of course, the audible benefits from around the village.

We have had a survey carried out by the Diocese of York, the church architect and a structural engineer and two quotations provided for this work, so all the ground work has now been completed and the faculty application has now gone off to York. We have had to make a few design changes along the way, with the main one being the installation of a low level secondary steel sub frame spanning between the North and South walls of the belfry internally, underneath the original 1919 bell frame. This new frame would be what the two new bell pits would sit on - so total independent of the existing frame, yet still side by side.

All Saints, North Cave Bell Ringers

The two new bells will be cast by Taylors Bell Foundry in Loughborough, the same founders of our original six and most importantly they will be cast on the same profile as the 1919 bells, with the main installation being carried out by Whites of Appleton from Oxfordshire. Our aim is to have this work complete by September 2025.

Fund raising has been going very well without us really having a big launch, this is being planned for the weekend of the 7th & 8th September 2024 with more information to follow. There are many grants that we can tap into too, but we have been blessed to have donations offered already to pay for the two new bells already, this is for their casting and tuning, we still have all the other engineering work to deal with.

Should you wish to help sponsor our scheme then please contact me at simonplows@gmail.com, we shall be bringing out several sponsorship packages from as little as you like

to £20 for a foot of bell rope, to some of the larger hardware items such as wheels, pullies and framework. On some items we can have individual names built into them, however, the plan will be to have a plaque displayed naming all of our sponsors within the church.

I would like to say a big thank you to Jill Marwood and her team for running two bingo nights for us at the Village Hall, which raised a total of £1,750.00, just amazing, part of the money raised will go to pay the structural engineer, so those who attended these nights, you now know where some of your money has been spent, again, thank you.

I would also like to thank Sharron and Sam from the White Hart for their kind donation and to all those who give up their time to put kind words about our ringing on the Community Facebook page.

Newbald Live Music & Events

News from Newbald Live

Newbald Live has an exciting and varied program of live events coming up at Newbald Village Hall in the latter part of 2024.

Tues 3rd Sept, 7.30 - An Evening with Miriam Payne.

Newbald Live are excited to welcome Miriam Payne to Newbald Village Hall. Miriam is a young woman from this area who hit the headlines in 2022 when she rowed solo and unsupported across the Atlantic, breaking the female solo race record for the Atlantic Challenge. We are delighted that Miriam will be here to tell the inspirational story of that voyage and describe what her next adventure will entail - let's just say that Miriam and her Seas The Day teammates are taking on a challenge that has been completed by fewer humans than have walked in space!

Presents:
An evening with
Miriam Payne
Newbald Village Hall,
Tues 3rd Sept 2024,
Doors: 7.00

ATLANTIC CHALLENGE
www.seastheday2022.com

This event is being presented by Newbald Live, and tickets are free but your seat must be booked in advance - ticket links for all our events are on our website: www.newbald.live

Sat 14th Sept, 7.30 start. Newbald Live and The Culture Train present a free showcase of local musical talent. Originating from the 2017 city of culture, The culture train presents free concerts around the area offering the very best of local musical talent across a range of genres. This is another evening funded by Newbald Live with FREE tickets (tickets must be booked in advance via our website www.Newbald.live).

Friday 20th Sept, doors 7:30 pm: "Set Menu" - the Best of George Egg

George Egg cooks amazing food while making you laugh. In the last few years he's toured three shows ('Anarchist Cook', 'DIY Chef' and 'Movable Feast') and cooked over a thousand dishes, all of them in front of a live audience, none of them with a kitchen. This is the best bits, the most delicious jokes and the funniest food. Three meals, cooked live, with comedy and you even get to try it at the end.

Tickets via our website or simply google: George Egg Newbald

You can save booking fees on tickets for all our events by signing up to our mailing list, meaning you'll also be the first to hear about new shows we announce - just visit www.newbald.live.

Countryside Concerns - no more :(

It is with great sadness and gratitude that we announce that Wendy will not be writing any more 'Countryside Concerns' articles for us.

She has contributed regularly since August 2012, which is an amazing run of 12 years. Every article has been an absolute delight of local knowledge combined with a love of nature, all wrapped up in some of the most beautiful language to grace these pages. How we would love to be able to write with the lovely turns of phrase that Wendy has shared with us over the years. She said:

Good morning editors, just to say I am retiring from my countryside articles and hope that some younger aspiring nature lovers will take up the role. My good wishes to you both for your tireless support for Village Link and I will continue to read it from cover to cover as usual. Love to you both. Cheerio Wendy

Wendy may write a special article from time to time. Our best regards for her well-earned 'retirement'.

We do hope that others will feel inspired to write in from time to time. Get your thinking caps on!
