VILLAGE LINK - 25th ANNIVERSARY EVENT

Who would have thought when we were planning to start up a community magazine, back in 1999, that we would

have still been here 25 years later?

Yet, here we are - continuing to serve the community which we all love. The editorial team felt that all the volunteers, who ensure that this little magazine can be published and distributed every two months - deliverers, contributors, and advertisers, deserved a little treat.

With that in mind, an evening event was planned and all the deliverers, contributors

and advertisers were invited. The little celebration was held in the Clubhouse at North Cave Playing Fields - our thanks to the Club for looking after us and their contribution. Polly and her team, from Nourish UK, provided and served some wonderful nibbles to go with the Prosecco, and the cake was made and decorated by Elizabeth.

Bill and Elizabeth shared a presentation that covered the history of the magazine and Councillor Aitken and the Vicar added some words of thanks to everyone for making Village Link so successful.

Thank you for reading this and supporting us with your news and events.

North Cave PreSchool

This term at Preschool our children have been busy exploring exciting new topics through play, creativity, and hands-on activities.

We kicked off March by celebrating World Book Day, with children dressing up as their favourite book characters.

Throughout the term, we have been diving into different themes, including minibeasts, where we've been learning about insects and their lifecycles, fantasy and adventure, sparking imaginations with magical stories, and space

and STEM, where budding scientists have been exploring the wonders of the universe and simple science experiments.

Looking ahead, we are excited to host our annual Easter Party at the Village Hall on Sunday 6th April. There will plenty of fun and games (and chocolate!), so keep an eye on our Facebook page for more details.

The local Bingo Night will be raising funds for us on Friday 25th April. It promises to be a fantastic evening with lots of prizes to be won, so bring your friends and family along for a great time while supporting our children.

Thank you for being part of our wonderful preschool community and, as always, please drop by during opening hours, if you would like to view our fantastic facility and meet our friendly staff!

World Book Day

In school, we provide opportunities for the children to develop a love of reading. On World Book Day, we enjoyed a day of reading and fun with the theme of 'Reading is Magical'. We invited the children to dress up as their favourite book characters. We certainly had a magical day, with characters ranging from Harry Potter, Willy Wonka and Belle to name a few.

50th Birthday!

We are looking forward to celebrating our school building's 50th birthday on 28th April 2025. To mark this milestone in our journey, we would love to see any photographs taken at school or see any memorabilia from the last 50 years. Additionally, if you would like to share any written memories with us, we would love to read them. We would appreciate it if you email any memories to:

admin@northcave-school.co.uk

STEM

As part of British Science Week, all of the children in school took part in various investigations and experiments linked to this year's theme of 'Change and Adapt'. The children shared their results and conclusions from their learning with the rest of the school in a special collective worship.

Visits to our school

We are extremely proud of our school and our provision and welcome the opportunity to show this to prospective families. If you have a child due to start in Reception, please contact the school office. We would be delighted to show you around and answer any questions that you may have.

SPECIAL EASTER SERVICES

There will be a service of quiet, meditation, prayer and Bible readings on God Friday at 2pm All Saints North Cave.

On Easter Sunday there is a joint benefice service at All Saints North Cave 11.00pm. Come along and celebrate our Risen Lord.

We extend a special welcome to those who are single, married, divorced, widowed, straight, gay, confused, well-heeled or down at heel we especially welcome wailing babies and excited toddlers. We welcome you whether you can sing like Pavarotti or just growl quietly to yourself. You're welcome here if you're just browsing, just woken up or just got out of prison. We don't care if you're more Christian than the most pious person in the land or haven't been to church since Christmas 10 years ago. We extend a special welcome to those who are over sixty but not grown up yet, and to teenagers who are growing up too fast. We welcome keep fit mums football dads starving artists, tree huggers latte sippers, vegetarians, and junk food eaters. We welcome those who are in recovery or still addicted. We welcome you if you're having problems, are down in the dumps or don't like organised religion. We offer a welcome to those who think the earth is flat, work too hard, don't work, can't spell and are here because granny is visiting and wanted to come to church. We welcome those who are inked, pierced, both or neither. We offer a special welcome to those who could use a prayer right now, had religion shoved down their throat as kids, or got lost in the wetlands and wound up here by mistake. We welcome pilgrims, tourists, seekers, doubters... And you!

Slowing the Flow in Everthorpe

You have probably noticed - something is happening in Everthorpe! East Riding Council (ERYC) Flood Risk team has created what we think is their first Natural Flood Management (NFM) project in East Yorkshire, on Everthorpe Road, to the east of the village (*front cover*).

What makes it NFM?

- Use of natural materials like logs and earth - no concrete!
- Storage is built-in - flood water can build up behind the logs, in shallow basins and in the ditches, slowing the flow when storms happen.
- Normal flow ('base flow') is not affected, so the fields and road drain as normal.

We are delighted to see this work, which is based on collaboration between West Wolds Slow the Flow, Everthorpe Forum and ERYC. We produced and agreed a plan last year and shared it with ERYC. ERYC has then checked feasibility, surveyed and determined where the barriers, basins and connections should go. The result should help to reduce flooding at the east end of Everthorpe. We are waiting to see if ERYC will implement other suggestions made by WWSTF and Everthorpe Forum for the rest of the village, along with new NFM changes to Ferry Beck and Watery Plump, which leads to South Cave (West End).

North Cave NFM

Meanwhile, if you have been on North Cave Playing Fields, you might have noticed another WWSTF project: we have worked with East Yorkshire Rivers Trust (EYRT) to create a swale to catch storm water. This used to run

off the playing field, flood the car park, run through the play area and then out into Church Street, adding to flooding further down Church Street/Blanshards Lane. The new swale connects into an old ditch at the side of the Vicarage, then goes east around the cemetery and finally down towards Drewton Beck via a small wetland. We are immensely grateful to the Vicarage and Hotham Estates for allowing this work to go ahead. It's all the same water, taking a longer route and Slowing the Flow!

Newbald and Drewton

We have also been working with EYRT in Newbald, with the Trustees of Pratt Wood; and building on last year's work at Drewton Beck, which garnered this response from Christian Carver, the land-owner: *"I feel sure the work done at Drewton helped slow the flow during recent high rainfall. I certainly noticed a difference to 'normal' regarding water level (and clarity) where Drewton Beck converges with North Cave Beck."*

Check the Becks

We are starting our training programme with EYRT for the "Check the Becks" project, with 15 volunteers from Newbald, North Cave, South Cave, Ellerker and Brantingham, covering the whole catchment. We will be sampling the chalk streams for river flies, which are a great indicator of the natural health of the becks, as they support the fish and other aquatic life. See the website Blog.

Finally...

We are developing more projects in Hotham, North Cave, and Ellerker. If you are interested in any of the above, we would love to hear from you!

The new swale at North Cave Playing Fields

North Cave WI
We have an exciting year ahead planned for North Cave WI.

We started the Year with a Bring and Share Party, to start our new year off in good cheer. February saw us learning new card games and the gentle art of pop up pirate - a firm favourite for all ages it would appear.

Some of our Ladies got together to organise a generous donation of girls and ladies toiletries and sanitary products to The Moorlands charity, based in Old Goole. The charity provide a community hub, children, young people and family services as well as a food bank and help to prevent period poverty. I am so proud of our member's efforts and the up-cycling of old blouses to use as personal bags for this worthy cause.

In March I gave a demonstration on

decoupage and all members were very pleased with their work, recycling glass jars and bottles into light-up ornaments.

In April we are having a talk from The Children's Air Ambulance.

We have many activities within the village and beyond including: the Monday Community Cafe, Tuesday WI Netball at South Cave, and on a Thursday our walking group are out in the countryside usually finding a finish at a tearoom.

We are also involved with Federation and national activities as well as The Big Green Week 7-15th June 'lets swap together for good'. Last year we organised a garden themed swap shop, this year.. more details will be available shortly.

We meet on the first Thursday of the Month in North Cave Village Hall at 7.30pm, new members always welcome.

North Cave in Bloom

As this article is written during the first week of March, we welcome the beginning of warmer, sunnier days and lighter evenings with Spring just around the corner. Daffodils, crocus, and tulips are blooming in the many planters and grass verges in and around the village, helping

to brighten up our days. For summer we will plant non-stop begonias and geraniums, purchased from our local Sand Lane Plant Centre.

North Cave in Bloom rely solely on donations to pay for plants, compost, fertiliser, wood etc. so we would like to thank Marjorams for giving us daffodil bulbs, North Cave WI for their continued support, residents who kindly donate raffle/tombola prizes and special thanks to the North Cave Bingo Team who once again held a Bingo night raising a grand total of £1010 for NCIB.

A number of NCIB members also deliver the Village Link magazine and, as such, attended the 25year anniversary celebration held in the Sports Club in February. This was an enjoyable, informative, well organised evening

with an excellent buffet, giving us the opportunity to thank Bill and Liz Blackledge for their hard work and commitment over the years. The village would be a poorer place without "The Link" and we have much to thank them for. It was a smashing evening leaving us

looking forward to the next 25 years! Well done and thanks Mr & Mrs Blackledge.

We are very pleased to welcome a new volunteer to our team, Marilyn Dobson, who lives in South Cliffe but regularly visits North Cave and appreciates the way we work to enhance the village. Marilyn is particularly keen to help with the wild flower bed at the bottom of Blossoms Lane so hopefully this area will be better than ever this year!

North Cave in Bloom are very grateful for all

the help we receive from our team of volunteers who clear, plant, weed etc., not forgetting our helpers who water and help to maintain our plants for us. If you would like to help us with planning, planting, or maintaining please contact our secretary Pauline Hornsey on 01430 424789 or email phornsey217@phornsey217.karoo.co.uk

NEWS FROM MIRES BECK NURSERY

It's the start of a new season, and our service users, now numbering around 100, have been very busy throughout the winter months in preparation. We've now re-opened to the public for plant sales 7 days a week March, and we're introducing more than 70 new species this season. This takes the choice of herbaceous perennials to well over 500, along with 50 popular herbs and 100 Yorkshire provenance wildflowers.

As well as garden centres across Yorkshire and Lincolnshire, we're proud to say that our wholesale customers now include Chatsworth House, Harewood House, 4 English Heritage and 10 National Trust properties.

NATIONAL TRUST VISIT

In late February we had a visit from National Trust retail managers and team leaders who had never visited us before. Coming from as

far apart as Fountains Abbey in North Yorkshire, East Riddlesden in West Yorkshire and Belton House near Grantham, they enjoyed a short presentation with a light lunch, followed by a tour of the nursery, when they met many of the amazing people who grow the plants they sell in their shops.

Photo: Our National Trust visitors with Debbie, Debbie, Kelly and Shaun in the wildflower glasshouse.

BULLDOG AT THE BECK!

We were also visited by Sarah from Bulldog Tools, who called in with another donation of quality hand tools, for which we are extremely grateful.

Everthorpe Forum

The Everthorpe Village Quiz was held in North Cave Village Hall on Saturday 22nd February and it was a well attended and successful evening with fourteen teams competing. The winners were Team Forlorn Hope (!) Fiona and Tony Cave and Paddy and Jane Greenwood.

Do you know which bird's feather the car manufacturer Jaguar uses to dust its cars before they are painted? (Answer below). The questions weren't all as hard as this!

In this lovely warm spring weather we had the village litter pick on Saturday 8th March and on Sunday 9th there was a wonderful turnout of adults and children in the Everthorpe Community Orchard.

Two hundred and ten hedge saplings were planted and watered in. These were a mixture of hazel, holly, crab apple, rowan, goat willow, blackthorn and wild cherry.

They had been generously donated by the Woodland Trust.

A start was made on a den using branches cleared from

the orchard's overgrown hedge.

The brambles have gone, snowdrops, aconites and bluebells have been planted along with some new fruit trees. Eventually all the fruit trees will be labelled with their names, what the fruit can be used for and when the fruit can be picked.

(Answer: Emu's feathers)

NCPFA are continually working to develop and enhance the facilities in the Clubhouse and on the field. You will have seen the drainage work (reported in West Wolds Slow the Flow) and the newly reinvigorated Cricket Square. There are other plans - of course. Later in the year, we hope to move the football playing surfaces, which will involve some more muck shifting, to reduce the slight conflict between football and the cricket square. Along with covering the ongoing costs of maintaining the Clubhouse and Field, the need for additional funds never ends - everyone can help and be part of the effort.

PLAY AREA

As you know the Play Area is fast approaching its 'use by' date. We are very grateful to those people who have already made a donation. We are delighted to say that the pot is slowly growing - we have passed the £500 mark! THANK YOU for your contribution! Every little helps and will show potential funders that we have support from the community.

If we manage to raise enough to do *everything* that we and the children would like to see, we need to be raising well in excess of £250,000. It sounds a lot but, hopefully, once we have been successful in obtaining Commuted Sums from ERYC we should be able to start applying for more serious matched funding. The more in the pot the more we can go after!

To make a donation just scan the QR code and follow the link to NCPFA Localgiving fundraising page:

Are you are a Dog Walker? - As well as continuing to pick up after your dog (*Thank You*); please consider making a donation of £20 per year to help towards the maintenance of the area.

North Cave Coal Exporters Cricket Club

North Cave Coal Exporters have enjoyed a productive off season as we look to build on the momentum of last

year and continue to ensure the cricket club is a positive force within the community.

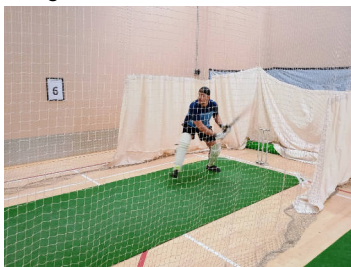

Practice makes perfect

We're delighted to have secured new signings for the 2025 season who will strengthen both our first and second teams, but we welcome anyone interested in playing cricket in 2025 to get in touch.

Our winter nets have been really successful, with members new and old coming down to Haltemprice Leisure Centre to develop their batting and bowling skills ahead of the new season.

Nets have also played an important role in developing the next generation of Coalies. We welcomed

between 15 and 25 youngsters to nets sessions every week in the close season, which bodes very well for the summer, when we aim to field teams at under 9, under 11 and under 13. If you have a young relative interested in playing or learning how to play cricket, please get in touch.

Making ground

If you've been down to the playing fields in recent weeks you may have noticed the cricket square is really coming along. We invested in the playing surface significantly last autumn, which saw the pitches stripped back, levelled and reseeded.

There's now a really good covering of grass and we're hopeful that the pitches will offer better pace and consistency of bounce in the summer.

Dates for your diary

26th April - First home game of the season, 1st XI vs Kirkella. Home games most subsequent Saturdays, please keep an eye on our social media channels for more up to date information.

16th May - Fundraising Sports Quiz. Join us for a fun evening at the North Cave Social Club to test your sporting knowledge, taking on teams from NCCE and North Cave FC! All funds go towards the play area renovation.

16th May - All-Stars (5-8 year olds) and Dynamos (8-11 year olds) junior coaching begins. Visit our social media channels (@NCCoalies) to secure your child's place

8th August - NCCE Golf Day. After a fantastic day last year we're once again booked in at Beverley Golf Club for our annual golf day. Look for more details on our social media channels soon.

Remembering Sophie Goode

In February we were devastated to hear that one of our members, Sophie Goode, passed away following a road traffic incident in the Nottingham University campus, where she was a student. Sophie, 18, has been part of the Coalies family for many years and began playing regularly for us in 2021. A talented young bowler, last year she won the Best Bowler Award for our Midweek XI. The Coalies family are all sending our thoughts and prayers to Wayne, Wendy, and the rest of the Goode family at this most difficult time. We hope to announce a club tribute to Sophie later this year.

Newbald Live @ Newbald Village Hall

Newbald Live's 2025 programme of live music and comedy continues with some great shows coming up

soon and a couple of top announcements for the summer.

Saturday 5th April, Doors open 7.30:
Lynne Hanson (+ support: Gracie Falls)

We are delighted to welcome back Lynne Hanson, Canada's own Queen of Americana: Too tough for folk and too blues-y for Country, expect a range from sunshine blue sky ballads to gritty American swamp, underpinned by her unique poetic, songwriting. Opening the show for Lynne is well known local rising star, Gracie Falls.

Tickets £15 from www.newbald.live.

Friday 11th April, Doors open 7.30:
Scott Doonican

After a sellout show here last year, Scott Doonican is back! Promising a high energy,

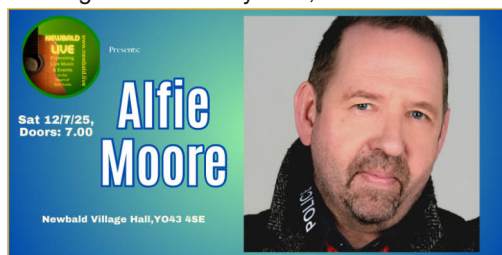

hilarious evening featuring songs you will sing along to, even though the words aren't quite what you expected. You will laugh, you will cry (with laughter) and then you'll laugh a bit more. Tickets £17.50 from www.newbald.live

Saturday 10th May, Doors open 7.30:
Sounds of the Sirens

Sound of the Sirens are an acoustic singer-songwriting duo based in Exeter, Devon comprising of Abbe Martin & Hannah Wood. Honing their craft over the past decade, Martin & Wood have cemented themselves as firm favourites not only on the West Country scene, but nationally, and internationally too. A Sound of the Sirens show will leave you in awe of Abbe & Hannah's musical abilities and thoroughly uplifted by the fun they bring to their show, whether on the main stage of a major festival or a more intimate room.

Looking forward to July 12th, we welcome

nationally renowned comedian, Alfie Moore. Copper-turned-comedian, and star of BBC Radio 4 hit 'It's A Fair Cop',.

Alfie is coming to Newbald Village Hall with a warm-up preview of his brand-new tour show. Topics covered will include: How to stave off the apocalypse... How to save UK policing... And how to avoid the potholes on the A15. We're already close to a sellout... don't think about it for too long before booking your tickets!

And on September 13th, we can look forward to the amazing Track Dogs, a high energy multi-national, multi-instrumental four-piece band who will raise the roof! Tickets on sale now!

Remember, you can sign up to our email list on our website, offering the chance to save booking fees on all tickets.

If you move to another part of the country or undergo a change of personal circumstance joining u3a can be a great way to get to know new people in an unpressured, social setting.

Caves u3a's aim is to provide interesting things for retired people to do in their free time on weekdays.

Our regular Interest Group meetings include:

- French Conversation,
- Craft,
- Creative Writing,
- Discussion,
- Bookworms,
- Patchwork,
- Quizzes and many more.

If you search for our website, caves.u3asite.uk, you will find more information and the full range of activities that we currently offer.

To make contact you can send us a message to u3aHeatherTurner@gmail.com

If you prefer to contact us by phone please call Heather on 01430 424835.

Have you got a guitar tucked away in a cupboard?

Did you always mean to learn to play but never got round to it?

Do you already play the guitar but would like to practice and play with other guitarists?

After Easter we plan to set up a Caves u3a Guitar group, meeting in Brough. All you need to join us is a guitar and a capo. Our tutor has played the guitar for many years and now that he has retired he is willing to help others to learn to play.

Please let us know if you are potentially interested now so that we can find a suitably sized venue. We will send you more information in Spring.

To register your interest please give your name and contact details to Heather Turner on 01430 424835 or send an email to u3aHeatherTurner@gmail.com
