It has been said that Socrates and Aristotle each taught for 40 years, Plato for 50 years, but Jesus for only three. Yet his influence far surpasses the combined 130 years of teaching by these men who are acknowledged as the greatest philosophers of all antiquity. Jesus painted no pictures yet the finest paintings of Raphael, Michelangelo and Leonardo DaVinci received their illumination from him. Jesus wrote no poetry, yet Dante, Milton and others of the world's greatest poets were inspired by him. Jesus composed no music, yet Hayden, Handel, Beethoven and Bach reached the highest perfection in hymns, symphonies and oratorios composed in his honour. Jesus is quite simply the greatest teacher who ever lived

WOW Day!

WOW days are an important part of our curriculum and allow the children to immerse themselves in their new topic at the start of each half term. At the start of September, the children in Classes 1 and 2 spent a day making houses and looking at the diary of Samuel Pepys whilst learning about the Great Fire of London. As part of their learning about Ancient Egypt, the children in Classes 3 and 4 learned about mummification, used hieroglyphics and experienced an Ancient Egyptian feast!

Curriculum Developments

In September, we were pleased to launch our new Phonics scheme, Little Wandle. As part of this, we have purchased a full new reading scheme which consists of a range of exciting and engaging texts. The children and staff are really enjoying these and the scheme is already proving popular!

New Starters September 2026!

We are extremely proud of our provision. If you are looking for a Reception place for September 2026, please contact the school office. We would love to show you around and answer any questions you may have.

Class 1

It has been a busy summer in school as we have completed several building projects. Perhaps the most exciting of these has been the redevelopment of Class 1. This has involved the purchase of new furniture, play equipment and the installation of a door to a new play area to the side of the building. This has allowed for quality play, both inside and outside, as the children move between the two areas.

Everthorpe News

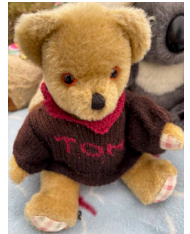

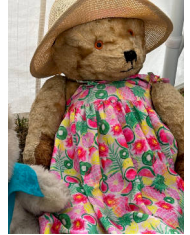

Thanks to a generous donation from the late Sandra Thornham and her husband Martin, both former residents of Everthorpe, it has been possible to repair the remains of the dry stone wall at the north east end of the Everthorpe Community Orchard. Additionally, and because of a successful grant from the National Lottery Community Fund, the original wall running the length of the orchard, which had been taken down and replaced with an unsafe stretch of fence has been beautifully rebuilt by James, Sandra and Martin's son, restoring the wall to its former state.

Orlok, one of the forty-five artfully painted rats from the "Mischief of Rats" trail, in aid of Dove House Hospice, has left the orchard but he has had lots of visitors, some of whom used the orchard for a picnic and also collected fruit.

On the 20th July we had a Teddy Bear's

Picnic which we had to have inside a tent, as it was a really wet day - one of the few this summer. This included voting for the best-dressed teddies.

On 5th October, from 1pm, we celebrate the Community Orchard's first birthday with

an Everthorpe Apple Day. There is an apple pie baking competition, using apples from the orchard, and a hook an apple, Stack an Apple and Peel an Apple games accompanied by coffee and, of course, apple pie (from the competition) and the opportunity to collect and press some fruit.

People are welcome to picnic in the Community Orchard on Low Road and to pick fruit. All the trees are identified with a label showing the name of the tree, what the fruit can be used for and when it can be picked.

Once again, we've had a very busy year at North Cave WI.

We have enjoyed a packed programme, as well as supporting the community and many local charities. Our hard working volunteers at The Community cafe, North Cave village hall will be back in action from Monday 15th September, during term time.

We will be busy getting ready again for Remembrance Day and providing the beautiful poppy display and soldiers, all lovingly made by our members. Have you wondered what the different colours mean? **Red** is for Remembrance and hope, **Purple** is for animals that are used during war like horses, dogs and pigeons. **White** poppies represent all who have died during war, it's also a sign for peace and how we should look at the acts of war. I'm sure the village really appreciates the renovation and cleaning works carried out by NCPC at the War Memorial.

Our **Halloween trail** will be going ahead on 31st October, please make sure you're added to the Map by emailing editor@villagelink.info or messaging our WI phone 07359 720578

We are excited to be organising a children's **Christmas Party** this year on 20th December 2-4 pm at NC Village Hall for primary school age school children (replacing the Santa sleigh).

There will be Entertainment , food and craft activities (the big man may also be paying us a visit!) **PLEASE BOOK A PLACE** (so we know numbers) **AND ADD ANY DIETARY REQUIREMENTS.** **RSVP** is essential on 07359 720578 or email us.

To be part of the **WI INSPIRING WOMEN** please contact Michelle Simpson 07359 720578 or email Northcavewi@eastyorkshirewi.org.uk

North Cave in Bloom

North Cave in Bloom would like to thank all the volunteers who have cared for our stunning summer bedding plants this year. Although we have enjoyed a wonderful summer, the lack of rain has made

it hard work and without the volunteers regularly watering we could not have sustained such beautiful displays.

We also appreciate the stunning displays around the War Memorial, which complement our planters. These are organised and paid for by North Cave Parish Council.

NCIB rely solely on donations, so we are very grateful to the Bingo Team, who once again,

are holding a **Bingo night for us on 14th November.**

This will bring in much needed funds, but we do need many tombola prizes to raise extra money from this event, so please get in touch if you can donate suitable prizes.

We do enjoy our work in keeping the village blooming and hope it gives you pleasure too, if you have any comments, ideas and tombola prizes please get in touch by contacting Pauline:

Playing Fields and Sports Club AGMs to be held

**13th OCTOBER at 7.00pm
in the Sports Club House**

The playing fields at North Cave are run by a charitable trust for the benefit of all people in North Cave and the wider area. The Playing Fields Association is self-funded through the running of events, donations and the operation of the sports club which has a separate committee. It supports many sports teams of all ages and levels and is a vital community asset.

We are always looking to improve and expand the facilities for the village and need new people to be involved in this ongoing development and the management of the PFA to be able to do this.

Everyone is welcome to attend to find out more about what we do.

If you would like more information about what is involved with being a member of either Committee or simply just offering some time for a dedicated purpose, please contact me on

northcaveplayingfields@gmail.com

and I will let you have any information you might need.

John Backhouse

Hon. Secretary, North Cave Playing Fields Association and Sports Club

For this issue of the *Village Link*, we want to share just how much amazing support we receive from our local community.

"Many people still don't know that Mires Beck exists here in North and South Cave, and support like the *Village Link* helps us grow our reach so we can continue providing opportunities for our amazing service users. We're always looking to build stronger

connections across our community. If you'd like to get involved with Mires Beck or involve us in your next project, we'd love to hear from you."

South Cave 10k

Last week in August, we had the pleasure of welcoming the South Cave 10k team to Mires Beck, where they hand-delivered an incredible cheque for **£1,225** raised at this year's event!

This fantastic total came from entry donations, t-shirt opt-outs, and the generosity of individual supporters.

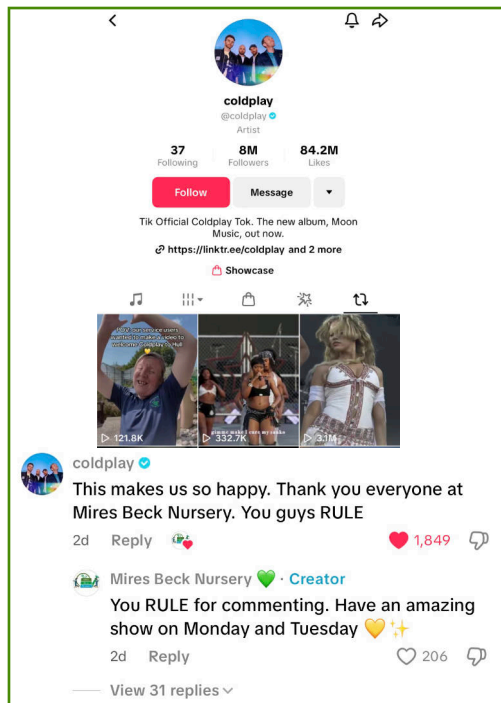

We're also so grateful for the awareness this brings to Mires Beck. Many in our community still don't know we're here in South Cave, and

this kind of support helps us continue to grow.

If you'd like to get involved with Mires Beck or include us in your next project, we'd love to hear from you.

Social Media Spotlight

Our service users had a brilliant idea to create a welcome video for Coldplay ahead of their Hull concert.

The video quickly went viral, reaching **over 180,000 views**, hundreds of comments, and even a repost from Coldplay themselves to their **8 million TikTok followers!**

This amazing response has shone a spotlight on Mires Beck and the wonderful work our service users do. Thank you to everyone who has shared and supported.

You can find the video on our social media channels.

AGMs - 13th October at 7pm

The Playing Field Association and the Social Club are holding their AGMs. If you would like to find out more - come along and ask or even offer help. You might feel that you don't have a lot of time to give but every little helps - maybe just for an event like the Gala Day, fund raising, or to lend a hand when needed.

Future Plans

The playing fields play host to four football teams, two senior cricket and two junior cricket teams and are now extremely well used. Around 20 years ago, the playing surface was extended to create two football pitches when part of the adjacent field was rented from the Carver family.

At that time there was not as much pressure on the field and minimal conflict between the cricket and football interests. Since then, the playing surfaces have not changed but the increased use of the field throughout the year, combined with the playing success of 'the Coalies' (aka North Cave Coal Exporters Cricket Club) and their hard work to revitalise the cricket square, has brought into focus the conflict between the cricket square and the nearest football pitch.

With this in mind, the decision has been made to carry out some groundwork to extend the football playing surface further south towards the Everthorpe Lane side of the field. At the same time, it is planned to create a swale along the southern boundary (similar in character to the one along the car park boundary) to help catch runoff from the field heading towards Everthorpe Lane. This will help generate material to adjust the levels along this boundary to enlarge the playable surface for the football pitches. Once all this has had time to settle down and grow a good grass cover, it will be possible to re-mark out the pitches and move them further away from the cricket square and reduce the issues of the square being damaged by football spectators.

The recent safety inspection has highlighted the fact that the existing play area is very fast reaching the end of its life. We have had to take unsafe items out - sadly leaving gaps. It is becoming urgent that we raise the necessary funds to allow us to have a **new play area in place before next summer**.

We have been successful in receiving confirmation of funding from the S106 Commuted Sums - due as a result of the new development on Fountains Way. This, combined with other funding grants, fund raising activities such as the Bingo (grateful thanks to Jill and her hard-working team) and the generous donations on the LocalGiving page to date, means that we are **well over half way** in our efforts to raise funds needed **but need more!**

Funding bodies now ask that we show that we have other sources of funding to cover at least 10% of what they are giving to us. This is complicated because we have to make sure that we don't use the same money twice. So far we are managing to meet this demand but having donations, from individuals and companies that do not require this condition, makes it easier for us to meet this requirement.

We continue to fill in applications but we need people and companies to help. Everything donated, either directly to the NCPFA or through the LocalGiving page will help.

We would like to thank those who have already given and those who are donating a small amount regularly. It all helps! The more we get the closer we are to being able to hit the **GO Button!**

North Cave Coal Exporters Cricket Club

It's been an enjoyable and interesting season for our first XI, the team ending the season placed 3rd in Holderness Division 1.

This should put the team in line for promotion, which is a really exciting development and will see the team competing in the Championship next season.

After a tricky run of results through July and the first half of August, the last two weeks saw the Coalies firsts' form return with strong batting performances from James Barker and James Forrester in particular and electric bowling from James Rounding!

August Bank Holiday Monday brought a great finale to the second XI's 2025 league campaign, with a well deserved win over Kirkella, at Church Street. The 37 runs victory cemented a third place finish in Division 3 Holderness for the Seconds, which unfortunately due to a change to league rules does not see the team secure promotion.

The final and eighth league win of the season brought up almost 350 league runs for James Morris, and saw Paul Gale and Dan Kemp hit over 200 league runs. Both Raj Roy and Andy Reeves finished with 19 league wickets, including a career best return for Reevesy of 8 for 42 against Middleton & North Dalton in May. Andy Swallow took 13 dismissals behind the stumps, and two juniors, Austin Bailey and Andrew Flockhart, made their senior debuts for the Coalies, with Andrew claiming his first senior wicket against eventual league champions Zingari.

Other highlights towards the end of the season included a hugely successful Under 9s Junior Festival on 17th August, which was brilliantly

supported and saw more than 60 youngsters from around East

Yorkshire enjoy softball cricket at the Playing Fields. Huge thanks to the NCCE members, Trust volunteers and everyone in the community who helped make the day such a success.

The same day Coalies members joined our friends at Cottingham Cricket Club for the Remembering Sophie Goode day. Raising money for the ECB's Chance to Shine foundation, the event paid tribute to Sophie, who tragically passed away in February. It was great to see so many clubs from around East Yorkshire send representatives and turn out in support of Sophie, her friends and family.

August also saw the annual NCCE Golf Day, generously supported by Wolds Engineering. Thank you to the 50 golfers who took part, raising much-needed funds to support club activities.

With the playing season now at an end, we have two important events to come. Our Presentation Evening will take place on 17 October at the Social Club and our AGM is on 3 November. If you are interested in supporting cricket in North Cave, either by playing or volunteering, please contact NCCE Chair Andy Swallow to find out more - andyswallow17@gmail.com
