Welcome New Councillor

We welcome our new member Councillor Lauren

Brookes who joined us in December, we all look forward to working with her and embracing fresh ways to enhance village life for 2026.

Millennium Walk

During February the Parish Council will be reviewing the consultation forms completed by our residents and following this a draft plan will be prepared considering comments received from our residents. This is the first time the Parish Council has done this, and we thank all our residents for taking time to complete their forms. Following a Tree Report obtained by the PC it has been necessary to carry out some tree maintenance work. We do apologise for any inconvenience this caused to residents whilst this work was carried out. We wish to particularly thank the resident who provided the workers with hot cups of coffee on a very bitter cold day. Thank you.

Village Traffic

The PC have been working with North Cave Traffic Calming Group and there is a meeting organised including persons such as the ERYC Senior Traffic Engineer, Head of Highway network management and Ward Councillors to discuss potential traffic calming measures. We are hopeful for developments in 2026!

PC Website

We are keen to help advertise any non-profit making organisations within the village on our website, so if you have any upcoming events for 2026 or if you would like some space on the website do contact the Clerk for further information.

Current Planning Applications:

25/03221/PLF: Erection of single storey extension to rear following demolition of existing outbuilding and porch, construction of dormer window to rear and roof-light to front at

24 Church Street, North Cave.

25/03588/PLF: Conversion of and installation of wood cladding to 2 steel containers to form accommodation for site staff, 24 hour site security, office use and one bedroom living space (Retrospective application to extend temporary period approved under 23/00326/PLF by a further 24 months) at Land South Of Bells Fold, North Cave.

25/03516/PLF: Erection of detached outbuilding with associated works at Cavewood Grange, Common Lane, North Cave.

25/03058/PLF: Erection of an extension to existing stable block to allow for additional facilities for guest accommodation with associated works following demolition of existing orangery and courtyard walls (in conjunction with 24/00029/PLF) at Hotham Hall, Main Street, Hotham.

25/03059/PLB: Listed Building Consent for erection of an extension to existing stable block to allow for additional facilities for guest accommodation with associated works following demolition of existing orangery and courtyard walls (in conjunction with 24/00030/PLB) at Hotham Hall, Main Street, Hotham.

Upcoming Treework Applications:

25/03542/TCA: NORTH CAVE CONSERVATION AREA - Fell 1 no. Willow tree (T3) due to rot pockets in the main union with some of the main secondary growth stems leaning over the neighbouring property, and included bark at 20 Nordham, North Cave.

All Saints, North Cave Bell Ringers

Following nearly five years of planning; from 25th January 2026, the bells at All Saints will fall silent for around five weeks, to allow our bell project to be realised. This will augment our existing ring, of six bells, into what will be a truly fine ring of eight bells. Apart from the all-important fund raising; we also held many meetings with the Diocese of York, architects, structural engineers, bell hangers, stonemasons, bell founders and bell advisers, as the planning for such a project with a Grade 1 listed building must be meticulous. Great detail had to be gone into, to ensure that we deliver a truly sympathetic installation, not only for us (the village) but also for future generations.

Hopefully no stone has been left unturned; everything from making sure that the two new bells were cast by the same company as our original bells back in 1919, within the same foundry hall, using the same outer bell mould casings, to keep the bell profiles the same, right down to the stonemasons selecting the new mortar to match that of the existing, along with changing our specification of the pad stones to that of York Stone.

At the end of the day this is a £60k engineering project that involves lowering and lifting of steelwork, old bells and new bells, 50ft up into the third-floor belfry of a Grade 1

listed building, a job that will be in the safe hands of our bell hangers, Whites of Appleton from Oxfordshire.

Our thanks again must go to the individuals, village groups, ringing societies and associations who have made this project financially possible.

Please note that the church clock will be out of action during this period. It is, also, worth pointing out that our church clock is of historical interest! I only found this out myself around a year ago, I shall share more details in the future.

In early January we held a six-hour training workshop at All Saints, which was hosted by our Ringing School. These workshops provide ringers with a blend of both theory and practical sessions - with ringers joining us from Market Weighton, North Ferriby, Hessle, Nafferton, Bubwith and Spalding Moor, it clearly shows the importance of North Cave as a Teaching Hub for this fine ancient art of English change bell ringing.

Simon Plows
Ringing Master

Hotham Line Dancing Group

Hotham Line dancing group will have been going for three years on 9th January 2026!

We have had Hoedowns and Christmas meals from the proceeds of the refreshments funds.

We have had lots of fun and giggles along the way.

It's hard to imagine as time seems to stand still ... In some respects ?

I remember placing a post on social media asking if anyone would be interested in coming along on a Monday evening 7-8.30 pm @ Hotham Village Hall ... that night I waited in anticipation to see who if anyone would turn up!

It's been a brilliant journey for me and I know the group is going from strength to strength a warm welcome awaits any one new who wishes to come along no age restrictions...

For me ... well I'm starting a new adventure in Cyprus!

In fact I'll already be there by the time you read this as I flew out on 02/01/2026 to start my new life.

I can't thank everyone enough for helping to build the group's strength and, in particular, the Village Link for advertising our events!

It's only left for me to say I'm so proud of us all and goodbye.

**Kind Regards
Caroline Dennis**

Duck Derby

A quacking night out was had by all who attended the 'Duck Derby' at North Cave Village Hall. Whilst having great family fun and loads of laughs, a grand total of £500 was raised for local charities. A huge thank you to all who attended and, yes, another one will be organised. Watch out for the posters going up around the village later in the year.

Thank you to all the very kind people who have sponsored and helped to make this event a great success!

North Cave Preschool

Before Christmas the children learnt all about winter and had fun doing Christmas activities including a

letter to Santa and making decorations to take home. We enjoyed a Christmas party in the last week of term too!

Last term we ran our Christmas Raffle which helped us raise funds for preschool, thank you to all who donated prizes to us. We had lots of generous prizes including gift vouchers for days out, experiences & pub meals along with hampers, bottles of wine & chocolates.

Final thank you to all who supported us by purchasing tickets, it is very much appreciated & we wouldn't have been able to do it with you!

With the money raised last year through our fundraising efforts, we have been able to invest in the garden area. We had some sleepers & bark chippings removed and the area made safe for the babies to venture out in, it is now also better to access in all weathers.

This term we have a number of topics including looking after the environment, exploring space, under the sea, Arctic animals and minibeasts then finishing off with Spring & Easter before we break up for the Easter Holidays.

We have limited places available now but we still have an open door policy if you would like

to call and see us, we are open Monday – Friday term time only.

Our next event is an 'Easter Fayre & Coffee morning on Sunday 22nd March 10am – 2pm at North Cave Village Hall. We are looking for stall holders please email

New Year Wishes for the World

We have been thinking about New Year wishes for the world and we would like to wish you a Happy New Year from all of our children and staff. Below are some of the wishes from our youngest children:

I WISH EVERYONE CAN BE WARM IF THEY GET COLD.

I hope everyone has good health.

I wish for everyone to have a home.

I would like everyone to be happy and look after each other.

I hope that everyone has fun and enjoys laughing.

The Den

Breakfast Club and After School Club

Within school, we are proud of our before and after school clubs which are always well attended by our children. Last year, we were proud to be selected as an 'early adopter' for the Government's new free breakfast club initiative. Though parents are able to pay for their children to access our existing breakfast club from 7.45am each morning, all children are welcome to join us from 8.30am for a free, healthy breakfast alongside their friends. This initiative has proved extremely popular!

The North Cave WI have enjoyed a very active year in 2025 with activities including games nights, poetry writing, crafts, Lindy Hop, and various talks from the Children's Air Ambulance, Martin House Hospice and Ancestry.

We have been involved with our Federation at their biannual meetings and attended the national conference via zoom. We've also helped with various craft activities throughout the year.

Our Monday Cafe continues to thrive with a new helper coming forwards. We offer term-time light lunches good company and we thank all our regular regulars for their continuing support.

ups) to enjoy. It is something unique in the area and we are so grateful to all the households, who took part, for putting on such an amazing spectacle. We hope the 2026 event will be even bigger and better.

We donated and decorated a tree at Cliffe Church for their biennial Christmas Tree festival and held a very successful Children's Christmas party in the Village Hall.

This year, as well as all our regular monthly meetings, we are organising a Scarecrow Competition. There will be prizes for the best three displays. Please see advert, below, for further information. Details about how to enter this competition will follow in due course.

SCARECROW TRAIL COMPETITION

STARTS 25TH MAY 2026

DETAILS OF HOW TO ENTER TO FOLLOW

THEME "MUSICALS"

Everthorpe Lane

If you have been down Everthorpe Lane in January, you can't have failed to see the road closure signs or the works starting.

As shown on the front cover, from mid-January, ERYC Flood Risk contractors were busy working on Everthorpe Lane as part of the drainage improvements to Littlemoor Drain.

We are immensely grateful to the ERYC Flood Risk Team for finding the funding and implementing this scheme. We have slight reservations in that, due to the constraints faced by the Council (working only on Highway land and not removing any soil from the site for cost reasons) the design has limited capacity to 'slow the flow', and is perhaps better described as 'direct the flow'. A new ditch on the north side of the Lane will catch most storm-water coming off the fields, whilst the ditch on the south side will have 'leaky dams' to help slow some of the water. The two sides will be connected with a pipe under the road to allow all the water to flow into the ditch which connects to Littlemoor Drain. Together with improvements already carried out at Finkle Street, to re-direct Littlemoor Drain into a relief drain towards Mires Beck, the overall result should be considerably more protection against property flooding at Everthorpe Lane and Finkle Street. Well done, ERYC!

Fishponds and Drewton Beck

As noted last time, we will be working with East Yorkshire Rivers Trust on leaky dams and habitat works upstream of North Cave, along Drewton Beck, as well as habitat restoration at a designated Local Wildlife Site, the 'fishponds' near Blossoms Lane. Anyone who knows the muddy footpath between Blossoms Lane and Townsend Lane will be pleased to know that we are negotiating with ERYC Rights of Way team, to install a length of boardwalk in the section nearest the fishponds. Due to cost, its length will be limited, but it is a start! Thanks again to the Carver Estate for being willing to consider our proposals along the Becks.

Hotham

We are scheduled to discuss watercourse enhancement at Hotham Park - another 'watch this space' for what we hope will be good news.

Elsewhere

We previously mentioned working at Wooddale, above Ellerker. Planning, which is complicated, progresses! We are also talking to landowners and flood risk agencies at Newbald, in another work-in-progress. We have also considered projects at Skidby and Driffild, as the usefulness of the 'Slow the Flow' approach becomes more widely recognised. You never quite know where any conversation will lead, but the important thing is to have them.

Finally, we had a great discussion with the new Yorkshire Water 'Rivers Health Team', which we hope will herald the start of a productive relationship with this important Flood Risk Agency. With their help, we can also refresh our 'Check the Becks' project, and possibly look to do some 'Balsam Bashing' this summer, to help prevent the spread of this dangerous invasive species.

Interested in joining-in? Get in touch!

'Kick sampling' in North Cave Beck. Below, one of the beautiful results (a bullhead, typical of chalk streams)

North Cave Coal Exporters Cricket Club

HELP NEEDED WITH TEAM TEAS

North Cave Coal Exporters CC are looking for brilliant bakers interested in keeping our tradition of legendary cricket teas alive.

Unfortunately we have lost the amazing services of our previous tea makers. Would you be interested in crafting some perfect pastries, super sandwiches and cracking cakes to cater for cricketers, umpires and scorers on our 2026 match-days?

The ask

We're hoping to find one or more people keen to prepare a buffet spread for 22 players, plus 2 umpires and 2 scorers, for our 2026 home matches. The food could include hot or cold items, with a vegetarian option and a cake or tray-bake for dessert – but what that looks like is totally up to you!

We have two Saturday teams, typically with one team playing at home per weekend - amounting to around 20 match days between April and September.

Previously we have split tea preparation duties, with one caterer taking charge of the first team teas and one for the seconds – effectively a one weekend on, one off rota.

We typically pay our tea preppers £80 per match but would be open to negotiation, if required. However, as a not-for-profit community sports organisation we do try to keep our running costs to a minimum.

If you're interested in helping us out – getting lots of thanks from hungry cricketers, and who knows, maybe even a nomination for [Cricket Yorkshire Tea of the Year?](#)* - in the process, please contact:

First Team Captain **Andy Kingston**

Email: andykingston@yahoo.co.uk

Mb: 07817 594951

for more details.

North Cave Coal Exporters Cricket Club

October saw North Cave Coal Exporters CC celebrate a fantastically successful season for the club. In 2026 both our Saturday

senior teams will be playing at a higher level, the firsts promoted to the YPLN Championship and the seconds appearing in the YPLN Second Division.

The evening was a chance to reflect on some fantastic team and individual performances, but a huge step forward for the club was the first ever Juniors Presentation Evening, in which some of our 60+ junior members were recognised for their progress in 2025. Especially poignant was the presentation of a special award, established this year in memory of Sophie Goode, a young Coalies cricketer who tragically passed away in February this year. This year's award was given to Olivia Giermanska in recognition of her dedication to improving her game in 2025. Olivia also received a £50 bursary to support her development. Thank you to Keith and Linda for their support with the evening at the North Cave Social Club, and for everything they have done to help us throughout the season.

Another huge thank you was made to Club Chair Andy Swallow, who has chosen to stand down as Chair, Second XI Captain and NCCE Committee Member. Incoming Chair Henry Green said: "NCCE CC wouldn't be where it is today without Andy's tireless commitment, energy and passion for the club. Though he is stepping down from administrative duties we're delighted that he will continue to be available for Second XI fixtures, and we look forward to seeing him at Church Street for many years to come."

Looking to the future

Our AGM on 3rd November saw the 2025/26 committee members agreed, reflections on the season's successes, and discussions around a host of issues that will help the club move forwards, including the positive working relationship with the North Cave football teams, ideas to improve facilities, the potential for developing women's cricket, keeping the

momentum going on our junior programme and lots more.

You can read more about the club's future ambitions in the NCCE 2025-26 Development Plan, which can be found on our website:

https://northcavece.play-cricket.com/doc_details?doc_id=53588&keywords=&page=1

Want to get involved?

There are lots of opportunities for people interested in supporting our vision – **to create a thriving cricket club that promotes the best interests of the game to all levels and sections of the community in and around the village of North Cave.**

If you would like to find out more please get in touch with our North Cave Playing Fields Trust representative, **Tom Collins** –

Funding and Suppliers

As reported in the last edition, the Playing Field Committee sub-group continues to complete funding application forms. No quick job these days - the funders want to know so much more information than they did around 20+ years ago for the current play area.

Just before Christmas, we were disappointed to hear that we had been unsuccessful with the Local Place funding bid. It would seem that we did not fulfil their criteria for measurable outcomes. How does one measure the success, or otherwise, of a play area? Perhaps we should take up residence on the area and count everyone who uses the space now and after the new area is in? All we can say is that, despite it being old and a bit past its sell-by date, it is still well used by children. Once we have our beautiful new play area, we would expect to see more people using it. Despite this set-back, we will continue to seek opportunities and complete more applications.

Our equipment suppliers have reassured us that they will do everything they can to help minimise the expected cost increases, but we will still have to spend more than originally anticipated.

Local Funding

Unfortunately, local businesses have been resoundingly silent when approached for donations. If you work for a local business please can you encourage your employer to consider making a donation. We will be more than happy to acknowledge the donation on a plaque at the end of the project in the same way as we have for the patio funding. Having said that, the patio plaque has had to be redone because we discovered that someone had been missed! It will be added to the Clubhouse wall before too long.

LocalGiving Fund

We continue to be extremely grateful for your support, shown through the LocalGiving site. Since we started our appeal in, October 2024,

we have received £1668. The average donation has been around £25 but we have also received individual donations of £100 and one of £500, which is extremely touching. We are pleased to receive any size of donation - if possible, add Gift Aid to your donation. The value to the fund increases, without any extra extra cost to you. To make a donation scan the QR code (above) and follow the link to NCPFA Localgiving fundraising page:

<https://localgiving.org/north-cave-playing-field-association>

Planting Field Trees

The sad decision has been taken that the Poplars on the western boundary will have to be removed. The roots are becoming a liability for the safe use of the football field and will be more so once the pitches are finally relocated further south, away from the cricket square. In addition, the leaves and twigs that blow out regularly in high winds create more issues for the football teams. It has been agreed that more appropriate tree species will be added to the surrounding boundaries to help provide shade and eventually act as wind breaks.

The signature Ash tree on the Cricket field will be appropriately pruned, to retain it as a veteran tree. It is hoped that this will encourage it to continue to regenerate in the lower levels and eventually create a smaller tree. This tree marks an ancient field boundary from the days before the playing field was created and, as such, is an historic landmark in the village landscape and a unique feature of our field.

North Cave Sports and Social Club

TIME TO RENEW YOUR MEMBERSHIP

It is now time to renew your membership of the Club and, if you are a Dog Walker, make a donation towards the upkeep of the field. See the side panel for details of how to pay.

Dogs

I know some people question the request for a donation from dog walkers. However, it should be noted that the Football and Cricket members all contribute to the upkeep through their Club membership. Each Club makes a sizeable donation to the NCPFA to help contribute to the cost of the upkeep of the field. There is no Dog Walking Club - perhaps there should be! We just ask that, particularly if you are a regular user of the field with the furry member(s) of your family, you consider contributing a little towards the use a facility which costs a lot to maintain each year. Not all dog walkers are totally respectful and pick up after their friends so the field needs to be checked before all matches. **Thank you** to everyone who does pick up after their own, and often other people's, dogs - you help keep the area a safe place for children and adults to use. Bins are available in a wide variety of locations around and, particularly, at the entrances to the field. Please continue to pick up and dispose cleanly. Many thanks to the COG's volunteers for emptying the bins every week

DATES FOR YOUR DIARY:

As events are planned they will be announced here, or on Social Media - so keep a look out.

The Club is open Tuesday - Sunday and it is hoped that it will soon be possible to open the Bar regularly on a Thursday evening as well.

Dog Walker?

please consider making a donation of £20 per year to contribute to field maintenance. Please continue to pick up after your dog (Thank You)

Membership - Join/Renew - £10ppa

How many ways can you kill a tree...

...without really meaning to?

Most of us love trees, we recognise that they add value and beauty to our homes and neighbourhoods. But we are often careless of their simple needs for survival.

Look at the images on the right. At the top is a tree, in a garden, in a village, happy and healthy, somewhere in East Yorkshire, in August 2016. Then someone decided to build a house in that garden. The middle image shows the tree in April 2019, part of a building site, compacted stone over its roots, denying them air and water, but hey, the trunk is protected by orange plastic fencing! All will be well...

No it won't. The bottom image is September 2021. The tree roots have not only been crushed under stone, but a nice raised bed has made sure that the trunk base is no longer at its natural level. In September, the tree should have the same amount of leaf cover as the first photo in August, but it doesn't... New House for Sale, complete with dying tree.

Stakes and ties

Another great way to kill trees, without really intending to, is to stake and tie new ones, to give them support, then completely forget to loosen or remove the ties. You can spot this in gardens and housing estates across the land. Trees pass water and nutrients to their leaves through their bark, so ignoring and leaving them tightly tied is a great way to strangle them to death. It should only take a few years.

Bonus tip...

If you are in a hurry, strimming grass around the base of trees is quite a quick way of unintentionally killing them. It will usually cut straight through the bark, weakening them until they give up and fall over. Tidy, but dead. Alternatively... just give it a little thought. How many trees are being killed in your area?

Are you new to this area and would like to meet people?

Perhaps you might like to rekindle an old hobby or interest or learn something new?

Or simply socialise more and make new friends?

Caves u3a can offer you

- **20 interest groups** covering various topics - Art, Walking, Craft, Bird-watching, Guitar playing, Local History, Scrabble/ board games, Singing and Writing for Fun, to name just a few. New groups form when there is a demand.
- **A monthly meeting** for all members held at Cave Castle with an interesting speaker and time to chat with other members over tea, coffee and biscuits
- **Social events** - an Afternoon Tea, a Christmas lunch, outings and coffee mornings
- **Access to online learning sessions** provided by the national u3a organisation on a

huge range of topics such as science, technology, religious faiths, music, creative writing, yoga, poetry and history.

U3a is a membership organisation for those no longer in full time employment. Meetings are usually held during the day in various local venues.

Our membership covers North and South Cave, Brough, Ellerker, Elloughton and many of the villages in the surrounding area.

There is an annual subscription of £15.

Check out our website

www.caves.u3asite.uk

to see what we have to offer and come for a free 'taster' meeting first.

Newbald Live @ Newbald Village Hall

Newbald Live's 2026 programme has already begun with an outstanding show

from virtuoso guitarist, Danny Bradley. We have a busy few months in prospect with artists of the highest quality from the UK and North America gracing our stage. All tickets are available from our online store: www.ticketsource.co.uk/newbald and full details are at our website www.newbald.live

Saturday 31st January, Doors open 7.30: Kim Richey

Kim Richey is a true Nashville legend! She has written songs with and for many of the biggest names in the business and has toured extensively across North America and Europe. Kim played here two years ago and went down a storm... get your tickets now for the return visit. Tickets: £17

Saturday 21st February, Doors 7.30 – Red Sky July (support: Jackson D)

Red Sky July are a trio with a great pedigree: with a background in bands such as Texas and Alisha's Attic, we are delighted to have them making their Newbald debut. With support from much loved local performer, Jackson D, this is another one not to be missed! Tickets: £17.50.

Sunday 1st March, Doors 4.30 – Holly Carter

Holly Carter is an award-winning songwriter and multi-instrumentalist from Bristol, UK. Two-time recipient of 'Instrumentalist of the Year' at the Americana UK awards (2023 & 2024) she is widely recognised as an exceptional fingerstyle guitarist and one of the UK's only professional female pedal steel players. Holly's music combines a showstopping approach to guitar with joyously catchy melodies, and accompanied by Joe Wilkins, regular guitarist for Elles Bailey's band, this will set a perfect mood for our first laid back Sunday matinee show of the year.

Tickets: £13.00

All tickets can be bought via our website
