Wallingfen Free Church

Hello everyone! We are very busy now with future events. Having had a successful Bring and Share coffee morning we are repeating this event on Saturday December 5th.

This time we are requesting if anyone can bring a completed shoe-box gift for a child or adult these will be distributed to adults and children in need in this area at Christmas by Mission Trinity in Goole. Details of how to complete and a list of contents can be obtained by contacting me. If you can include a Christmas card with a message this is often much appreciated.

This year we having our first Christmas Day dinner in Newport village hall from 12 noon. A three course meal £20 and concessions will be available. This to help those that are lonely and in need on this special day. Please contact us if you know anyone that can benefit from this event. We will try to provide transport where we can. Advance bookings essential.

If you would like to receive details of our work and events we do have an email list. So please contact me if you wish to be added.

Thank you all for your continuing support.

Parish Council News

North Cave Parish Council

It will soon be 2027! and we wish all readers a very Happy New Year & a wonderful

Christmastime. As we say goodbye to our summer planters at the War Memorial, we gladly welcome our wonderful Remembrance display provided by the talented WI and following on in December, the colourful Christmas lights & Tree. Thank you to all involved creating these displays.

New Chair: We welcome our new Chair Cllr Strong and give our gratitude to Mr S Tradewell for conducting his role as Chair for the past 18 months. Welcome also to Cllr Pauline Hornsea, who was co-opted at the November meeting.

Community Speed Watch: We thank all the volunteers who come forward to assist with this traffic calming initiative. Thanks to Cllr Gibson-Matthews for coordinating this group.

New volunteers are welcome, please write in or register online to join.

Allotments:

We have recently improved the entrance to the allotments and will be keeping regular inspections to ensure these are kept manageable & tidy. Thanks to Cllrs Gibson-Matthews and North, and Mr Tradewell, for the recent improvements. We do have a waiting list for prospective tenants, but this is fairly low at present so, if you interested in an allotment, do get in touch.

ERYC: We do our best to report as many issues as possible to the ERYC, but do help us by reporting any village issues too as this flags it quicker up their job-list. We do persevere and it is good to see the improvements along Newport Road and footpath along Westgate.

View further news & information on our website: www.northcavepc.gov.uk - including an updated Traffic page and a new Biodiversity page.

New Parish Councillors Wanted

Following a number of resignations by Parish Councillors, who we thank for their service, there are now three vacancies to fill. As soon as we get approval from ERYC, we will be looking for volunteers to fill the vacancies. No doubt residents will appreciate that it takes quite a lot of spare time to serve as a volunteer Parish Councillor. However, it is a highly rewarding way to contribute to your local community.

If you might be interested in applying, please watch the web site and the Parish Council's noticeboard for further details.

North Cave Parish Council

Message From the Chair

Dear Residents,

As some of you may know, I had the honour of being elected as the Chairman of North Cave Parish Council.(NCPC) back in October.

I want to give you some ideas as to what your council has been up to over the last year or so, your council has spent a considerable amount of time on things like the War Memorial area, The Millennium Walk, The Allotments, Everthorpe Orchard, Street Furniture, Trees on Newport Road as well as a considerable number of planning applications to name just a few. We also held a very informative Biodiversity meeting in early October which was well supported by residents.

We continue to put pressure on ERYC to attend to pot holes, pavement improvements and lots of other things as well. Many of the issues that are raised outside of meetings are dealt with separately; they don't make the headlines but are never the less in many cases important to the residents of our Parish.

Some of your Councillors together with members if the public carry out Speed Watch duties in various roads in an effort to reduce vehicles speeding through the village. If anybody would like to join the speed watch team, please do let us know. Details of how to contact us via the Parish Clerk are on the Parish Councils Website.

These are just a few of the many areas that your Council is responsible for and are involved in. Meetings of the Council are held on the third Tuesday of each Month in the Village Hall starting at 7.00 pm and every resident is most welcome to attend.

There is a public forum at the start of every meeting and residents have an opportunity to speak for 5 minutes to raise any matters of concern during this time. Items that are raised by residents at the forum will be placed on the agenda for consideration at the following meeting of the council.

The agenda for each meeting together with the minutes of the previous meeting are posted on the Council's website and on the Council's Notice Board, which is situated near to the old Chapel on Westgate.

If any resident has an issue or concern, and they are unable to wait till the next full council meeting, then these can be directed to our Parish Clerk via the web site. In addition, you can if you wish speak to any parish councillor when they are out and about in the village.

North Cave is a wonderful place to live, let's keep it that way by all working together for the common good.

North Cave Preschool

December is such an exciting month for the staff & children, Christmas is just around the corner, the decorations are up & conversations are filled with talk of Santa and the elves!

The children have been busy creating beautiful handmade Christmas crafts for their parents & will soon be getting crafty for a festive display. The rest of term will be filled with creativity, dressing up, baking & lots of playing with two themed weeks of 'transport' along the way.

Whilst you may know us as North Cave Preschool, we actually take children from 9 months of age.

We have a dedicated baby room space inside & outside with a trained member of staff. They follow their own schedule & have topics such as all about me, winter & farm animals and do lots of singing, crafts & engaging play which is fully catered to each individual child & supports their needs.

We operate an open door policy and welcome prospective parents in to view our setting, we have limited spaces for an immediate start. We open term time only, Monday to Friday 8am-5pm. Call in & see us for more information or check out our social media pages - we're on instagram & facebook.

We are a committee run setting and currently looking for new members to come join our friendly team of staff and current/past parents.

We meet once a month/term either in person or virtually to discuss upcoming events & the general running of the setting.

If you are able to spare a few hours to support us, please come along and see what we are all about, our next meeting will be in December. More information on our Facebook page!

Recently we have joined forces with the ladies from North Cave WI to hold some fabulous events which support with our fundraising - massive thank you to them for their efforts so far.

We opened the village hall up on Halloween to be part of the pumpkin trail, the event was a success with lots of trick or treaters calling in to see us.

The next will be a children's Christmas party on Saturday 19th December 3:30-5:30pm at NC village hall. Free entry- refreshments available! Children's entertainer & crafts, even the big man in red will be visiting us! Booking is essential in advance, please let us know or send an email to northcavewi@eastyorkshirewi.org.uk

In December we hold our annual Christmas raffle, tickets are £1 each with the first prize being a fabulous hamper, other prizes to include gift vouchers, a children's hamper and wine & chocolates. You'll have to be quick as the deadline is Monday 14th December ready to be drawn on Tuesday 15th December.

Looking towards next year we will once again be holding our Spring craft Fayre - more information to be released soon..

Finally, we would like to wish all our children, families & the community a very merry Christmas & a happy new year!

November UPDATE

Breakfast Club!

Our breakfast club continues to prove popular, with the children attending able to access a healthy breakfast whilst taking part in a range of craft activities should they wish. We are proud to be part of the Government's free breakfast club initiative and as a result, are able to offer breakfast club **free to all children** from 8.30am.

Run With It!

This term, we have been pleased to offer a group of children the opportunity of visiting the MKM Stadium as part of the 'Run With It' programme. The children have completed a range of work using the stadium as a stimulus and were even lucky enough to meet Hull City's manager, Sergej Jakirović!

Early Years

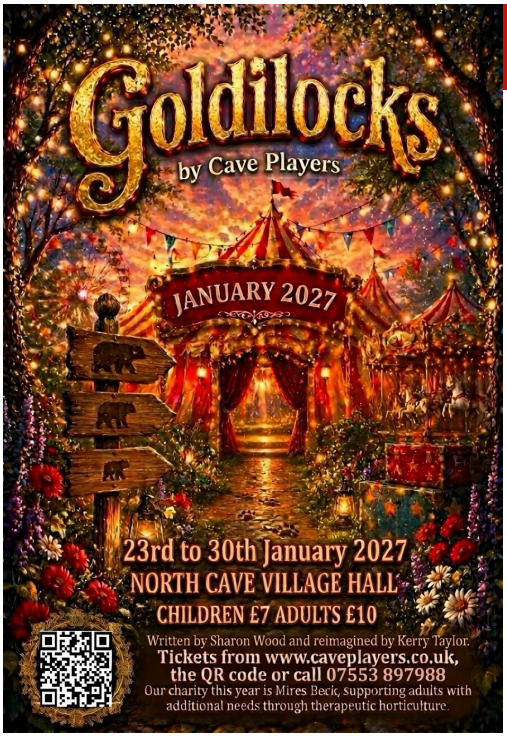

Our Reception children have settled extremely well into our Class 1 and have enjoyed learning and playing together. If you have a child who is due to start school in September 2027 and you are interested in joining our school family, please contact the school office and we will happily show you around.

Murder Mysteries

As well as the pantomime in January, we perform a number of Murder Mysteries throughout the year to raise money for charities. We are always on the lookout for more actors (especially men!) for these. Murder Mysteries are always great fun and don't involve learning lines or a schedule of rehearsals. The cast simply get together a couple of times before the event to run through the outline plot and character profiles. Interested? Why not drop an email to Kerry, our Secretary, to find out more:

Everthorpe Community Orchard

Apple Day
4th October 2026

We celebrated our second Apple day in the orchard with a very successful picking and pressing event accompanied by delicious apple bakes with cream or custard and the judging of an apple crumble competition. There were probably about fifty people in the orchard from Everthorpe, North and South Cave and North Ferriby enjoying the sunshine.

This year's apple pressing (and pear juice too) worked more efficiently as we had the benefit of an hydraulic apple press made especially for this event. We had also invested in a apple scratter which chomps up whole apples and prepares the fruit for the press, and a pasteuriser which heats the fruit juice, killing microorganisms and extending the shelf life of the juice.

About seventy five bottles of apple juice, and some pear juice, were made during the afternoon for people to take home in exchange for a donation.

The apple crumble competition was judged by Sue Hardwick and won by Liz Ullrich. The crumbles also got eaten along with apple tarts, apple cakes, apple buns and apple sausage rolls. It was altogether a successful and delicious orchard event.

Wassailing
Sunday 17 January 14:00 - 15:00
Everthorpe Community Orchard

This ancient English folk tradition aims to awaken the trees and drive away malevolent spirits ensuring a bountiful fruit harvest. To this end we still sing a wassailing rhyme and bang loudly on pots and pans, and water each tree with cider. Toast dipped in cider will be hung in the trees for the robins who are regarded as the guardians of the orchard. Hot chocolate and apple cake will be served after the festivities.

Everthorpe Quiz
Saturday 20 February 19:00 - 22:00
North Cave Village Hall
Westgate
North Cave

Come along for a fun quiz night with a light supper at half time. Teams of up to four make a table, and there will be a raffle and cash only bar.

COST: £5 per head, payable on the night. Cash only.

BOOKING: Table must be pre-booked by emailing hello@everthorpe.com.

BRING: Cash for tickets and the bar.

North Cave WI News

Remembrance Day:
North Cave WI and helpers have worked very hard in producing a poppy display for this year's NC Remembrance Day. It is an ongoing project with knitters contributing to our ever-growing poppy display.
A lot of time and effort goes into the care of the poppies both before and after the ceremony. We depend on an army of wonderful volunteers and we're so proud and honoured to produce this display for the village.

Pumpkin Trail:
The North Cave WI are thrilled to be working in partnership with North Cave Pre School and together, we opened the village hall as part of the Pumpkin trail. The hall was packed full of trick or treaters wearing some amazing costumes. Children enjoyed craft activities while parents took a much needed stop for light refreshments and warmth. It was a huge success thanks to our dedicated volunteers and those from the pre school, and we hope to repeat this every year
The winner of the prize draw for the pumpkin trail was 26 Westgate, Humber Physical Therapy and we offer our congratulations to Luke Lambert

Monthly Meeting:
It was lovely to meet up with WI members at our meeting on the 5th November. This month we held it at the village fire work display and we thank the North Cave Sports and Social Club for all their hard work in organising the event.
We are trying something new for our December meeting and will be enjoying a Cinema Night.

Children's Christmas Party:
Our final community project for the year will be the children's Christmas party. Please refer to the poster for details on how to book a place. Last year's event was a great success so please book early to avoid disappointment.

Next years programme:
We are very excited about our programme for next year which is filling up with lost of interesting and varied events
We meet on the 1st Thursday of every month at 7,30 in the North Cave Village Hall (except in august). New members are always welcome.

AGMs - Monday 19th October

Following the AGMs of the Playing Field and the Sports and Social Club, the Committee was pleased to welcome some new faces onto the Social Club Committee. For those who are not aware, the Playing Fields are held in trust for the benefit of the whole community and the members of the Playing Field Committee are also Trustees. The Sports and Social Club is the commercial arm and provides the social facilities for the various sports clubs that use the facilities as their home.

There are a number of thriving activities based in the Clubhouse including: Pool, Darts and Bingo. If the Clubhouse is open for any of these activities, please feel free to pop in, buy a drink and enjoy the atmosphere. There is always a welcome and, of course, you can then find out more about the activities and decide whether you might like to join in.

As we have told you before, the majority of the work undertaken to maintain the field and run the Clubhouse is undertaken by volunteers. The Club room and changing facilities have been given a major refurbishment and are more attractive. The process will continue to develop. We have recently purchased a new hand-held machine system to help with the demand for card payments and help with monitoring stock.

Ground Work

The cricket square has been 'put to bed' now for the winter and you will notice that the football 'dugouts' have been fixed either side of the square for use by the football teams but will also benefit other users of the field if they need a little rest or to get out of a rain shower!

Changing Rooms

The additional changing rooms that are being stored temporarily on the car park area have been pressed into action when there are two matches scheduled on the calendar. This has reduced the pressure on players to find somewhere to change or come already changed. It is not ideal to not be able to provide the full facilities and the Committee is working to resolve this issue.

Play Area

The fund raising challenge continues. We are extremely grateful to all the people who have already donated through LocalGiving or directly to the Playing Field. This gives us 'free' money that can be allocated where it is most needed rather than being tied to specific elements, as is the case with any bid funded contributions. We are hopeful that we will soon be receiving positive responses from the various funders who are due to make their decisions during December.

Unfortunately, however, we did receive some bad news from our Lottery Bid. We were unsuccessful because our scheme did not match their criteria as well as they would have liked. As a result, we are faced with a sudden £20,000 hole in our project finances that needs to be filled. If there are any people or organisations in the area that can help towards filling this hole we, and the children, will be very grateful.

We continue to look for funding opportunities and are hopeful that by the first half of 2027 the quest to install a largely new play area will be realised.

As we told you last month, that will not be the end of our fund-raising activities - we will need to address the failing fence system, additional seating and the request for a table tennis table.

Thank you to everyone who has already made a donation. However, if you would still like to help either follow the link to NCPFA LocalGiving fundraising page, where you can also give funds with :

North Cave Coal Exporters Cricket Club

North Cave Coal Exporters CC: celebrating 2026 and looking ahead

NCCE CC got together at the Sports Club on 13 November to celebrate the 2026 season and the achievements of our senior and junior teams. We also said a big thank you to Keith and Linda for all their support in running the bar, setting out teas and lots more throughout the summer.

Dave Barker won best batting performance, with Dan Kemp taking best batting average. James Rounding received best bowling performance and Andy Reeves best bowling average. Sam Young and James Smith shared the award for most outfield catches, while James Barker was named most consistent and Aabid Bashir most improved.

We celebrated centuries from Dave Barker and Aabid Bashir, and five-wicket hauls from James Rounding, Raj Roy, Rich Dannatt and Liam Walker. Liam was named 1st XI Player of the Year, Sam Young 2nd XI Player of the Year, and Ethan Steel received the Club Person of the Year award.

Well done to all our players and huge thanks to everyone who supported the club throughout 2026!

Sponsorship opportunities

Our plans for the club are coming along really well. We want NCCE CC to be a busy, welcoming club where everyone can get involved, whether they play cricket or not. That means helping local talent grow and giving our juniors good facilities and coaching so they can improve and keep enjoying the game. We also want to build closer links with local schools and support the North Cave Playing Fields Association Trust and other village activities.

Support from local organisations makes a big difference. If you'd like to help, there are plenty of sponsorship options for 2027 and beyond, including sponsoring our pitch covers, ground signs, player sponsorship, supporting our junior programme and or events such as our junior festival and golf day.

To find out more, get in touch with Tom Collins via tscollins34@gmail.com.

Interested in playing cricket in 2027?

Winter nets are back at Haltemprice Leisure Centre in the new year, taking on Tuesday evenings from mid January.

We're always looking to bring new players into the club and provide opportunities for people keen to get into cricket to develop their skills. If

you or your child fancies giving cricket a go, please contact Sam Young to find out more. Drop him an email at northcavecoalies@gmail.com for details.

Help us with cricket teas

We're also looking for someone to make teas for our first and second teams on most Saturdays in 2027. Whether you're passionate about pastry or super with sandwiches, we'd love to hear from you. Give our club chair Henry Green a call on 07773 151516 or email northcavecoalies@gmail.com to find out more.

Newbald Live @ Newbald Village Hall

Newbald Live have four live events remaining this year and an exciting line-up developing for early 2027.

Saturday 12th December, Doors open 7.30: Gareth Davies-Jones

Get in the mood for the festive season with Gareth Davies-Jones' Acoustic Christmas show, where he creates a space away from the hustle and bustle of what Christmas has become. Armed with a variety of instruments and a selection of stories and anecdotes, you'll be taken on a journey through some of his favourite songs and carols of Advent and Christmas. Listen, sing along, remember, look to the future, lose yourself in the music.

Tickets: £15 from www.newbald.live

Saturday 16th Jan, doors 7.30: Belle Roscoe

Belle Roscoe is an Australian sibling duo, Matty and Julia Gurry, whose harmony-driven folk/rock/Americana sound has drawn comparisons to Fleetwood Mac and The Black Keys. They've performed to audiences of 150,000+ in a year, closed the Cannes Film Festival, and played London's O2 Arena, New York's Bowery Electric and LA's United Artists Theatre. This will be a glorious start to our music programme for the year!

Tickets: £17 from www.newbald.live

Sunday 14th Feb, Doors: 4.30: Amy Speace

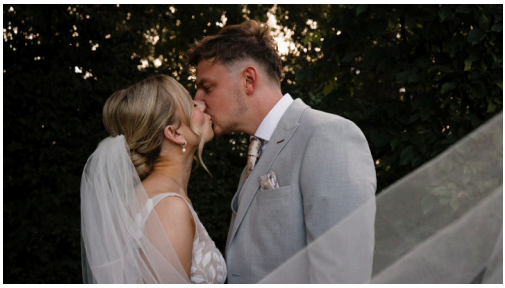

Multi award winning singer/songwriter and a highly respected writer and poet, Amy Speace has been one of Nashville's premiere folk artists of recent years. This will be the perfect way to spend a relaxed Sunday afternoon.

Tickets: £16 from www.newbald.live

Remember, you can sign up to our email list on our website, offering the chance to save booking fees on all tickets and be the first to receive news of new shows, some of which sell out very quickly!

Behind the Lens with R V Productions

Wedding Content Creation IS NOT the new Wedding Videography

The BBC recently published an article headlined “How wedding content creators take you from aisle to Insta”. This was our response.

If you have your finger on the wedding industry pulse, you have probably come across wedding content creators.

They are the new kid on the block, smartphone at the ready, capturing clips of your wedding day. The big selling point? Delivery within 24 hours, sometimes even on the wedding night itself.

In our ‘need it now’ culture, it is no surprise this has soared in popularity. Rather than waiting for carefully crafted photographs and films, couples get that dopamine spike almost immediately.

Now, before the pitchforks are hurled my way, I am not dismissing the people doing this. Many are lovely, hardworking professionals. Some bring gimbals, microphones and lights. They are providing a service, staying all day and delivering something couples enjoy.

However, and this is a BIG however, when couples opt out of wedding videography in favour of content creation, the creative inside of me weeps.

But why?

Because wedding videography is about telling a story.

We capture the day in a cinematic highlight film, often alongside full recordings of the ceremony and speeches. Each element is filmed with purpose, preserving memories you can relive over and over again.

Whether it is one year, five years or ten years later, you can gather around the big screen as a family and watch your wedding story unfold.

Now imagine having only short, vertical phone clips.

Instead of filling the screen, your wedding day sits between two black blocks. Rather than settling into a story, you are flicking between snippets. Your television has become one enormous smartphone.

And my bugbear with phone footage? It often feels like phone footage.

We film on smartphones every day. For me, a wedding deserves something that feels different. Something special.

I understand weddings are expensive. But choosing content creation purely because it seems cheaper can mean receiving a fraction of the story, sometimes for a price close to professional videography anyway.

A good wedding film is designed to make you feel something.

I even considered offering content creation myself, but kept getting frustrated knowing how much more I could give a couple with my actual camera.

And yes, waiting months for your film can be frustrating. But there are exceptions. I aim to deliver a full wedding package within two weeks: a balance between 24 hours and six months.

Ultimately, content creation is quick, inviting and ideal for couples who love sharing online. There is a seat at the table for all of us. But it has its own lane.

If you are choosing between the two because of budget, stop and consider what else you are paying for.

The oversized ‘LOVE’ letters? The spinning photobooth? The aesthetically pleasing telephone box?

Those extras are there and gone in a flash. A wedding film grows more valuable every year you watch it.

Because those are your memories.

And memories are priceless.
